

Parents/Guardians:

Welcome to the 2022-2023 School Year! In an effort to continue building the Music Program in the Huerfano School District, I am once again offering an after school choir this year. *Peakview Performers* will be open to students in grades 3-6 and will start on **Tuesday, September 6, 2022**. *Peakview Performers* will meet once a week on Tuesdays from 4:15-5:00. We will have two formal concerts: one in December for Literacy Night and one in May for a Pops Concert (possibly with the high school choir). More information will be sent out one month before the performance dates. Students will also be performing a song for the Veterans' Day Performance on Thursday, November 10th, during the school day. Finally, I am also considering caroling around town during the week of December 19th (I will definitely need parent chaperones if that happens). For these performances, I would like all students to dress in jeans and a purple shirt (with Peakview logo if possible).

If there is a conflict with an athletic activity or a specific day, please let me know and I will find a way to work with the student at another time if possible. My goal is to allow all students the opportunity to participate in this ensemble if they would like.

If your child is interested in joining *Peakview Performers*, please fill out the form on the next page and return it to me by **Thursday, September 1, 2022**. This allows me to have music for all students involved. Also, please note that I will communicate exclusively through Remind this year. I will send out the login information as your student signs up for choir.

Thank you for your support of the Huerfano Schools Music Program!
