Comprehensive Local Plan for Special Education

BP 0430

Philosophy, Goals, Objectives and Comprehensive Plans

Note: Pursuant to Education Code 56195.1, school districts and county offices of education (COE) are required to form geographical regions, known as Special Education Local Plan Areas (SELPA), of sufficient size and scope to administer a local plan and the allocation of funds for all the special education service needs of the children residing within the boundaries of the region. Districts may join together or with a COE to form a SELPA, or a single district may form its own SELPA. Each SELPA is required to develop and administer a local plan describing how it will provide special education services. Pursuant to Education Code 56195.5, the Governing Board has authority, consistent with the SELPA plan, over the programs it directly maintains.

Note: The following policy and accompanying administrative regulation should be revised to reflect requirements for the type of SELPA in which the district participates.

The Governing Board recognizes its obligation to provide a free appropriate public education to all individuals with disabilities, aged 3 to 21 years, who reside in the district.

(cf. 6159.4 - Behavioral Interventions for Special Education Students)

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

(cf. 6164.6 - Identification and Education Under Section 504)

***Note: Option 1 below is for use by districts that have their own single-district SELPA.

Option 2 below is for use by districts that join with other districts to form a SELPA. Option 3

below is for use by districts that join with a COE to form a SELPA.***

OPTION 3: (Districts that participate in a multi-district SELPA with the county office of education)

In order to meet the needs of individuals with disabilities, the district shall participate as a member of a Special Education Local Plan Area (SELPA) with other districts and the county office of education pursuant to Education Code 56195.1.

The district shall enter into agreements with other members of the SELPA in accordance with Education Code 56195.1 and 56195.7. Consistent with these agreements, the district shall adopt policies governing the programs and services it operates. (Education Code 56195.8)

The Superintendent or designee shall work with the other members of the SELPA to develop a local plan for the education of individuals with disabilities. The plan shall be approved by the Board and the other members of the SELPA, and shall be submitted to the Superintendent of Public Instruction. (Education Code 56195.1)

Note: The remainder of this policy applies to all districts.

Note: Pursuant to Education Code 56195.9, beginning July 1, 2020, the local plan must be reviewed by the SELPA at least once every three years. The budget plan, service plan, and annual assurances support plan must still be reviewed annually pursuant to Education Code 56205; see the accompanying administrative regulation.

The local plan shall be reviewed at least once every three years and updated as needed to ensure the information contained in the plan remains relevant and accurate. The local plan shall be updated cooperatively by a committee of representatives of special and regular education teachers and administrators selected by the groups they represent and with participation by parent/guardian members of the community advisory committee, or parents/guardians selected by the community advisory committee, to ensure adequate and effective participation and communication. (Education Code 56195.9)

Note: Pursuant to Education Code 56195.7, a single-district SELPA is mandated to adopt a written procedure for the ongoing review of programs and a mechanism for correcting any identified problem. For districts participating in a multi-district SELPA with or without a COE pursuant to Option 2 or 3 above, these requirements are contained in the written agreement entered into by members of the SELPA. The following paragraph may be revised to reflect district and/or SELPA practice.

Special education programs and services shall be reviewed on an ongoing basis. The results of such evaluations shall be used to identify and correct any program deficiencies.
