Administrative Updates

- **Leadership Day:** On March 25th. Information has been sent home. Connect Ed's every night this week as well. Practices have been going well!
 - Practices for students are on Thursday at noon and Friday. We will also practice every day next week.
 - LOTS of parents and visitors have signed up to come!
 - Belmont will have Trifolds for each Habit with some students to chat to visitors.
 - Kukor and Manley are doing tables for DATA, notebooks, and leadership with some students to chat with visitors.
- **Open House Dates:** Options were sent in our weekly newsletter. Limited by District PDs and LIM training. Looks like the consensus is 8/24 from 3:00-5:00pm. Chinnis will double check in her cluster meeting to confirm.

LIM Notebooks

- All grade levels have a plan or are already working on it!
- Make sure your kids know their goal and focus on their own growth and how that impacts the class, grade level, and school!

Curriculum Nights 2021-2022

- **Q3 night** - student led conference sheet for the house (get signature and bring back for treat - teacher decides) on March 25th with report cards.
 - ◆ [Sheet for sharing individual math WIG with parents](#)
 - You may add strategies/student's personal goal (edit as you wish)
 - The 3rd "curriculum night" is on March 25th. We will send home the WIG report and Leadership Notebook with the report card. Once a parent signs and returns the form, then they can receive a reward of your choosing.
- **Q4 night** - Reward day celebration on June 3rd
 - ◆ 3rd grade thought about a celebration outside of the school with sunset slush, inviting parents, getting parents to come in, have boards to show summer decline rates, summer journals (with Ms. Hill), give a book list, UCPL giving parents information about that resource, etc.
 - ◆ Each grade level will have a time slot in the gym. They will have a video of the grade level for the year (celebrate), awards, a video or visit from the next year's teachers, and a presentation from community members. Outside we would have slushies/pizza/popcorn and hangout outside.
 - ◆ 5th grade graduation would be separate (most likely).
 - ◆ Academics team and Family Events Action Teams will tag in to help finalize the plans for this day and Sitebase will check in next time we meet.
