Dear Parents,

For all events and activities, we will continue to monitor the situation and requirements this year to determine what we can do with restrictions in place. These restrictions are continuously being evaluated based on collaboration with Mesa County Public Health Department and District 51.

We are busy implementing our school-wide goals and objectives for the year. Staff will be working to review progress toward goals and making needed adjustments toward our action steps. We complete this process several times throughout the year at Fruita 8/9 to keep our goals at the forefront of the teaching and learning process.

At the end of December, unclaimed items in the lost and found bin will be donated to local organizations. I would like to wish you a wonderful winter break and hope that you have the opportunity to spend some time with family. Thank you for your continued support!

Sincerely,

Jason Plantiko
Principal
Fruita 8/9 School

WINTER BREAK

December 21st-January 5th

Enjoy Your Break Wildcats !

STAYING CONNECTED WITH THE SCHOOL:

There is a fast and easy way to keep track of your student's grades, attendance, school activities, and email their teachers...it's called **ParentVUE**.

If you are using your student's StudentVUE account to log in to see their grades, **please remember there are things that you can only see in ParentVUE not StudentVUE.**

Please contact Lori Fairfield @ lori.fairfield@d51schools.org or 970-254-6720 to sign up.

This would also be a great time to update your personal info and email address if it has changed.

REMEMBER: As a high school, we do not send things home like the elementary/middle schools do. With that being said, it is critical that you have a ParentVUE account.

F 8/9 CLOSED CAMPUS POLICY

If you give permission for your student to leave school with someone who is not the parent/legal guardian or on the Emergency contact, you are asked to **provide written, signed notification stating the time the student is to be picked up and the name of the person with whom he/she is leaving campus.** That person is required to come to the office to sign the checkout book when the student leaves. Note that when leaving for lunch, the student will be excused for their school lunch wave only. **If the student is not signed out by the person they go to lunch with it will not be excused.** Please plan ahead. Phone calls or faxes will not be accepted as permission.
