

# CHEROKEE BEND ELEMENTARY

May 1, 2019

Dear Parent/Guardian:

All students attending public or private school in Alabama are required to present an up-to-date Alabama Certificate of Immunization, an Alabama Certificate of Religious Exemption, or an Alabama Certificate of Medical Exemption before attending school at any grade level. All Certificates must contain the dates of all vaccines given and the Facility where the vaccines were given.

A dose of the Tdap vaccine is required for Alabama student's age 11 years or older, entering the 6<sup>th</sup> grade. This immunization requirement needs to be completed over the summer. Please bring in a revised form indicating your child's updated immunization history to the school.

If you have any questions or need additional information concerning required vaccines or certificates, please call your physician or local county health department.

Thank you for your cooperation.

Sincerely,
