

OPEN ENROLLMENT APPLICATION

Optional: Complete only if you are applying to a Magnet Program or school other than your home school.

The Phoenix Union High School District (PUHSD) has many choices to offer high school students. Open enrollment enables Arizona students to attend a public school whether or not they live within the school or district boundaries. At Phoenix Union, we welcome students to explore how they can experience high school at one of our 15 high schools or in one of our many Magnet Programs.

The following conditions apply to the Open Enrollment Program:

1. An Open Enrollment Application must be completed.
2. Transfer is subject to the capacity limit established for the school, program, and/or its grade level.
3. Student transportation will be the responsibility of the parent/legal guardian with the exception of students attending a Magnet Program or Metro Tech High School. Students that are attending a Magnet Program that is outside of their home attendance zone or Metro Tech High School can request that PUHSD provide them with available transportation.
4. Providing false information on this form may result in the request being denied or admission revoked.

ADMISSION GUIDELINES

Open Enrollment Applications must be completed by the individual requesting enrollment, and must be signed by the parent/legal guardian and student. Consideration for admittance will be determined by the administration of the receiving school.

DEADLINES

Magnet Program Enrollment:

There is a 10-day window of opportunity for students approved to enter a Magnet Program to transfer from one school to another at the start of each school year. Transfers to enter a Magnet Program following that 10-day window are not allowed, and students will have to wait for the start of the next academic school year.
