

Elevator Code TAG

Meeting Notes

Date: Thursday February 22, 2018

Meeting Location: DLI Isanti Room

Call to order:

Bill Reinke

Attendance:

TAG Members present: Bill Reinke (DLI), Tim Warren (DLI), David Fisher (AMBO), John Roche (City of St. Paul), Chris Fuller (FMAM), Tom Erdman (BOMA)

Guests attending: Amanda Spuckler (DLI), Jeff Lebowski (DLI), Dave Aaserud (IUEC local 9),

Worksheet and Code Change Proposal Review:

Discussion summary:

- Follow up discussion from the previous meeting about the ASME A17.3 requirement that additional door monitoring be added to existing equipment.
- Discussed an upcoming code change to the 2019 ASME for private residence elevators that would require additional safety features for doors.

No code change proposals have been submitted. The TAG members indicated that they were not planning to submit proposals.

Members were thanked for their participation.

Next Meeting:

No meeting scheduled. A meeting will be scheduled if code change proposals are received.

Meeting Adjourned: 1:00 PM

Prepared by: Tim Warren
