- Administration has the authority to search a student's vehicle provided that, at the inception of the search, there is reasonable cause to believe that the search will produce evidence of a violation of school rules or of the law. The scope of any such search will be reasonably related to the object of the search and will not be excessively intrusive. Subject to this limitation, a search of a student's vehicle may include a search of the trunk, seats, glove compartment, and objects in the vehicle, such as but not limited to handbags, purses, wallets, books, briefcases, articles of clothing, tote bags, book bags, duffel bags, and similar items.

A student *will lose* the privilege of parking on school grounds if he/she/they: fails to follow the above policies and regulations, allows another student to park in his/her/their assigned space, drives recklessly, ignores parking restrictions, leaves school grounds without permission, has excessive tardiness to school, or does not maintain an acceptable pattern of school attendance and discipline. In the event that a student loses the privilege of parking on campus, the parking fee will not be returned.

POLICE DEPARTMENT PARKING TICKETS MAY BE ISSUED FOR NONCOMPLIANCE WITH THE ABOVE.

I understand that being issued a parking space on school property is a privilege. I accept the right of the school to tow my vehicle at my expense and/or deny permission to bring my vehicle on to campus if I fail to obey the stated rules and common safety practices. In addition, I waive my rights to all liability or property damage claims against the school, school officials, and the Board of Education. My signature affirms that I have read this application (along with my parent/guardian) and I will comply with and follow the above regulations and policies if I am issued a parking space on school grounds.
