VALLEY TECH WEBSITE

The screenshot shows the top portion of the Valley Tech website. At the top, there is a navigation bar with the following links: ABOUT, ADMISSIONS, EDUCATIONAL PROGRAMS, ATHLETICS & ACTIVITIES, PARENTS & STUDENTS (highlighted with a red circle), and COMMUNITY. To the right of these links is a search icon. Above the navigation bar, the BVT logo is displayed with the tagline "Transforming Education". In the top right corner, there are icons for home, calendar, email, heart, and a user profile icon, along with a "REGISTER" button. The main content area features a large image of three graduates in caps and gowns. Below the image, there is a purple banner with the text "SENIOR CALENDAR" on the left, a paragraph of text in the center, and "READ MORE" on the right.

Fueling Students For Success

The Director of BVT's Food Services program, Chef Eric Carlson, believes that continued access to nutritious meals promotes student learning and lifelong healthy eating behaviors. Our goal is to fuel the mind and body through high-quality breakfast and lunch offerings that contain fresh, nutritious ingredients. Working alongside BVT's Nutritionist Martha Pellegrino and the Food Services staff, we are committed to creating restaurant-quality school meals that adhere to the strict boundaries of the state and federal government's nutritional guidelines which are based on [USDA Dietary Guidelines](#). To help BVT students and staff manage their healthy eating habits, our [lunch menu](#) has a breakdown of the nutritional value for each menu item.

In addition to his passion for food, Chef Carlson also puts his passion for teaching to good use by working alongside Culinary Arts students. These students take a hands-on role in helping Chef Carlson and his staff prepare meals for up to 800 students and staff members per day. The experience of working in BVT's food service program reinforces learning and introduces new skills that will have a positive impact on the students' professional future.

Welcome to NUTRIkids

We are very excited to offer our student's parents and guardians the [NutriKids](#) system, a convenient, easy-to-use, and secure online prepayment service. Now you can:

- Open up an account for your child
- Serving lines are **cashless**
- [Pre-pay for lunches on-line](#) in any amount (such as monthly or yearly)
- View your child's account balance

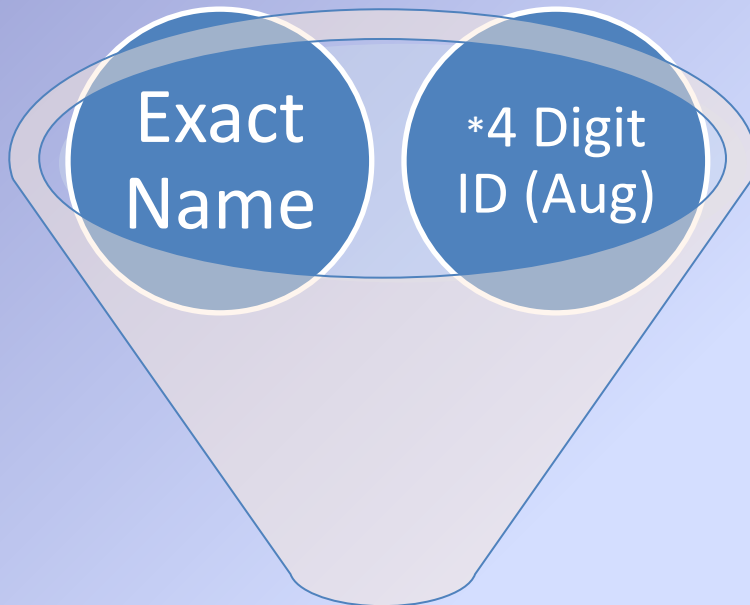

There are many benefits to this system:

- **SPEED:** lunch lines move along much faster so your child has more time to eat and be with friends.
- **ANONYMITY:** students who are eligible for free or reduced meals will have their privacy maintained.
- **ACCOUNTABILITY:** the system provides parents and guardians with accurate records for accounting purposes and allows them to print out a copy of their child's food purchase history report.
- **ALERTS:** the system will alert the cashier of any restrictions your child may have, such as food allergies, medical conditions, or daily purchasing limits. (Please ensure BVT's nurses are aware of any restrictions.)
