Dear Hornet Family,

I hope everyone is enjoying the Fall weather! We have just passed Halloween and will be moving on to more Holidays and events in November and December. One of the most cherished traditions and events we celebrate as a community is on November 11th. It is exciting to see the various events taking place at each school to honor those who served. As you may have heard, the FDA on Friday paved the way for children ages 5 to 11 to get Pfizer's COVID-19 vaccine. Advisors for the CDC will make further recommendations this week. This could allow for children ages five and older to become eligible for vaccines very soon. At this point, there have not been affirmative decisions as far as how instruction may look in January. We continue to monitor daily all this latest information.

We recently have had the privilege of having both our Cross Country team and our Volleyball team compete at the state level. This is a tremendous accomplishment as our students could not participate in athletics at all last year. At this point, there has neither been COVID spread in our classroom nor through our athletic program.

I want to remind everyone to continue to practice safety and social distancing in the months to come.

Sincerely,

Dr. Betsy Dobias Superintendent

Primary School Community Shout Out

On October 27, 2021, Ganado Primary School participated in a pumpkin patch pumpkin give away. A huge Thank you to Apache County District 2 for giving pumpkins to our students. Each student was able to get a pumpkin to take home. Some of the pumpkins were so big, parents had to pick them up. A shout out to the staff members who were able to go to the pumpkin patch to pick up the pumpkins for their class. Thank you, Apache County, for thinking of Ganado Unified School District.

High School

Hello Ganado High School Families:

The 2nd Benchmark testing will take place November 29th through December 10th for ELA, Math, and Science. Teachers will provide more information to students. Online students are required to take the tests as well, counselors will provide further information.

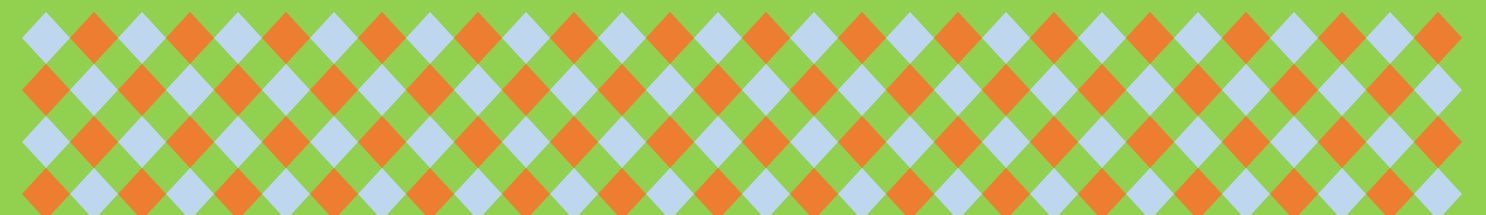

Congratulations to our Fall Sports teams on a very successful season. Football, Volleyball, Cross Country, and Cheer Teams represented the Ganado Hornet Family very well!

Students, the Semester 1 will be ending very quickly, please stay motivated! Complete your work and return it to your teachers, keep giving your best academically to earn credit for the semester. Remember that credits move you closer to Graduation! If you need support, contact your teacher or counselor. It takes your own effort to keep up, attend school, and make time for homework and other projects. You can do it! Don't give up and keep your mind and body strong so that you can achieve good things!

NEWSLETTER

Bus Students, Parents and Guardians:

For the safety and security of our students, we would like to take this time to remind students, parents, or anyone responsible for picking up or dropping off students of the district procedures and policy for the use of designated bus stops. We cannot allow students to get on or off of the bus in areas that are not designated bus stops. This leads to confusion and can be a real safety issue. Please do not try to flag down a bus in attempt to get them to stop. If you need to talk with the bus driver, please communicate with them at the driver's side window. The opening of the bus door compromises the security of the driver and students riding the bus. In the case of an emergency, please contact your child(ren)'s school and the Transportation office. We appreciate your help in this matter. If you have any questions, please contact Davis Begay, Transportation Supervisor at (928) 755-1131.

SCHOOL BUS SAFETY TIPS:

- When waiting for the bus, stay away from traffic and avoid roughhousing or other behavior that can lead to carelessness
- Wait until the bus has stopped and the door opens before stepping onto the roadway.
- When on the bus, find a seat and sit down.
- Never put head, arms, or hands out of the window
- When exiting if you have to cross the street in front of the bus, walk at least 10 feet ahead of the bus along the side until you can turn around and see the driver.
- Make sure that the driver can see you.
- Stay away from the bus's rear at all times.
