The Russellville City Board of Education may permit a student, whose parents are not legal residents within the jurisdiction of the Russellville City School System, to attend schools within the school system. The Board, however, shall have the prerogative of denying the admission of any nonresident pupil or of entering into mutually acceptable agreements with other agencies that would permit the attendance of nonresident pupils. Russellville City Schools is only obligated to provide services which are already included in its *special education program and other school programs.

The following three conditions shall prevail for nonresident students:

1. Children of employees of the Russellville City School System who reside outside the City of Russellville shall be given first priority for enrollment over other nonresident children;
2. That adequate space, faculty, and facilities are available;
3. Any nonresident student that violates the Russellville City School's discipline Code of Conduct will be subject to removal from the school system at the end of the current scholastic school year. If the offense is such in nature, the nonresident student could be dismissed from Russellville City Schools immediately and tuition would be refunded on a prorated basis.

In the event of overcrowding in a particular school, the Board may assign a nonresident student to a school other than the one of his/her choice. The Board reserves the right to charge tuition (such tuition is nonrefundable).

It is the general policy of the Russellville City School System to admit nonresident students provided there is adequate space and personnel to accommodate/teach such children within the accreditation standards to which the system is subject and to the extent the admission of such children does not violate any law, regulation, or court order otherwise restricting the admission of such children (Reference Board Policy JBCB).

Thank you for applying for the enrollment of your child into Russellville City Schools. All nonresident student applicants will be notified by mail, following the July meeting of the Russellville City Board of Education, regarding acceptance into Russellville City Schools. Nonresident students, who are granted acceptance, will not be enrolled or placed in a class until tuition is paid **and** the following documents are received and verified: 1) **Certificate of Immunization**; 2) **Certified Birth Certificate**; 3) **Parent's Driver's License**; 4) **Custody Papers** (if applicable). Any nonresident student who has not paid tuition and/or turned in all enrollment documents by July 30th will forfeit their enrollment acceptance. Providing false information is grounds for no acceptance into Russellville City Schools.

It shall be the policy of the Russellville City School System to provide nondiscriminatory basis educational opportunities for children. No person shall be denied the benefits of any education program or activity on the basis of race, color, disability, creed, national origin, age, or sex. Pursuant to the requirements of the 2001 No Child Left Behind Act and the McKinney-Vento Homeless Assistance Act, all homeless children, migrants, and English language learners must have equal access to the same free appropriate public education provided other children and youth. All programs offered by schools within the School System shall be open to all students in compliance with statutory and judicial requirements. The enrollment of homeless, immigrant, migrant, and limited English proficient children shall not be denied due to any of the following barriers: lack of birth certificate; lack of school records or transcripts; lack of immunization records; lack of proof of residency; lack of transportation; unaccompanied; no guardian.
