Dear Nisley Families,

Fall is an exciting time of year. The beginning of the year assessments are coming to an end and students are focusing on learning. This October, we have some great events. We are excited to invite families back into the school. Just remember if you join us, we ask that you wear a mask when entering the school building.

October 13 is our First Quarter BEAR Assembly. Teachers will nominate one student from their class for each of the awards: Achievement, Growth, BEAR, & Citizenship. Students receive a certificate and medal. Teachers will send home invites to selected students families prior to the Assembly.

Our Annual Math BEAR Night will also occur on October 13 from 5:00-6:30. We will play math games together, have popcorn & cotton candy, win prizes, and every student that participates will get a grab bag. Join us for this fun math night!

During the month of October, we are hosting a fundraiser to help fund student events at Nisley. Students can donate their change to Pennies for Pie. The jars for donation will be in the cafeteria and students put their change in the jar with the face of the staff member they would like to have a pie thrown in the face. Participating staff members will be announced soon.

Finally, we will conclude the month of October with a Fall Celebration. Students will celebrate autumn on October 29 with treats and a craft. This will also be when the Pennies for Pie Fundraiser will end with a pie in a staff member's face. Contact your child's teacher if you are interested in bringing treats for that celebration. Since Halloween falls on a Sunday this year, Nisley will not be wearing costumes at school.

Thank you for your continued support,

Dorothy Wolf
Nisley Principal
