

Woodrow Wilson Elementary School

Dear Woodrow Wilson families,

November, the month that many celebrate Thanksgiving!!! We are always thankful for your support and the positive role you play in the Wilson Learning community. It doesn't seem possible that we have already finished the 1st marking period of the 2021-22 school year, and teachers are finalizing students' first PowerSchool report card for this school year. Time swiftly passes as students are working hard to meet their academic goals. Our Wilson wolves are quickly learning there are great incentives and reward activities for meeting expected behaviors, like earning green tickets, our PAWS money for students to buy items at the student store on wheels!! It has been exciting to recognize our students daily for their positive acts, and to share in our incentive rewards & activities. We look forward to the coming months as we continue to grow united as a kind and respectful learning environment working hard together as a TEAM to meet our academic goals.

*Your Principal,
Jennifer Rosser*
