Social/Emotional Adjustments

- **Changing old friendships**
- **New friendships**
- **Defining self in the new environment**
- **New independence and freedom**
- **New responsibilities**
- **Fresh start from middle school**

Academic Adjustments

- Moving to letter grades from Standards Based grading
- Organization is a MUST! Firm deadlines for assignments/learning
- Earning credits toward graduation (25)
- Juggling expectations (grading procedures) and assignments from multiple teachers
- Self-advocacy-We can support you in communication with teachers.
- **Attendance and effort are crucial to success!**

Beware of the Power of a Zero!!

Consider the following scenarios: If you have two or three assignments per week of equal point value, what would your average grade be for that week?

92%	A
82%	B
72%	C

Keys to Success

- Check Parent Vue at least once a week TOGETHER
- Email teachers by clicking on their name(s) if you have a question or concern
- Understand the teacher's grading practices
 - Standards based (like elementary & middle school- 1=below the standard, 2=progressing, 3=meeting the standard, 4=exceeding the standard) end up being converted to % and letter grades for transcripts
 - Percentages (100-90=A, 89-80=B, 79-70=C, 69-60=D, 59 and below is failing)
 - Ds earn credit **but** lower your GPA below the **2.0** that is required for graduation
 - If you earn a D in a math or world language class, you have to repeat that course before you can progress to the next level.

Being Involved Breeds Success

- **Clubs** (Art Club, Book Club, Cyber Club, Disc Golf Club, Family Career and Community Leaders of America, Fellowship of Christian Athlete, French Club, Gay Straight Alliance, Ski & Snowboard Club, Granola Club, Knitting Club, Math Engineering and Science Club, Model United Nations, Mock Trial, Spanish Club, Table Tennis Club, Video Gaming Club)
- **Sports**-call the athletics & activities office for more info (254-6900 ext 24101)
- **Extracurricular activities**-band, orchestra, theatre, newspaper, yearbook

An Introduction to Naviance

- This year your 9th grader will be exposed to Naviance. Naviance is a data program used at GJHS, offering support to our families, students, staff, and for post-secondary exploration and planning.
- Students accessed the Naviance site and completed an interest survey in their Social Studies class. In the future they will learn to use all of the components of Naviance, which will help them organize their future plans, both for high school and after.
- Identified Gifted/Talented Students on an Advanced Learning Plan (ALP) need to access and update their plan by January 2015.

Freshmen still need YOU!!

- A listening ear to hear concerns
- A level head to make suggestions and/or decisions when needed
- A living model to help develop communication and self-advocacy skills
- A loving heart...tough love sometimes, but always love and acceptance. Separating behavior and worth
- Allowing students to experience natural consequences

Learning Targets

1. Families will identify the support team and resources surrounding their child.
2. Families will explore the social, emotional, and academic adjustments that their ninth graders are experiencing.
3. Families will compare graduation and post-secondary entrance requirements.
