# Activate Your ParentSquare Account

1) Log into your Aeries parent portal account with your existing user name & password.

2) Select the "Communications" tab.

3) You will be prompted to enter your email and password. Please use the same email & password that you use for your Aeries parent portal account.

4) You will receive a confirmation email from ParentSquare. Please respond to that email to activate your account. (*Repeat steps 1-4 if you have more than 1 student.)

That's it! Your account is now activated!
