

# STUDENT/PARENT INFORMATION AND PROCEDURES

## Tustin High School

### ATTENDANCE

**Regular attendance is an important component of your child's success in school.** Parents hold a legal responsibility to compel their child to attend school regularly. Failure to do so may result in severe consequences with the law.

To report an absence, please call 714-734-7414 ext. 87175 by **11:00 a.m. on the day of the student's absence.** This applies to an all-day absence or if the student is more than 15 minutes late. The Attendance Office must be notified each day when a student is absent.

If a parent does not call the Attendance Office on the day of the absence, the student must bring a note to Attendance on the day they return to school.

#### Absences

**Absences are legally defined as "excused" or "unexcused."** Excused absences are due to illness, medical or dental appointments, religious holiday, jury duty, medical appointment for a child whom the student is the custodial parent, serving as a member of a precinct board or bereavement. Attending funeral **services of a member of the student's immediate family is excused for one day if the service is conducted within California and no more than three days if the services if conducted outside of California.** Students who miss three or more days of school **due to illness require a doctor's note for verification.** Unexcused absences include court appearance, employment conference, **personal reasons, and family vacations.** **The pupil's absence must be requested in writing by the parent or guardian and approved by the principal/designee in order for the unexcused absence to not be considered as a truant absence.** Students **who accumulate three or more "unexcused" absences in the school year are deemed truant and will be reported to the Attendance Supervisor of the District.** The following consequences may occur:

- The parent may be required to attend school for one full day, pursuant to the California Education Code.
- The parent and the student may be placed on an attendance contract.
- If the student is on an Intra or Inter District Transfer, the transfer may be revoked.

Students who do not attend school regularly, are absent from class without permission, leave campus illegally or are tardy without an acceptable excuse are subject to disciplinary action. Such action may include, but is not limited to, attendance contracts, detentions, on-campus community service, a parent-teacher conference, referral to the Student Attendance Review Board, or referral to the District Attorney if attendance problems persist.

#### After an Absence Procedure

- Upon return, if the parent has not notified the school of their **child's absence, the child must bring a note** from the parent to school prior to the start of the school day. Students who fail to bring a note within 3 days after returning to school will be marked truant. Students will not be allowed to clear their absences after the third day the return and they have been marked truant. The note must be written in ink and include the following information:
  1. **Student's Full Name**
  2. Date of Absence/Periods
  3. Reason for the Absence
  4. Signature of the Parent/Guardian
- The office is open daily from 6:45 AM – 2:35 PM daily. Students returning after an absence should deliver a note by 7:30 AM to avoid being tardy to class. Students who arrive after 7:30 AM risk being tardy to class.
- Students are expected to make-up any work or tests **missed during their absence.** **The student's teachers** will decide the scope and time frame of the make-up work.

#### Tardies

A student is considered tardy if not in his or her seat when the bell rings at the beginning of the school day and for each period thereafter. Students who are tardy without a valid excuse are subject to disciplinary action. Tardies will be counted weekly and monthly for disciplinary action. Consequences may include, but is not limited to, detention, on-campus suspension, community service, a parent-teacher conference, placement on an attendance contract, Saturday school, social probation, referral to the Student Attendance Review Board, and/or referral to the District Attorney if the problem persists.

Consequences for tardies:

- Three tardies in a week to any class will result in an after school detention
- Ten tardies in any month will result in the student being placed on an attendance contract and social probation for five weeks.

- Continued tardy problems will result in an on-campus suspension, Saturday school, attendance contract, **and/or a Parent Shadow where the student's parent will be required to attend school with his/her child.**

### Truancy

Students who cut school for an entire or partial day or who arrive at school 30 minutes late without a valid excuse are deemed **"truant" by the State of California. Students who are truant three or more times will be subject to consequences which include parent conference, placement on an attendance contract and social probation for five weeks, and referral to SARB (Student Attendance Review Board) at the Tustin Police Department, along with a mandatory meeting with the District Attorney.**

### Early Withdrawal

Students are able to leave school early with an adult that is listed **on the student's emergency card. It is important that the school be notified of any changes on the emergency card. *Your child will not be released to an adult that is not on the emergency card.*** The parent will need to come to the school office to sign the student out. If the parent cannot pick-up the student, they will need to notify the office of who will be picking up their child and at what time. The student will be called out of class when the parent or authorized adult comes to the office. *A valid ID will be required in order to withdraw a student early.*

### Closed Campus Policy

Tustin High School is a closed campus. No one is allowed to enter the campus without first signing in at the front office. Students are not allowed to leave campus during the school day, at lunch, breaks, and tutorial or during open periods unless they have written authorization from the school administration. Students leaving campus without such authorization are subject to disciplinary action. Students must remain on campus during tutorial.

### Off-campus Lunch

Only seniors are permitted to leave campus at lunch. Seniors must exit the front of the school and present ID upon leaving. Students who do not have ID will not be permitted to leave campus.

### 4<sup>th</sup>/5<sup>th</sup>/6<sup>th</sup> Period Off-campus

Athletes (who are not seniors) with 6<sup>th</sup> period off-campus may not leave campus until the end of lunch. Athletes must exit the front of the school and present an ID and evidence of participation in a sport. In-season athletes may only leave campus before the end of lunch on the day of an athletic contest. Students with 4<sup>th</sup>/5<sup>th</sup>/6<sup>th</sup> period off-campus privileges must remain on campus during tutorial. Students who violate the

policy will have their privileges revoked. Students who do not have ID will not be permitted to leave campus.

### Early Dismissal/Leaving Campus

If students must leave school early, they are required to bring a note from their parent stating the reason they must leave and what time they are to be released. Phone calls will not be accepted for early dismissals. Parent may FAX the request for early dismissal to (714) 730-7568. Students must check out at the Attendance Office any time prior to leaving the campus. Failure to check out prior to leaving will result in truancy. This cannot be cleared with a note after the fact.

### Open Periods

Students may not remain on campus after their last scheduled period for the day. Students with open periods in the middle of their schedule must report to the Library.

### Tutorial

Students are to attend every Mandatory Tutorial and are to be in class during Open Tutorials. Absence from any Tutorial will be considered a cut and students will be assigned a Saturday School.

This includes homework, school supplies, P.E. clothes, flowers, gifts, balloons, jackets, umbrellas, etc. The office does not accept deliveries of items not related to the instructional program such as flowers, gifts, balloons, etc.

## STUDENT CONDUCT

The Tustin Unified School District is dedicated to providing an educational program for all students that is safe, secure, and free from violence. Every student needs to attend school punctually and regularly, conform to the regulations of the school, and obey all the directions of teachers and others in authority. Students who do not exercise the required self-control shall be subject to disciplinary action. The district encourages and solicits the cooperation of parents in regulating the conduct of their student. Students are subject to disciplinary action for misbehavior. Disciplinary action may include, but is not limited to: counseling, conference with teachers and administrators, detention, class suspension, suspension from school, on-campus suspension, and/or the administration may require that **the student's parent** attend a portion of a school day in their **child's class as per the California Education Code 48900.1**. Students, who do not conform to the desired school conduct, may be referred to the Student Placement Review Board (SPRC), which may result in an involuntary transfer to another school.

The THS discipline policy is aimed at resolving discipline issues in a systematic and consistent manner. This policy addresses disruptions to school and classroom activities and events including willful defiance of school personnel engaged in the performance of their duties. Students will be assigned fair and appropriate consequences for violations of the school rules and regulations while on campus, going to and from school, or during school-related activities. THS administration reserves the right to search students in direct violation of the school rules and regulations and to administer breathalyzer tests. Gross infractions of the rules and regulations may result in more severe consequences in accordance with TUSD Board of Education Policies and Regulations and California law. The consequences include but are not limited to:

Revocation of Privileges: Privileges include off campus passes, lunch passes, athletic and extracurricular activities,

assemblies, dances, and participation in the Teacher's Aide program.

Saturday School (SS): Saturday School will be held twice monthly from 8:00 AM to 12:00 PM. Students who receive Saturday School are required to attend on the Saturday assigned. Students who do not attend will have privileges revoked.

On-Campus Suspension (OCS): Students are assigned OCS for disciplinary reasons ranging from one(1) to five (5) days.

### Academic Integrity Policy

Ethical conduct and moral behavior are qualities which are promoted, modeled, and celebrated at Tustin High School. It is our hope that the Academic Integrity Policy will encourage students to seek honest and appropriate ways to achieve their educational goals. The goal of the Academic Integrity Policy is to encourage self-confidence, personal integrity, and respect for the rights of others. Because any cheating, plagiarism, fabrication or unauthorized collaboration is subject to serious consequences, all stakeholders share the responsibility of understanding, accepting, and enforcing the THS Academic Integrity Policy.

Types of academic dishonesty:

TUSD encourages complainants to file their complaints with the school or District. However, complainants are not prohibited from submitting their complaint directly to the governmental agencies, which are charged with enforcing these rules.

### Sexual Harassment

TUSD and THS are committed to a work and educational environment in which all individuals are treated with respect and dignity. Each student has the right to learn in a professional atmosphere that promotes equal educational opportunity, and is free from discriminatory practices. Sexual harassment is a violation of Title IX of the Education Amendment Act of 1972,

Title VII of the Civil Rights Act of 1964, and California Education Code Sections 210 through 214, inclusive.

Therefore, the district strongly condemns, opposes, and prohibits sexual harassment of individuals, whether verbal, physical, or environmental, by anyone. Any student or employee who violates this policy will be subject to discipline up to and including expulsion or termination. The Title IX complaint manager for Tustin High School is Ryon Tanara, Assistant Principal, Discipline Office 714-730-7414 ext 87152.

Sexual harassment is unwelcome sexual advance, requests for sexual favors, and other verbal or physical conduct of sexual nature, which occurs under any one of the following circumstances:

- Submission to such conduct is made a term or **condition of an individual's status**
- Submission or rejection of any form of sexual conduct becomes basis for employment or educational decisions; including, but not limited to grades, honors, benefits, services, programs, activities, or assignments.
- Involves verbal or physical conduct of a sexual nature, which unreasonably interferes with a work or academic performance or creates and intimidating, hostile, or offensive environment.

Examples of sexual harassment include (but are not limited to):

- Making unsolicited written, verbal, physical and/or visual contact with sexual overtones.
- Continuing to express sexual interest after being informed that the interest is unwelcome.
- Making reprisals, threats, or implied threats of reprisal following a negative response.

### Electronic Devices

Electronic devices include, but not limited to, phones, laptops, tablets, iPads, iPods, ear buds and headphones. Students may have electronic devices on campus; however, the use of these devices may never jeopardize the safety of the students or disrupt the learning environment.

Students may only use electronic devices with the permission of a staff member. If a student is found using an electronic device without permission or the device disrupts school activities in any way, the device will be confiscated and returned only to a parent or guardian.

The school is not responsible for lost or stolen electronic devices. All personal or school-issued devices must be stored and or locked properly in the appropriate and designated areas. The use of camera phones or electronic devices with the ability to take pictures or record sounds is

strictly forbidden in private areas such as locker rooms, washrooms, dressing areas, classrooms and offices at any time. Such use may also be in violation of the California Penal Code. Photographic or audio/visual recordings are acceptable only with the permission and guidance of a THS faculty or staff member. Recording a video or taking a picture without the specific permission of the subject may result in suspension and/or expulsion. Any item that disrupts school activities or is found during a routine search may be confiscated and returned only to a parent. Tustin High School is not responsible for lost, broken, or stolen electronic devices, including cell phones. Furthermore, the school is not responsible for any confiscated item that is not picked up in a timely manner. Such items will be donated to charity at the end of confiscated semester.

### Bullying

Tustin Unified School District Board Policy (5131.2) prohibits discrimination, harassment, intimidation and bullying.

How YOU should respond to bullying behavior:

- 1) Report any instances of suspected bullying involving you or a fellow student to a teacher, counselor or school administrator as soon as possible

IDs are issued by the school and are property of the school; students who lose or damage their ID must purchase a new one for \$5.00. While not in a classroom for any reason, students must present ID and permission to be out of class. Students without a pass will be escorted back to class and will potentially receive a consequence. Students must present their ID cards whenever they use their student number, such as in the library, the student store, or in the lunch and snack lines. Students must present their ID cards upon entering and exiting the campus.

## Medication at School

When it is necessary for a student to take medication at school, a signed form from a physician must be presented to the office by the parent. Forms are available in the Health Office. All medication, whether prescription or over-the-counter, will be kept in and dispensed through the Health Office. Any student with medicine or prescription drugs of any kind on campus without permission will have the medication confiscated and may be subject to disciplinary action.

## Transportation

For student safety, wheeled modes of transportation (including, but not limited to bicycles, skateboards, in-line skates, mopeds, and motorcycles) are not to be found, used, or secured on the inner campus. This means next to classrooms, buildings, halls, adjacent fences, gates, posts, trees, etc. Skateboards are particularly dangerous to students and may damage property. Students who ride a skateboard to school must lock it in the appropriate skateboard racks located outside the front office – skateboards may not be carried on campus. THS is not responsible for items lost or stolen while stored in a classroom or the office. Any student riding a skateboard on campus will have it confiscated. Students who ride a bike to school must **wear approved bicycle helmets. It's the law! It is the student's responsibility to provide, AND USE, a secure locking device while bikes are on campus.**

Bikes should only be parked in the bike corral near the library and should not be left unattended after school hours. All bicycles should be licensed with the Tustin Police Department. To do so, call 714-573-3200.

## THS Parking Lot

Students are not permitted to be dropped off or picked up in the staff parking lot. Parents who drive students to school in the morning will drop students off at the bus benches toward the back parking lot so as not to impede the flow of traffic. Please do not stop and drop off your students at the parking lot entrance/exit by the staff area. In the afternoon, parents who pick up students are directed to park in empty spaces by the bus bench area. Cars for pick-up will not be allowed to stop or park at the entrance/exit ways or in the staff lot. Visitor cars **should be parked in the visitor's section. It is illegal (and unsafe) to stop on El Camino Real at any time. Please do not drop off students on El Camino Real.**

## Student Parking

Students are not to park their cars in the staff parking area located near the office. Unauthorized cars will be towed at the **owner's expense. Only Junior and senior students** may use the student lot.

### Bus Conduct

Students are held accountable for the behavior while on a bus for any reason. Students in violation of the school rules and regulations while on the bus will be assigned a consequence and may have their bus privileges revoked.

### Guidelines for Student Fees, Donations, and Fundraising

The California Constitution mandates that public education be provided to students free of charge, unless a charge is specifically authorized by law for a particular program or activity. This constitutional right of free access encompasses all educational activities, whether curricular or extracurricular, and regardless of whether credit is awarded for the educational activity. The right of free access also prohibits mandated purchases of materials, supplies, equipment or uniforms associated with the activity, as well as the payment of security deposits for access, participation, materials or equipment. Finally, a process that allows for a waiver process for an otherwise mandatory fee, charge or deposit does not render it constitutionally permissible.

As with donations, school districts, schools, programs and classes can and do engage in fundraising activities and programs, and this practice is also permissible as long as the raising of funds is voluntary. A student who is asked to but does not raise funds may not be denied participation in an educational activity. A requirement to raise funds in order to participate, even if there is no mandated amount to be raised, is the same as requiring a fee.

More detailed information can be found on the school and district websites.

### STATEMENT OF NON-DISCRIMINATION

(Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, § 504 of the Rehabilitation Act of 1973)

one or more of these actual or perceived characteristics. The District will take steps to assure that the lack of English will not be a barrier to admission and participation in District programs. **A copy of the District's nondiscrimination policy is available from the Tustin Unified School District Office.**

The following position is designated Coordinator for Nondiscrimination at Tustin High School to handle complaints regarding discrimination, harassment, intimidation, or bullying, **and to answer inquiries regarding the District's nondiscrimination policies:**
