

Panama 2022 Student Tour Donation Pages

A group of 6th grade students at Milliken Middle School are going on an educational tour of Panama the summer of 2022. Many students have never traveled outside of Colorado, so our small group is ecstatic to have the opportunity to leave the country! Please open your hearts (and your wallets) and help these students raise their remaining balances for the trip. The donations can be as little as \$1! Simply click on one of their tour donation links and give what you can. After such a bleak and isolated year, let's give these students a bright and colorful future!
