

Stage 1

# Pattern Blocks

Explore and free play with the pattern blocks.

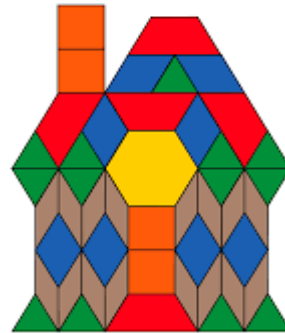

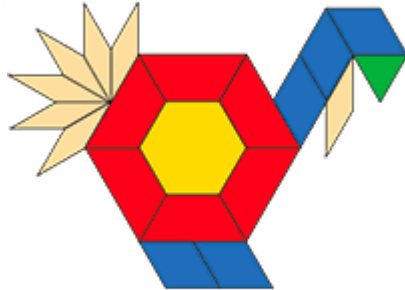

**Required Materials:**

**Pattern blocks**

## Stage 2

# Pattern Blocks

Use the pattern blocks to fill in the puzzles where the edges of each shape do not touch.

**Required Materials:**

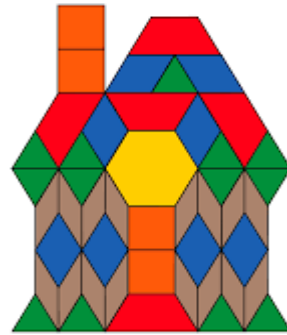

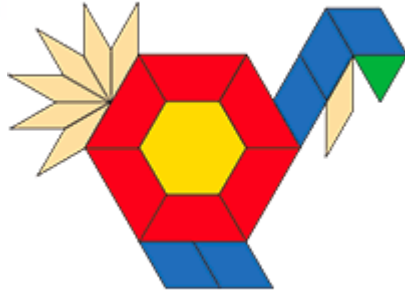

**Pattern blocks**

**Stage 2 Pattern Block Mats**

Stage 3

# Pattern Blocks

Build a creation of using the given number of pattern blocks.

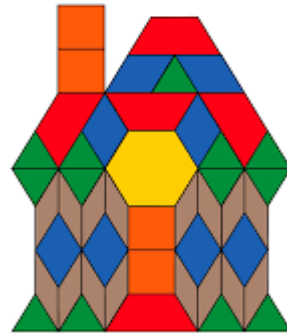

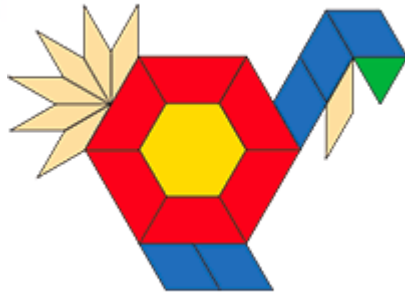

**Required Materials:**

**Pattern blocks  
Stage 3 Cards**

## Stage 4

# Pattern Blocks

Students count out a given number of each pattern block and put them together to make larger shapes. Then compare the amount or number of different pattern blocks they use to make their shape.

**Required Materials:**

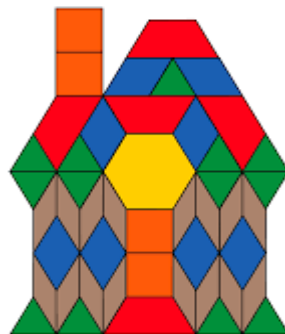

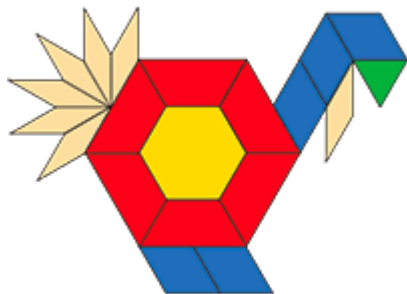

**Pattern blocks**

**Stage 4 Recording Sheet**

## Stage 5

# Pattern Blocks

Use pattern blocks to fill in more challenging puzzles.  
Students record a number to show how many of each block they used.

**Required Materials:**

**Pattern blocks**

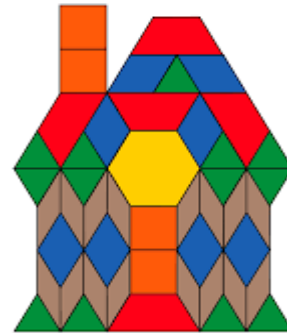

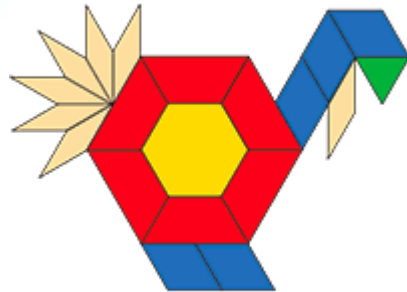

**Stage 5 Recording Sheet**

**Stage 5 Pattern Mats**

## Stage 6

# Pattern Blocks

Partners take turns placing one pattern block at a time in the puzzle until it is complete. The student who places the last pattern block wins.

**Required Materials:**

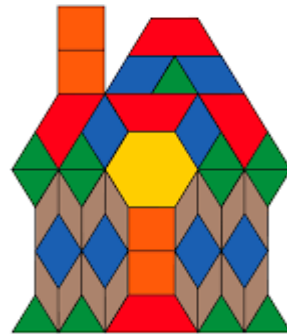

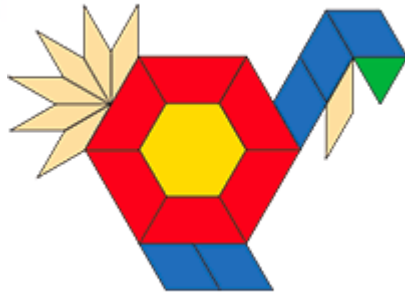

**Pattern blocks**

**Stage 6 Pattern Mats**

## Stage 7

# Pattern Blocks

Students count out a given number of pattern blocks (up to 20) and put them together to make a new shape. They they draw the shape.

**Required Materials:**

**Pattern blocks**

**Colored pencils, crayons or markers**

**Stage 7 Pattern Mats**
