ALIVIA L., STUDENT

Joy,

I just wanted to tell you how wonderful this Italy trip was. Gaither and I had such a great time. What an enriching experience! And I know that all of the other kids and parents felt the same way.

None of this would have been possible without all the hard work that you, Missy, Jim, and Jody put into this. I can't imagine how much time went into all the planning, arranging, double-checking, researching, etc. I just want you to know how much we all appreciate it.

Thank you!!!
Gaither Bynum

"I would go again a hundred times over.
This trip changed me. It's weird to say that
in only a short time I found myself, who I
want to become and where I want to go."

HANNAH JANE K., STUDENT

A person with their back to the camera stands in shallow, clear blue ocean water, arms outstretched. The water is crystal clear, revealing the sandy bottom. The horizon is visible in the distance under a bright blue sky with light clouds. The overall scene conveys a sense of freedom, joy, and embracing life's experiences.

"The purpose of life,
after all, is to live it, to
taste the experience to
the utmost, to reach out
eagerly and without
fear for newer and
richer experiences."

-ELEANOR ROOSEVELT
