

Classical Mythology

PURPOSE OF THE COURSE:

This survey is designed to make students aware of classical mythology and its influence in our world today.

Nine Weeks 1/3:

Definition and Interpretation of Mythology

The Titans, Gods, and Creation Myths

The Early Heroes

Sagas of Love and Adventure Part I

Nine Weeks 2/4:

Sagas of Love and Adventure Part II

Heroes Before and During the Trojan War

Norse Myths

Mythology in our World Today

OBJECTIVE TESTS on each major units and quizzes on each sub-section with discussion and projects as a co-equal part of the classwork. A cumulative semester exam is given during exam time. No mid-term is offered.

Reading and Work is primarily done in class but out of class study and review is expected as needed.
