Personal leave days may be substituted as well without the fifty-dollar (\$50) deduction. Any accumulated sick or personal leave days used for an illness in the family which qualifies as FMLA leave shall count against the twelve (12) weeks of FMLA leave to which the teacher is entitled.

G. Bereavement Leave

In the event of the death of an immediately family member, a teacher shall be permitted three (3) days of absence per occurrence, without the loss of pay and deducted from the teacher's sick leave accumulation prescribed for in Section B2, herein. If such verification cannot be provided by August 31st, but is subsequently provided by the teacher verifying the August 31st completion requirement, the

change will be instituted upon receipt of the verification, retroactive to the beginning of that school year. Failure to meet the above prerequisites will negate the previous notification and require the teacher to submit new and timely notification for the following school year.

 - 1. Degree status as defined under the "Degree Definitions" Article.

 - ii. The remaining balance of the HSA deductible will be deposited in equal installments for the remainder of the school year.

- e. If a teacher is precluded from participating in the HDHP/HSA because he/she does not meet the minimum requirements of federal tax laws and or regulations, the Board shall provide the teacher with access to a Health Reimbursement Account (HRA) with the same benefits as the HDHP/HSA. The Board's annual contribution to the HRA shall be the same as its annual contribution to the HDHP/HSA based on the teacher's coverage. The same provisions of Section A, Paragraph 1, subsections c and d, herein, shall apply to newly hired teachers.
