# King County's Changing Demographics

## **Investigating Our Increasing Diversity**

Chandler Felt, Demographer

King County Office of Performance, Strategy and Budget

Updated in 2016 from June 2013 County Council Presentation

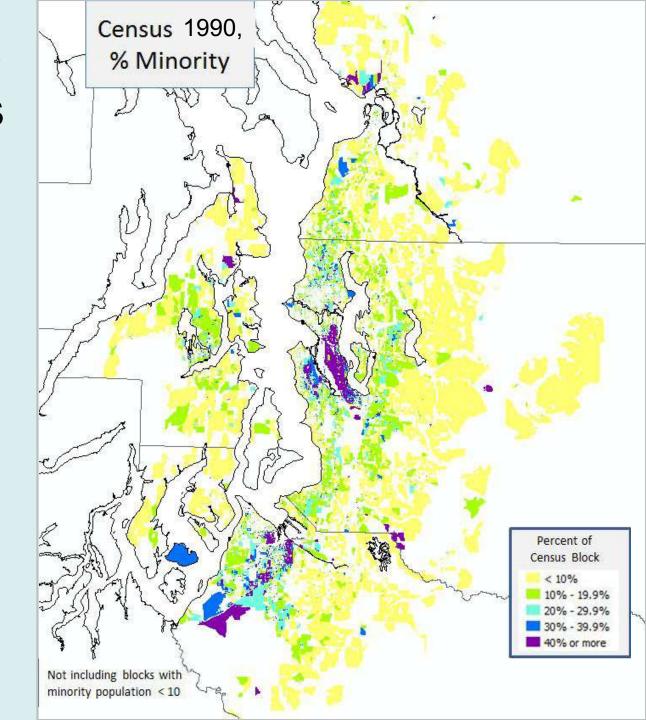

## A note on sources

- Decennial Census: 1990, 2000, 2010
- American Community Survey (ACS)
  - Most recent detailed data, 2011-15
- Reliability of data
  - ACS accuracy is not so good
- Margins of Error

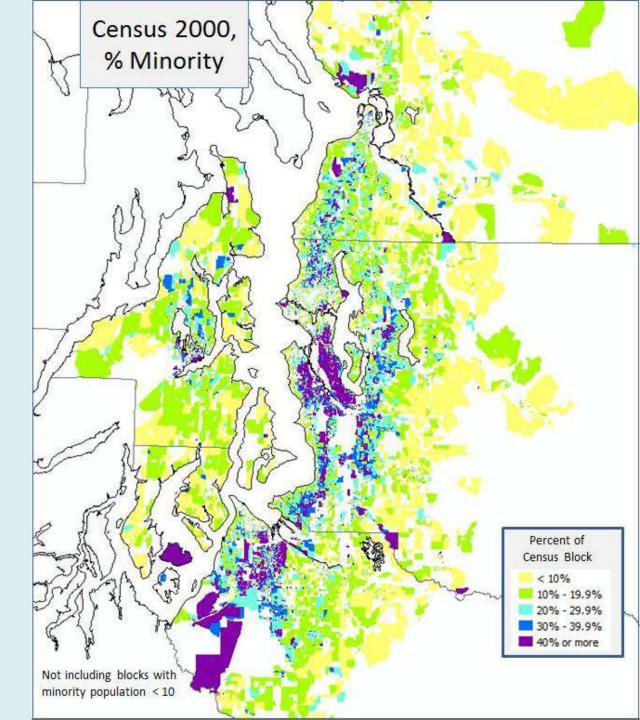

# King County Population Growth, 2000 - 2016

- King County now more than 2.1 million people
- Gained 360,000 persons since 2000
- Gain: more than population of Tacoma + Everett
- Population grew 21%, while job numbers remained flat (2000-2010), then jumped
- Data we're reporting are from 2010 Census and American Community Survey

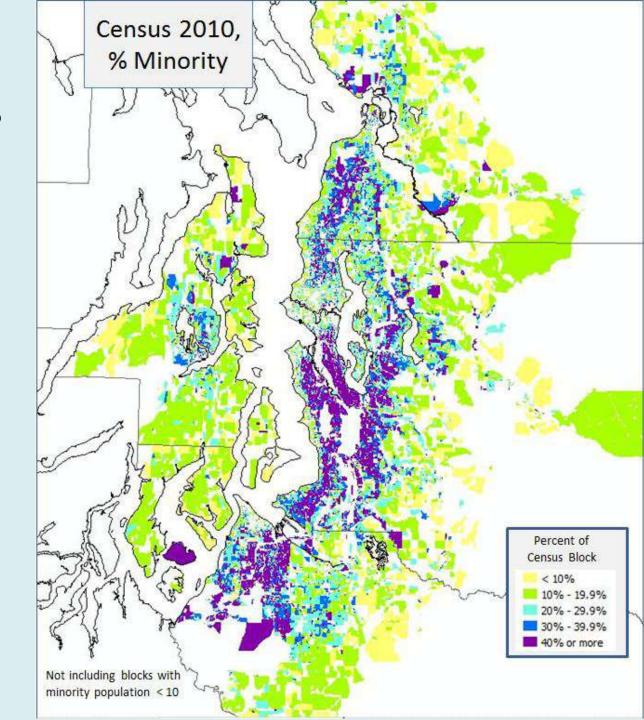

The region's population is becoming increasingly diverse: 1990

The region's population is becoming increasingly diverse: 2000

The region's population is becoming increasingly diverse: 2010

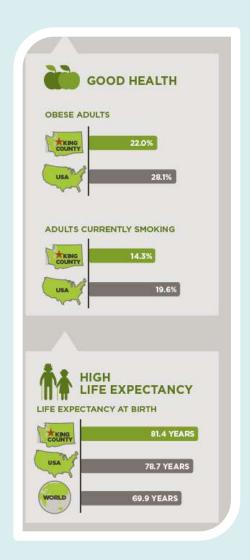

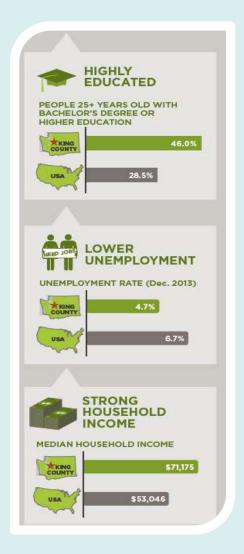

Population diversity: compare King County to the U.S.

## Appearance of Equity

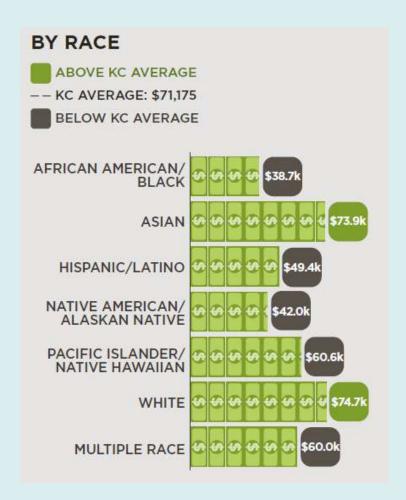

At a glance, King County outperforms the U.S. on socioeconomic indicators

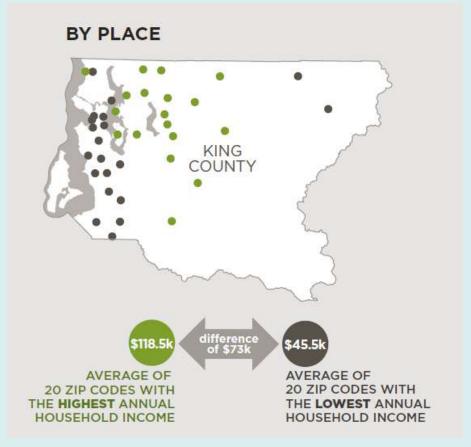

### A Closer Look

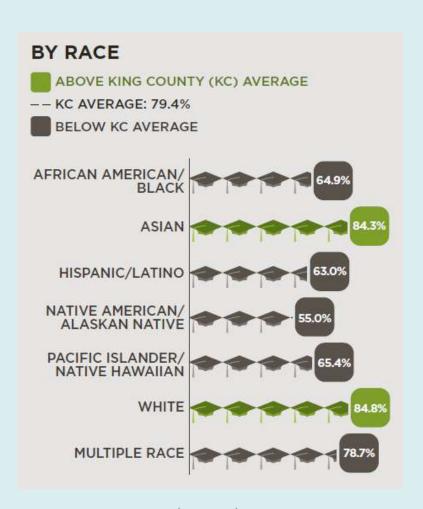

### Income by Race & Place

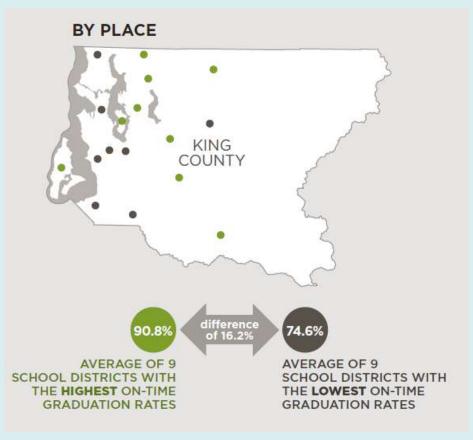

### A Closer Look

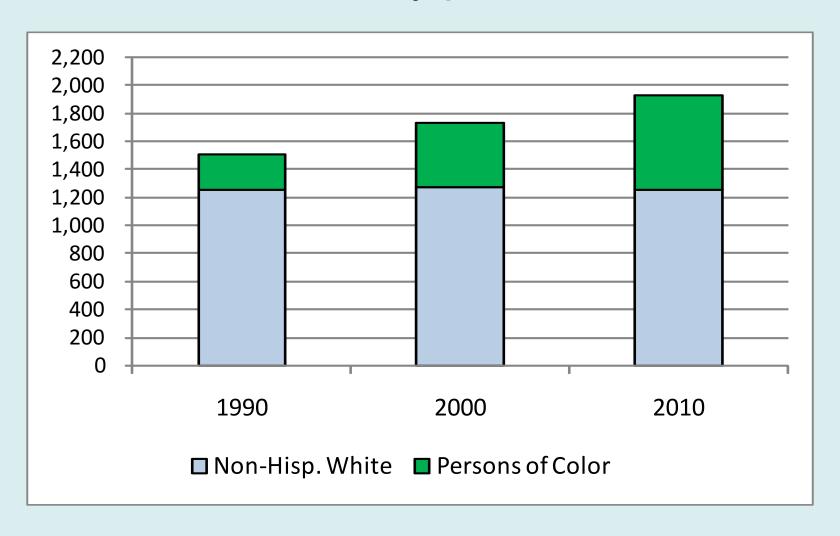

### Graduation Rates by Race & Place

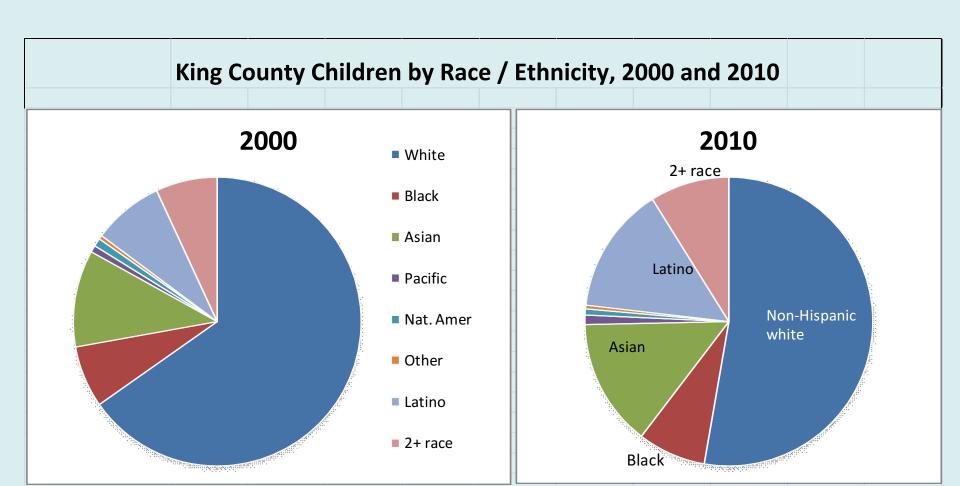

- How did we get into this complex pattern?
- Why do the demographic characteristics of communities within the county differ so greatly?

# 20 years of King County growth: increase is mostly persons of color

# Nearly half of King County kids are children of color

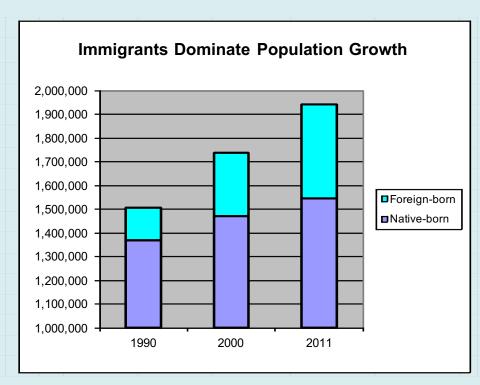

## Where is our growth coming from?

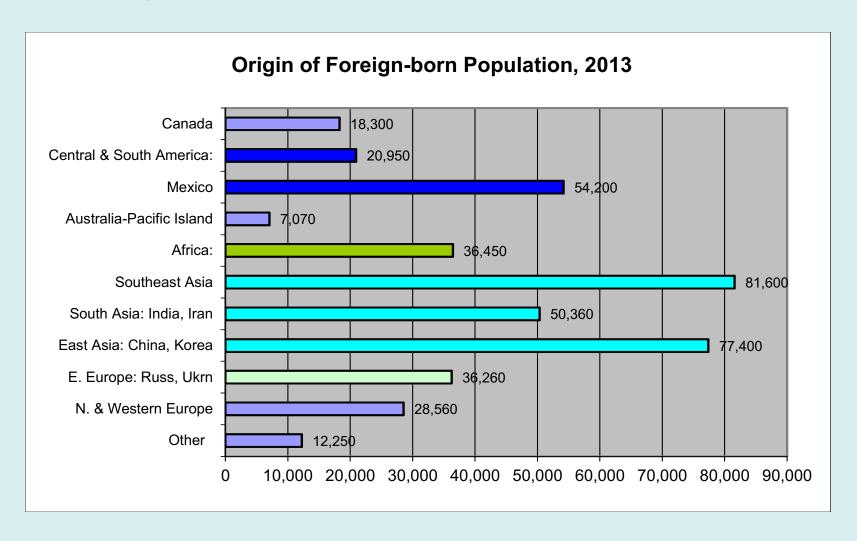

- Only half of population growth is from natural increase – our own children
- Before 1990, migration e.g. California
- In recent years, immigration
  - All parts of Asia
  - Latin America
  - Eastern Europe
  - Africa
  - Some from these regions, via US states

# More than half of our recent growth is immigration

King County Population Trend by Place of Birth				
	1990	2000	2011	
Native-born	1,366,700	1,468,700	1,544,500	
Foreign-born	140,600	268,300	395,100	
Total pop.	1,507,300	1,737,000	1,939,600	

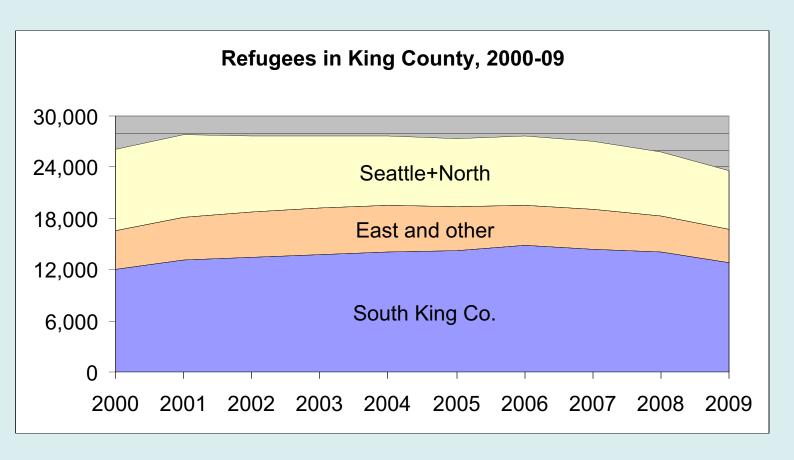

## Immigrants arrive from all over the world

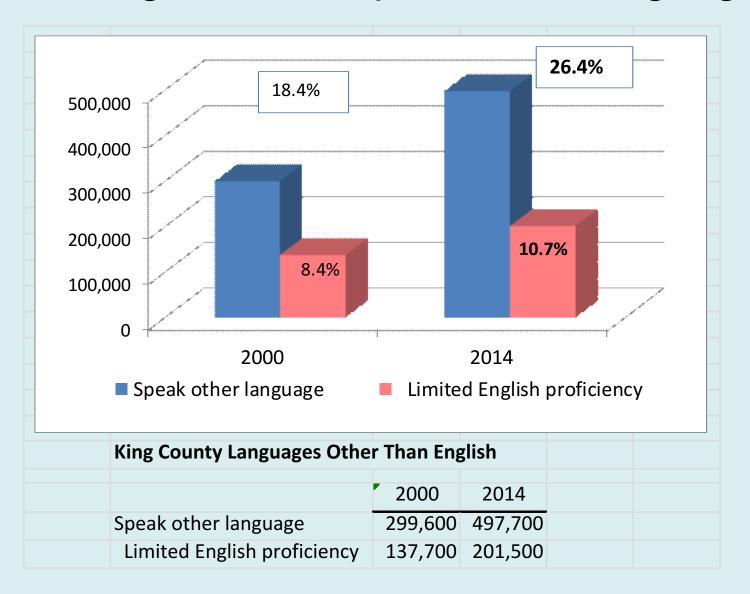

# Refugee population in King County

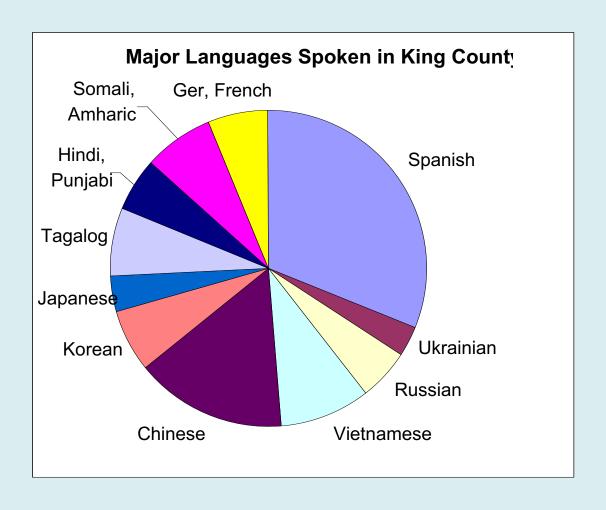

Numbers steady until recently South King has majority

## Increasing numbers speak other languages

#### King County residents speak 170+ different languages

Spanish	102,000
Opanish	102,000
Chinese	51,000
Vietnamese	30,200
Somali, Amhar	23,400
Tagalog	22,900
Korean	21,100
Ger, French	20,400
Hindi, Punjabi	18,400
Russian	17,700
Japanese	11,300
Ukrainian	10,000
Other	73,500
	401,900
