

# **Mrs. Andrews & Ms. Felissa's News**

## **Sept. 16-20**

### **Math**

We are beginning a new set of lessons on rounding. Your child should be bringing home their family letter about the lessons. The letter also includes an activity that you can do with your child to help them be successful. This should be a review from third grade, just larger numbers. Also, be working on basic multiplication flashcards with your child to help them be successful for the remainder of the school year.

### **Science**

We will continue with observations and inferences this week as we read *Seven Blind Mice*. I hope your child shared with you about our lab of "contaminated" samples from another planet. Pictures are on bloomz!

### **Literacy**

Lesson 1: Understanding Historical Texts. We are reviewing non-fiction text features for the next few weeks. Please make sure your child is reading 20 minutes at home every night.

Unit 3 Feature: Challenging Plurals (Since I was out 2 ½ days last week, we will continue with this feature this week)

Your child's feature will be on the back of this newsletter.

### **Social Studies**

We will continue learning about the Arkansas symbols. Your child is working on an Arkansas coloring book in class. We will finish our coloring books & your child will be quizzed on Monday, September 23.

### **Safety Alert!**

We are trying to ensure your child's safety, so please make note of the following. When your child is tardy or comes late, please take them to the front door (office). All doors will be locked by 8:05. All parents need to enter the build through the office to check in.

### **Transportation change?**

If you have a transportation change for your child, please send a note, an email **by 2 pm**, or contact the office. Otherwise, your child will be sent home as usual per the handbook.

### **Sending Money?**

When sending money, please have it in an envelope labeled with your child's first & last name, what it is for, and their teacher's name.
