Students/Teachers - Blue Ribbon Campaign

To raise awareness and in recognition of National Exchange's Project, the prevention of child abuse, the student members of the Excel Club at Bristol Central High School decided to organize a "Blue Ribbon" campaign at their school. The month of April is designated as child abuse prevention month by the National Exchange organization. The campaign will focus on selling blue ribbon pins to not only raise awareness about child abuse and its prevention, but raise funds to support child abuse prevention programs.

The student members of the Excel Club will sell "Blue Ribbon" pins at Bristol Central High School's cafeteria during lunch. All proceeds raised from the sale of the "Blue Ribbon" pins will support the needs of the families served by the Bristol Parent and Child Center. The goal is to raise funds to purchase essential supplies for the center, such as baby food, baby wash, lotion, shampoo, diapers, and the like.

The "Blue Ribbon" awareness and fundraising campaign will be highlighted at Bristol Central High School through May 5, 2023.
