| June 14 | Last Day of School - 1/2 Day - Breakfast & Lunch Served |

A NEMS Tiger R.O.A.R.S.

Principal's Message

A very short message for the final newsletter. Thanks for all you have done to make this year as positive and fulfilling as it could be during these historically difficult times. Please know that we appreciate all the efforts of parents, students, and staff members and we realize that lots of work will need to be done in the Fall to make sure students are ready to return to a more normal schedule.

Enjoy your summer and please make sure you check your email periodically. We will be sending messages home about supply lists and an August open house as we get closer to the start of next year.

Thanks,

Daniel Sonstrom

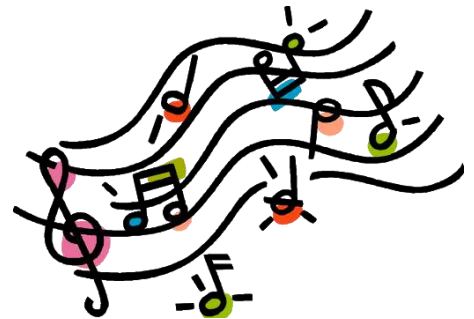

Choral Notes

The Bristol Arts Festival has been rescheduled for Wednesday, June 2nd, at Bristol Eastern High School. The NE Chorus students will be presenting from 5:00 - 5:30 in the alcove behind the building across from the football field. We will meet inside the gate to the football field on the right hand side and will walk together to the alcove. Students should wear their red music tee shirts and black bottoms, bring a water bottle and wear sunscreen. Parents are asked to bring a lawn chair if needed.

I take this opportunity to thank each and every chorus student that has fulfilled their commitment and dedication to their music education this year. This being an extraordinary year due to the pandemic, chorus students proved to be very dedicated and diligent about their chorus choice and for that I am very proud of them. It was my pleasure to have the opportunity to hear each individual student's voice via Smart Music which enabled me to specifically teach them in lesson groups. My hope is that they will continue their choral education at the high school level and for those in grades 6 & 7 at NEMS next year.

Have a wonderful summer! Keep a song in your heart!

Musically yours,
Mrs. Lomaglo

The school year is quickly coming to an end. Medication is not allowed to be stored at the school during summer vacation. If your child has medication at the school it must be picked up in the Health Room **no later than Monday June 8th, 2021**. All medications must be picked up by a parent of guardian. Medications will not be released to students.

Any medication not picked up by June 8th will be discarded. Thank you!

Students entering 7th grade will not be allowed to start school next year without a current physical on file.

Physicals must be dated ***after*** the completion of 5th grade and ***before*** the start of 7th grade.

Notes from the Band Room

This year has been a great challenge for our young instrumentalists. They have not been allowed to play together as an ensemble since March 2020, so when we finally got the green light to have a very brief outdoor and physically distanced rehearsal to prepare for the fine arts festival, we jumped at the opportunity and jumped for joy!

Many of these young musicians had never experienced an NEMS band rehearsal before. None have been able to practice the skills needed to play together in band, like watching the conductor while reading musical notation and playing their instrument and keeping a beat, and listening to all the other musical lines without losing track of their own part, and staying focused on listening to each other. They did it anyway.

I'm so proud of all the NEMS band students for coming together for our one special, wonderful rehearsal, for working together, for the joy they brought each other, me, our administrators, and themselves. They were absolutely amazing.

No rehearsals. No concerts. No Northern Region festival. No Lake Compounce Music festival. No field trips to Imagination Museum. Just the hard work of lessons and lonely practicing. These fun things will return and we will play together regularly again in the fall. But as far as I'm concerned, kids who are still in band after this difficult year and a half are superheroes. I'm grateful to every one of them for their perseverance and hard work. Thank you, band members. You made it through. Bravo.

Mrs. Vocke

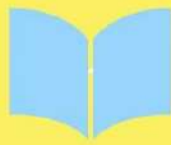

We're Having a **COCKOUT!**

As a reward for the hard work and good behavior the students of room 28 held a spring cookout. The students worked together to grill hotdogs, hamburgers, and make French fries. All the food was excellent and we were happy to share with the staff that was around and available. Keep up the good work!

Have a great summer!

Don't forget to read!
