Board Policy

Hate-Motivated Behavior

BP 5145.9

Students

Note: The following optional policy addresses prevention strategies for hate-motivated incidents and should be modified to reflect district practice. Elements of this policy should be integrated into existing district and school site plans, such as the local control and accountability plan, comprehensive school safety plan, and staff development plans.

The Governing Board is committed to providing a safe learning environment that protects students from discrimination, harassment, intimidation, bullying, and other behavior motivated by a person's hostility towards another person's real or perceived ethnicity, national origin, immigrant status, sex, gender, sexual orientation, religious belief, age, disability, or any other physical or cultural characteristic. The Superintendent or designee shall design strategies to promote harmonious relationships among students, prevent incidents of hate-motivated behavior to the extent possible, and address such incidents if they occur.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 0450 - Comprehensive Safety Plan)

(cf. 3515.4 - Recovery for Property Loss or Damage)

(cf. 5131- Conduct)

(cf. 5131.2 - Bullying)

(cf. 5131.5 - Vandalism and Graffiti)

(cf. 5136 - Gangs)

(cf. 5137 - Positive School Climate)

(cf. 5141.52 - Suicide Prevention)

(cf. 5145.3 - Nondiscrimination/Harassment)

(cf. 5145.7 - Sexual Harassment)

Note: Hate-motivated behavior, such as an assault, physical threat, bomb threat, destruction of property, graffiti, and certain types of vandalism, may constitute a crime under state or federal law. Local law enforcement agencies and human rights commissions throughout the state have established countywide hate crimes networks aimed at responding to and preventing hate crimes. Districts can identify local hate crime resources through the California Association of Human Relations Organizations, which conducts activities designed to protect human and civil rights through networks of collaborations that reduce community tension and build intergroup relationships.

Note: The following optional paragraph should be revised to reflect district practice.

The Superintendent or designee shall collaborate with regional programs and community organizations to promote safe environments for youth. Such collaborative efforts shall focus on ensuring an efficient use of district and community resources, developing effective prevention strategies and response plans, providing assistance to students affected by hate-motivated behavior, and/or educating students who have perpetrated hate-motivated acts.

(cf. 1020 - Youth Services)
(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)
(cf. 1700 - Relations Between Private Industry and the Schools)
(cf. 5148.2 - Before/After School Programs)

The district shall provide students with age-appropriate instruction that includes the development of **social-emotional learning**, promotes their understanding of and respect for human rights, diversity, and acceptance in a multicultural society, and provides strategies to manage conflicts constructively.

(cf. 5138 - Conflict Resolution/Peer Mediation)
(cf. 6142.3 - Civic Education)
(cf. 6142.4 - Service Learning/Community Service Classes)
(cf. 6142.94 - History-Social Science Instruction)

As necessary, the district shall provide counseling, guidance, and support to students who are victims of hate-motivated behavior and to students who exhibit such behavior.

(cf. 6164.2 - Guidance/Counseling Services)

The Superintendent or designee shall ensure that the rules prohibiting hate-motivated behavior and procedures for reporting a hate-motivated incident are provided to students and parents/guardians.

The Superintendent or designee shall provide staff with training on recognizing and preventing hate-motivated behavior and on effectively enforcing rules for appropriate student conduct.

Complaint Process

Note: Pursuant to Education Code 234.1, districts are required to adopt a process for receiving and investigating complaints involving unlawful discrimination (such as discriminatory harassment, intimidation, and bullying) based on race or ethnicity, nationality, gender, sex, sexual orientation, religion, immigration status, or any characteristic contained in the definition of hate crimes in Penal Code 422.55. In addition, federal regulations require districts to adopt procedures providing for the prompt and equitable resolution of complaints of discrimination on the basis of sex (34 CFR 106.8), disability (34 CFR 104.7 and 28 CFR 35.107), and age (34 CFR 110.25). Pursuant to 5 CCR 4600-4670, uniform complaint procedures (UCP) must be used for this purpose. See BP/AR 1312.3 - Uniform Complaint Procedures.

Note: Although some incidents of harassment, intimidation, or bullying may not fall within the provisions of Education Code 234.1 or federal civil rights regulations, CSBA strongly recommends that districts use the UCP to investigate all incidents (whether discriminatory or nondiscriminatory) to ensure consistent implementation by district staff. It is not always easy or possible for staff to know prior to an investigation whether a student was victimized because of his/her actual or perceived membership in a legally protected class. Those incidents found to involve discrimination based on the results of the investigation would then be resolved using the UCP. When an incident is determined to be nondiscriminatory, it should be resolved through the appropriate disciplinary process.

A student or parent/guardian who believes the student is a victim of hate-motivated behavior is strongly encouraged to report the incident to a teacher, the principal, or other staff member.

Any staff member who is notified that hate-motivated behavior has occurred, observes such behavior, or otherwise becomes aware of an incident shall immediately contact the principal or the compliance officer responsible for coordinating the district's response to complaints and complying with state and federal civil rights laws. As appropriate, he/she shall also contact law enforcement.

(cf. 3515.3 - District Police/Security Department)
(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

Any complaint of hate-motivated behavior shall be investigated and, if determined to be discriminatory, shall be resolved in accordance with law and the district's uniform complaint procedures specified in AR 1312.3 - Uniform Complaint Procedures. If, during the investigation, it is determined that a complaint is about nondiscriminatory behavior, the principal or designee shall inform the complainant and shall take all necessary actions to resolve the complaint.
