PEEHIP Member Handbook

with Open Enrollment Information

Introduction

The Retirement Systems of Alabama (RSA) is pleased to provide you with the Public Education Employees' Health Insurance Plan (PEEHIP) Member Handbook with Open Enrollment Information. This handbook is an important part of our commitment to provide our members with valuable information about their healthcare benefits and Open Enrollment. Please read this handbook thoroughly and keep it with your other benefit materials. Your member handbook is a very useful tool when you have questions about your PEEHIP benefits. It will help you make informed decisions about your future.

Summary of Benefits and Coverage Availability of Summary Health Information

The Patient Protection and Affordable Care Act (PPACA) of 2010 created a new federal requirement for group health plans to provide the Summary of Benefits and Coverage (SBC) document to health plan members. Health benefits represent a significant component of your compensation package. The benefits also provide important protection for you and your family in the case of illness or injury.

PEEHIP offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, PEEHIP makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about health coverage options in a standard format, to help you compare across coverage options available to you in both the individual and group health insurance coverage markets. The SBC is available at www.rsa-al.gov/index.php/members/peehip/benefits-policies/. A paper copy is also available, free of charge, by calling **Member Services toll-free at 877.517.0020**.

Note: The SBC is meant as a summary only and the coverage examples in the SBC on pages 2 and 7 are for illustration purposes only and may not be representative of the actual charges for copayments or out-of-pocket expenses for the PEEHIP plan. For more detailed benefit information, see the PEEHIP Summary Plan Description (SPD) at www.rsa-al.gov/index.php/members/peehip/pubs-forms/.

The information in this handbook is based on the Code of Alabama, 1975, Title 16, Chapter 25A. This handbook is not intended as a substitute for the laws of Alabama governing PEEHIP nor will its interpretation prevail should a conflict arise between its contents and Chapter 25A. Furthermore, the laws summarized here are subject to change by the Alabama Legislature. Do not rely solely upon the information provided in this handbook to make any decision regarding your healthcare benefits, but contact PEEHIP with any questions you may have about your healthcare benefits.

Benefit Policy and Premium Changes

Effective October 1, 2018

(Unless otherwise notated)

Teladoc®

- ◆ All members who are enrolled in the PEEHIP Hospital Medical Plan Group #14000 have access to Teladoc®, which provides consultations with board-certified doctors via phone or video 24 hours a day/7 days a week. This service is available at zero copay and can be used to speak with a doctor about a variety of issues such as cold, flu, allergies, infections, and more. Plus, when necessary, the doctor can even prescribe the appropriate medication needed for treatment. This exciting new benefit can be used in place of the emergency room or urgent care for non-emergency situations. Refer to the **Teleconsultation Benefits** section of this handbook for more information about Teladoc® for Group #14000 members as well as the other teleconsultation benefits for members enrolled in either our VIVA Health Plan or UnitedHealthcare® Group Medicare Advantage (PPO) Plan.

Applied Behavior Analysis (ABA) Therapy Copay Reduction

- ◆ PEEHIP covers Applied Behavior Analysis (ABA) Therapy for children ages 0 through 18 at 100% of the Blue Cross Blue Shield of Alabama allowance, subject to a **\$15** copay per visit and the annual dollar maximum limits of \$40,000 for ages 0 through 9, \$30,000 for ages 10 through 13, and \$20,000 for ages 14 through 18, for in-network and out-of-network enrolled providers, **effective retroactively to January 1, 2018**. To find an ABA provider, visit www.bcbsal.org/web/provider-finder. Enter a ZIP Code and click Search, then narrow your search to find an in-network ABA provider near you by using the Refine Results feature on the left side of the page. Select Behavioral Health Providers, then select Behavior Analysts. The providers near you will display on the right side of the page. To find a provider by phone, call 877.563.9347.

Flexible Spending Account (FSA) Plan Changes

- ◆ The Flex debit card will be allowed for all eligible expenses for medical, dental, vision as well as pharmacy claims; the automatic bump reimbursement option will be eliminated.
- ◆ The annual maximum Health FSA contribution amount increased to **\$2,650** beginning fiscal year October 1, 2018. This is a benefit enhancement.
- ◆ The Dependent Care Reimbursement Account (DCRA) annual maximum contribution remains unchanged at \$5,000 (\$2,500 each if married filing separately).

VIVA Health Plan Benefit Changes

- ◆ PEEHIP members covered by the VIVA Health Plan have access to teleconsultation through Teladoc® just like members covered under the PEEHIP Hospital Medical Plan Group #14000 administered by Blue Cross Blue Shield of Alabama. The copay for VIVA members is increasing to **\$45** per consult effective October 1, 2018.
- ◆ The combined medical and prescription drug in-network maximum annual out-of-pocket amounts will increase to **\$7,350** for individual and **\$14,700** per family for the 2018-2019 benefits. Maximum out-of-pocket amounts are a benefit to members because they limit the total amount members will pay out-of-pocket for their in-network healthcare expenses.
- ◆ VIVA will also begin covering ABA therapy effective October 1, 2018, and coverage will be at 80% of the allowed amount after members meet the deductible. The calendar year deductible remains unchanged at \$500 for individual and \$1,500 per family contract for the 2019 fiscal year. ABA therapy will be available to those members with a diagnosis of autism, autism spectrum disorder, or pervasive developmental delay.
- ◆ VIVA benefits have always included Diabetic Self-Management Education (DSME) with no limit. This benefit was previously billed by a hospital as an outpatient claim, causing the applicable member cost-sharing and deductible. DSME will not be a new benefit category, which is a benefit enhancement because the deductible no longer applies.

Maximum Annual Out-of-Pocket Amounts

- ◆ The combined medical and prescription drug in-network maximum annual out-of-pocket amounts will increase to **\$7,900** per individual and **\$15,800** per family per calendar year effective January 1, 2019. This is an enhanced benefit for our members enrolled in PEEHIP's Hospital Medical Plan Group #14000 coverage, as they will pay no more than these annual out-of-pocket amounts for calendar year 2019.

Supplemental Medical Changes

- ◆ The annual maximum amount of claims paid under Group #61000 will increase to **\$7,900** per individual and **\$15,800** per family per calendar year effective January 1, 2019. This is a benefit enhancement.

Blue Distinction Centers for Bariatric Surgery

- ◆ Since both quality of care and cost of care vary significantly among the broad choice of providers in our state, Blue Cross Blue Shield of Alabama has established Blue Distinction Centers as facilities within the state that are proven to show the best healthcare outcomes for certain procedures. To ensure our members covered under the PEEHIP Hospital Medical Plan Group #14000 receive the safest and highest level of care when seeking treatment for surgery for morbid obesity or related bariatric procedures, coverage for these procedures is available only at Alabama Blue Distinction Center facilities effective January 1, 2018. No coverage is available for these procedures when done at a non-Alabama Blue Distinction Center. By using these facilities with proven results of better outcomes, our members will experience less avoidable complications and re-admissions. Higher quality care and less complications equates to lower costs for the plan.
- ◆ For a list of Alabama Blue Distinction Centers, visit www.bcbs.com/blue-distinction-center-finder.
- ◆ Any in-network facility within the state can become a Blue Distinction Center if they meet certain quality of care criteria as set by Blue Cross Blue Shield of Alabama.

Pharmacy Changes

- ◆ Due to the fast-moving nature of both new drugs becoming available and price changes amongst existing drugs, PEEHIP implements various utilization management programs throughout the plan year to the commercial plan formulary, including prior authorizations, step therapy, quantity limits and the exclusion of some drugs to drive utilization to lower cost therapeutic alternative medications. This is to ensure that the PEEHIP formulary covers the most effective drugs at the most reasonable price. No changes were made to the drug copay tiers.
- ◆ For more information on PEEHIP's pharmacy benefit, including a formulary list, visit www.rsa-al.gov/index.php/members/peehip/pharmacy/.

New Premiums for Member and Spouse Only Coverage

- ◆ For active PEEHIP participants who have a covered spouse and no other covered dependents, total costs will **decrease** from \$307 per month (with the prior spousal surcharge) to \$282 per month. **The new rates for active employees went into effect on May 1, 2018.**

Updating Personal Contact Information

(Active and Retired Members)

Name and Social Security Number Changes

The name on all insurance and TRS forms must be the same as the name on the Social Security card.

PEEHIP requires a copy of the member's Social Security card before a name or Social Security number can be changed. Active employees must provide a copy of their current Social Security card to their employer for the employer to correct their PEEHIP and TRS accounts. **The disclosure of your Social Security number is mandatory for PEEHIP coverage so that PEEHIP may ensure compliance with the federal Medicare Secondary Payee rules created by 42 USC 1395y(b).** Your Social Security number will be used by PEEHIP for the purpose of Coordination of Benefits.

Address Changes

To change an address, use the secure online process from the RSA website at www.rsa-al.gov. Select the MOS Login at the top right of the home page and follow the instructions. This address change will automatically transmit to the insurance carriers and also update your address with the Teachers' Retirement System and RSA-1 if you are a participant in those accounts. However, the address change you make through the RSA online system will not change your address with your employer. **For those who do not have access to the internet, you may submit a signed written request. PEEHIP policies do not allow address changes to be made over the phone. You must contact your employer to have your address changed in their system.**

Your Preferred Method for Receiving Communication from PEEHIP and the RSA

PEEHIP's Member Online Services (MOS) website at <https://mso.rsa-al.gov> provides members **the ability to set their preferred method of receiving communication to email instead of paper mail.** When additional action/information is needed by PEEHIP, members will receive an email notification at the email address indicated in MOS. The email is a notification that you have correspondence that requires your immediate attention. The correspondence will be located in your MOS **Secure Message Center**. Upon logging in, select Secure Message Center to view the document. Please be sure to respond to the request in a timely manner. Along with preserving paper and helping PEEHIP and the RSA save on postage cost, this allows you to receive notifications immediately in your email rather than waiting for paper mail. This can be particularly helpful with PEEHIP documents that involve deadlines for response or application.

If you are currently set to receive your communications via email, you will receive an email notification whenever you have an important PEEHIP or RSA document waiting for you in your MOS Secure Message Center. Regardless of your current method of contact, you can change your preferred method of communication at any time by logging into your MOS account and clicking on My Account, then Contact Information, and then Change Your Current Phone, or Email Information. **Please be sure to use a valid email address and update it in MOS if it ever changes.**

When you sign up for email notifications, you will receive a confirmation email. If you do not see this confirmation in the email inbox within 24 hours, or if you signed up to receive emails but are not getting them from PEEHIP or the RSA, check your junk mail or spam settings. Make sure that your email settings allow messages from noreply@rsa-al.gov. Lastly, even if you choose paper mail, you will be able to access secure communications in your Secure Message Center when using MOS anywhere that you have internet access.

Insurance Eligibility

(Active and Retired Members)

Full-Time Employees

A full-time employee is any person employed on a full-time basis in any public institution of education within the state of Alabama as defined by Section 16-25A-1, *Code of Alabama, 1975*. These institutions must provide instruction for any combination of grades K through 14 exclusively, under the auspices of the State Board of Education or the Alabama Institute for Deaf and Blind. A full-time employee also includes any person who is not included in the definition of employee in Section 16-25A-1, but who is employed on a full-time basis by any board, agency, organization, or association which participates in the Teachers' Retirement System of Alabama and has by resolution pursuant to Section 16-25A-11 elected to have its employees participate in PEEHIP.

Permanent Part-Time Employees

A part-time employee is any person employed on a permanent part-time basis in any public institution of education within the state of Alabama as defined by Section 16-25A-1, *Code of Alabama, 1975*. These institutions must provide instruction for any combination of grades K through 14 exclusively, under the auspices of the State Board of Education or the Alabama Institute for Deaf and Blind. A part-time employee also includes any person who is not included in the definition of employee in Section 16-25A-1, but who is employed on a permanent, part-time basis by any board, agency, organization, or association which participates in the Teachers' Retirement System of Alabama and has by resolution pursuant to Section 16-25A-11 elected to have its employees participate in PEEHIP.

An eligible permanent part-time employee is eligible for PEEHIP if he or she agrees to payroll deduction for a pro rata portion of the premium cost for a full-time employee. The portion is based on the percentage of time the permanent part-time worker is employed. An eligible permanent part-time employee is not a substitute or a transient employee.

Ineligible Employees

These employees are not eligible to participate in PEEHIP:

- ♦ A seasonal, transient, intermittent, substitute, or adjunct employee who is hired on an occasional or as needed basis.
- ♦ An adjunct instructor who is hired on a quarter-to-quarter or semester-to-semester basis and/or only teaches when a given class is in demand.
- ♦ Board attorneys and local school board members if they are not permanent employees of the institution.
- ♦ Contracted employees who may be on the payroll but are not actively employed by the school system.
- ♦ Extended day workers hired on an hourly or as needed basis.

Retired Members

Retired members are defined as follows:

- ♦ Any person receiving a monthly benefit from the Teachers' Retirement System who at the time of his or her retirement was employed by a public institution of education within the state of Alabama which provided instruction at any combination of grades K through 14, exclusively, under the auspices of the State Board of Education or pursuant to Section 16-25A-11.
- ♦ Any person receiving a monthly benefit from the Teachers' Retirement System who at the time of his or her retirement was employed by a state-supported postsecondary institution and any person receiving a monthly benefit from the Employees' Retirement System whose retirement under the Employees' Retirement System was from a local board of education or a state-supported postsecondary institution who participated pursuant to Section 36-27-6.

Family Coverage Eligibility

Eligible Dependents

Eligible employees can enroll their eligible dependents in PEEHIP coverage. An eligible dependent is defined as the following:

Spouse

A spouse is defined as the employee's spouse, as defined by Alabama law, to whom you are currently and legally married, excludes a divorced spouse. Appropriate documentation will be required by PEEHIP before a spouse can be enrolled. Refer to the **Dependent Eligibility Documentation** section for details.

Children

PEEHIP offers dependent coverage to children up to age 26. Appropriate documentation will be required by PEEHIP before dependents can be enrolled. Coverage cancels the first of the month following the date they turn 26. Refer to the **Dependent Eligibility Documentation** section for details. **PEEHIP is not required and will not provide coverage for a child of a child receiving dependent coverage. Also, maternity benefits and delivery charges are not covered for children of any age regardless of marital status.**

In accordance with the federal Healthcare Reform Legislation, the following children are eligible for PEEHIP coverage:

1. A married or unmarried child under the age of 26 if the child is your biological child, legally adopted child, stepchild or foster child without conditions of residency, student status, or dependency. A foster child is any child who is placed with you by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction.
2. The eligibility requirements for any other children such as grandchildren, for example, must meet the same requirements as foster children and must be placed with you by decree or other order of any court of competent jurisdiction, for example, legal custody or legal guardianship.
3. An unmarried incapacitated child 26 years of age or older who:
 - ◆ is permanently incapable of self-sustaining employment because of a physical or mental handicap,
 - ◆ is chiefly dependent on the member for support, and
 - ◆ was disabled prior to the time the child attained age 26, and the child had to be covered as a dependent on the member's PEEHIP policy before reaching the limiting age of 26.

Two Exceptions:

- ◆ New member requests coverage of an incapacitated child over the age of 26 within 30 days of employment.
- ◆ An existing member requests Hospital Medical coverage of the incapacitated child over the age of 26 within 45 days of the qualifying life event of loss of other Hospital Medical group coverage.

The employee must contact PEEHIP and request an INCAPACITATED DEPENDENT CERTIFICATION form. Proof of the child's condition and dependence must be submitted to PEEHIP within 45 days after the date the child would otherwise cease to be covered because of age. PEEHIP may require proof of the continuation of such condition and dependence.

If approved for coverage, the child is not eligible to be covered on any other PEEHIP plans once he or she reaches the limiting age of 26 as an incapacitated child. For example, approved permanently incapacitated children can continue on any PEEHIP plans they are on at the time they age out, but they are not eligible to be covered on other PEEHIP plans once they reach the limiting age of 26. If the child is approved as an incapacitated child and allowed to stay on the PEEHIP Hospital Medical Plan, the child cannot change plans and be covered on other PEEHIP plans, such as VIVA Health Plan or the Optional Coverage Plans if he or she has already reached the limiting age of 26.

Ineligible Family Members (Dependents)

- ◆ An ex-spouse, regardless of what the divorce decree may state
- ◆ Ex-stepchildren, regardless of what the divorce decree may state
- ◆ Children age 26 and older
- ◆ Disabled children over age 26 who were never enrolled or were deleted from coverage
- ◆ A child of a dependent child cannot both be covered on the same policy
- ◆ A daughter-in-law or son-in-law
- ◆ Grandchildren or other children related to the member by blood or marriage for which the member does not have legal guardianship or legal custody who are not foster children or adopted children and temporarily disabled dependent children who have aged out
- ◆ Grandparents
- ◆ Parents
- ◆ A fiancé or live-in girlfriend or boyfriend

Ex-Spouse and Ex-Stepchildren Must be Removed from Coverage

Ex-spouses and ex-stepchildren are not eligible dependents even if a member continues to pay for family coverage and regardless of what the divorce decree states. The ex-spouse and ex-stepchildren must be removed from coverage effective the first day of the month following the date of divorce. The member will be responsible for an ex-spouse's and ex-stepchildren's claims when they are not removed from coverage. An ex-spouse and ex-stepchildren are eligible for COBRA if the request to enroll in COBRA is made within 60 days of the cancellation of coverage. Refer to the [COBRA](#) section for details.

To remove the ex-spouse from coverage effective the 1st day of the month following the divorce:

- ◆ Click the View/Change Contact Information link once you have logged in to Member Online Services (MOS). Select the Update My Marital Status option, select Divorce from the drop down box, and provide the date the divorce was final. This is generally the date the judge signed the Final Order of the Divorce Decree. Be sure to get a confirmation page to ensure this change was saved and submitted to PEEHIP. This will remove the ex-spouse from your coverage.
- ◆ If you do not have access to the internet, you must timely notify PEEHIP of your divorce by completing and submitting to PEEHIP a NEW ENROLLMENT AND STATUS CHANGE form and a copy of your divorce decree.

Open Enrollment

(Active and Retired Members)

Open Enrollment is your once-a-year opportunity to enroll in or change plans, and add or drop eligible dependents from coverage. Each June, all PEEHIP eligible active and retired members are sent a one-page Open Enrollment notice to their home address. The notice provides information about the Open Enrollment deadlines, how to enroll or make changes online through MOS, and identifies the coverage(s) in which the member is currently enrolled, including the current tobacco status on file with PEEHIP.

The Open Enrollment web page www.rsa-al.gov/index.php/members/peehip/open-enrollment/ is available July 1 every year and provides information about Open Enrollment deadlines, the PEEHIP Member Handbook, and other important information.

Open Enrollment begins July 1 and ends by the following deadlines:

- ◆ The deadline for submitting **online** Open Enrollment changes is midnight of **September 10**. After September 10, online Open Enrollment changes will not be accepted and the Open Enrollment link will be closed.
- ◆ The deadline for submitting **paper** Open Enrollment forms is **August 31** or the last business day of the month. Any paper forms or faxes postmarked after August 31 will not be accepted.
- ◆ The deadline for enrollment or re-enrolling in a **Flexible Spending Account** online or on paper is **September 30**.

Open Enrollment changes cannot be submitted after these deadlines.

Other Open Enrollment information:

- ◆ Members do not need to re-enroll in coverage if they want to continue their current coverage. Their current coverage will remain in effect and premium deductions will continue if they do not add/change/cancel coverage during Open Enrollment.
- ◆ Flexible Spending Accounts require a new enrollment each year. **The preferred method to enroll is online through MOS at <https://mso.rsa-al.gov>.**
- ◆ The Premium Assistance discount program requires a new application each year. The member must submit a paper application to PEEHIP to apply for this discount. The paper application can be uploaded in MOS.
- ◆ Members enrolling in new insurance plans should receive their new ID cards from the insurance carrier(s) no later than the last week in September.
- ◆ Payroll deductions for the changes made during Open Enrollment effective October 1 will be reflected in the September paycheck. All members covered by PEEHIP insurance should review their paycheck stub each month to ensure the proper amount has been deducted for their PEEHIP premiums.
- ◆ Members enrolling in the Flexible Spending Account(s) effective October 1 will have their first contribution withheld from their October paycheck.
- ◆ As a new PEEHIP member, see the **PEEHIP Wellness Programs** section for details on the wellness benefits and required wellness activities in order to obtain the wellness premium waiver.

All Open Enrollment changes will have an effective date of October 1.

Transfers

Employees who transfer from one system to another system are considered current employees and are not considered new employees for insurance enrollment purposes. Transfers must keep existing PEEHIP coverage and cannot make insurance changes until the Open Enrollment period for an October 1 effective date.

Rehired Employee and 3-1 Rule

If an employee is terminated at the end of the school year and transfers to another system or is rehired by the same system for the next school year, or a retiree suspends his or her retirement and comes back to work, the employee is not considered a “new employee” for insurance purposes and the employee cannot make insurance changes until the Open Enrollment period. Refer to the **Employer Contribution** section for more information about the 3-1 Rule.

Part-Time to Full-Time Employment

Employees who are employed less than full-time and are enrolled in only Optional Coverage Plans cannot add the Hospital Medical Plan outside of the Open Enrollment period if they become full-time. However, members can add the other Optional Coverage Plans when they become full-time.

Full-Time to Part-Time Employment

A member is not eligible to drop the Hospital Medical Plan outside of the Open Enrollment period when they change from full-time to part-time status.

Pre-Existing Conditions

Pursuant to the federal healthcare reform laws, all members and dependents added to coverage no longer have waiting periods applied on pre-existing conditions.

New Employee Enrollment

(Active Members)

Member Online Services (MOS)

New employees who choose to enroll in PEEHIP coverage must do so online through Member Online Services (MOS) within 30 days of their hire date. Using the RSA's MOS eliminates the need for paper forms, envelopes, stamps, or last minute runs to the post office. Enroll using MOS at <https://mso.rsa-al.gov>.

Effective dates of coverage will be one of the following (your choice):

- ◆ Date of hire
- ◆ First of the month following the date of hire
- ◆ October 1 (if hired during Open Enrollment)

Members are responsible for ensuring PEEHIP has received their enrollment request and any other documents required for enrollment (i.e. dependent eligibility documents such as marriage certificate, other proof of marriage, birth certificate, etc.).

Premium payments:

- ◆ PEEHIP premiums for Hospital Medical and Optional Coverage Plans are deducted in the month prior to the month of coverage. New employees who have enrolled in PEEHIP coverage effective their date of hire or the first of the month following their date of hire must make payment directly to PEEHIP for their initial premiums. Payment can be made through MOS (e-check, debit card or credit card), or a check can be mailed to PEEHIP.
 - ◇ Example 1: An employee who is hired August 4 and elects coverage effective August 4 whose first paycheck is August 31 will have premiums deducted to pay for September coverage but not for August coverage.
 - ◇ Example 2: An employee who is hired August 4 and elects coverage effective August 4 whose first paycheck is September 30 will have premiums deducted to pay for October coverage but not for August or September coverage.
- ◆ **Failure to timely pay your initial premiums will result in your account being placed on claim hold. A claim hold on your account prevents you and your dependents from using your coverage until the claim hold is removed once payment is made.**
- ◆ Unlike other PEEHIP coverage premiums, Flex contributions are paid in the current month.
 - ◇ Example: Contributions for October are deducted in October.

If online enrollment is not completed within 30 days:

- ◆ The New Employee enrollment link within MOS will be removed on the 31st day after the date of employment.
- ◆ The new employee will only be permitted to enroll in individual Hospital Medical coverage. The employee will be required to submit a NEW ENROLLMENT AND STATUS CHANGE form to PEEHIP and the effective date will be the date the form is received by PEEHIP. The employee must wait until Open Enrollment to enroll in family Hospital Medical coverage and/or enroll in the Optional Coverage Plans.

Family Coverage Options

New employees who wish to enroll in PEEHIP family coverage (Hospital Medical and/or Optional Coverage) must do so within 30 days from their date of hire, effective either their date of hire or the first of the month following their date of hire. However, since premiums are deducted one month in advance and to accommodate new hires who may not have received their full monthly pay, family coverage can be deferred until the first of the second month following their date of hire. To request family coverage to begin the first of the second month following the new employee's date of hire, a **NEW ENROLLMENT AND STATUS CHANGE form** must be submitted to PEEHIP within 30 days of the new employee's date of hire. Otherwise, family coverage can be added during annual Open Enrollment.

Hospital Medical Coverage

New employees can enroll in individual, family (without spouse), or family (with spouse) PEEHIP Hospital Medical or VIVA Health Plan.

Optional Plan Coverage

New employees employed during the Open Enrollment period cannot enroll in the Optional Coverage Plans effective the date of hire or the first month following the date of hire and cancel the plans October 1 of that same year. The coverage must be retained for at least one year or until the next Open Enrollment period.

Supplemental Medical Coverage

New employees can enroll in the Supplemental Medical Plan if they are enrolled in a primary health plan not affiliated with PEEHIP and which includes prescription coverage. There is no premium charge for this plan if not enrolled in other PEEHIP coverage. Refer to the **PEEHIP Supplemental Medical Plan** section for more information and to see if you qualify.

Employees Not Enrolled in PEEHIP Hospital Medical Coverage

Employees who do not enroll in a PEEHIP Hospital Medical Plan can enroll in the PEEHIP Supplemental Medical Plan **OR** up to four Optional Coverage Plans at no premium cost for individual or family coverage.

Spouses Independently Eligible for PEEHIP

Spouses who are independently eligible for PEEHIP who are covered by the PEEHIP Supplemental Medical Plan and Optional Coverage Plan(s) will not be charged a premium provided they are not enrolled in the PEEHIP Hospital Medical Plan. PEEHIP policies do not allow a member to be enrolled in both the PEEHIP Hospital Medical Plan and the PEEHIP Supplemental Medical Plan.

Benefits Not Duplicated for Subscriber and Dependent

Since PEEHIP will not duplicate benefits even if an employee is covered under two separate PEEHIP policies, an employee who is enrolled in PEEHIP coverage as a subscriber cannot be covered by the same PEEHIP plan(s) as a non-spouse dependent on another PEEHIP policy.

Members on COBRA Who Return to Work

When a member who is enrolled in PEEHIP under COBRA returns to work for a PEEHIP participating employer and wishes to enroll in new coverage, the member must complete a new enrollment request via Member Online Services (MOS) within 30 days of their hire date. The member may not drop existing coverage until the Open Enrollment period.

Refer to the [Enrollment Procedures](#) section for more information.

Additional Information about Enrollment**Dependent Becomes Eligible as Subscriber**

When an adult child becomes employed/eligible for PEEHIP as a subscriber, he/she will only be removed from their parent's plan when he/she enrolls in the same identical plan(s) in their own name. **Example:** If an adult child dependent enrolls in their own PEEHIP Hospital Medical Plan, they will be removed from their parent's PEEHIP Hospital Medical Plan. If the adult child dependent is also enrolled in their parent's dental plan, they will not be removed unless they enroll in their own dental plan.

PEEHIP-Eligible Spouses Enrolled in Individual Hospital Medical Plans

Since PEEHIP requires a physical or electronic signature to enroll or cancel coverage, spouses who are independently eligible for PEEHIP, who are both enrolled in their own individual Hospital Medical Plan and whose spouse submits a request to change their coverage to family adding their spouse to their PEEHIP Hospital Medical Plan, will remain covered in their own individual plan until PEEHIP receives their request to cancel their plan. This change must be submitted during Open Enrollment.

Employees without Computer Access

If a member does not have access to a computer or the internet, enrollments and/or changes can be made by submitting a **NEW ENROLLMENT AND STATUS CHANGE** form to PEEHIP. Refer to the **Forms** section of this handbook for a **NEW ENROLLMENT AND STATUS CHANGE** form or one can be obtained upon request by calling Member Services at 877.517.0020.

Enrollment Documentation Required

(Active and Retired Members)

General Information

Every member who enrolls dependent(s) in his or her PEEHIP coverage(s) is required to certify dependent eligibility to PEEHIP. Certification requires submission of appropriate documents to verify dependent eligibility. **Black out Social Security numbers, account numbers, income, or statement balances prior to sending your documents to PEEHIP.** Under no circumstances does PEEHIP solicit this type of information from members.

Documents must be mailed, emailed (encrypted) to PEEHIP, or uploaded in MOS. Refer to the **Contact PEEHIP** information at the front of this guide. Enrollments cannot be processed without the appropriate documentation. **PEEHIP is not bound by court order to insure dependents who do not meet PEEHIP guidelines.**

To ensure that enrollment deadlines are met, you should submit your enrollment even if all documents are not available to you at the time of enrollment.

Spouse

A spouse is defined by Alabama law as a person to whom you are currently and legally married. Ex-spouses are not eligible dependents even if a member continues to pay for family coverage. The ex-spouse must be deleted from coverage effective the first day of the month following the date of divorce. Eligibility documents required for spouses are:

- ◆ Marriage certificate **AND one** of the following documents to show marriage is still current*:
 - ◇ Current year's filed Federal Income Tax Return – include pages 1 & 2 of Forms 1040, 1040A, or page 1 of Form 1040EZ. **Your signature and date is required on your return.** If you were married and filed separately, you must also include a copy of your spouse's current year's filed Federal Income Tax Return. If you (and/or your spouse) filed electronically, a **signed** Form 8879 e-file Signature Authorization can be submitted in lieu of your signature on your return. *Tax forms must be signed by member and spouse, if filed jointly, even if filed electronically.*
 - ◇ Alternatively, you can choose to provide a current year Federal Income Tax Return Transcript instead of the previously listed tax and income documents. To receive your transcript, call 800.908.9946 or visit <https://www.irs.gov/individuals/get-transcript>.
 - ◇ Current mortgage statement, home equity loan, or lease agreement listing the spouse
 - ◇ Current Property Tax documents listing the spouse
 - ◇ Automobile registration that is currently in effect listing the spouse
 - ◇ Current utility bill listing the spouse
 - ◇ Current utility bill listing the spouse at the same address as the member

**Current is defined as within the last six months and supporting documents must be dated within the last six months to qualify as appropriate documentation.*

Separated Spouse

A separated spouse is defined as a legally separated spouse. Required document for separated spouse is:

- ◆ Notice of Legal Separation (court documents signed by a judge)

Biological Child

A biological child is defined as a member's biological child who is under age 26. Required document for a biological child is:

- ◆ Birth certificate (issued by a state, county, or vital records office)

Foster Child

A foster child is defined as a child who is placed with a member by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction. Required documents for foster children are:

- ◆ Placement Authorization signed by a judge **OR**
- ◆ Final Court Order with presiding judge's signature and seal

Adopted Child

An adopted child is defined as a member's legally adopted child under age 26. Required documents for adopted children are:

- ◆ Certificate of Adoption or
- ◆ Papers from the adoption agency showing intent to adopt or
- ◆ Court documents signed by a judge showing the member has adopted the child or
- ◆ International adoption papers from country of adoption or
- ◆ Birth Certificate (issued by a state, county, or vital records office naming the adopted parents)

Step Child

A step child is defined as a child under age 26 who is the natural offspring or adopted child of the covered member's spouse.

Required documents for step children are:

- ◆ Birth certificate of step child showing member's spouse's name **AND**
- ◆ Marriage certificate showing step child's biological parent is married to member

If the spouse is not covered under the PEEHIP plan, in addition to the above documents, you must submit proof that your marriage is still current. If a step child is added at a different time than the spouse (biological/custodial parent), a current second proof of marriage is required for the child to be enrolled. Refer to the **Spouse** category in this section for a list of acceptable documentation.

Incapacitated Child

An incapacitated child is defined as an unmarried incapacitated child 26 years of age or older who:

- ◆ is permanently incapable of self-sustaining employment because of a physical or mental handicap,
- ◆ is chiefly dependent on the member for support, and
- ◆ was disabled prior to the time the child attained age 26, and the child had to be covered as a dependent on the member's PEEHIP policy before reaching the limiting age.

Two exceptions:

1. New member requests coverage of an incapacitated child over the age of 26 within 30 days of employment; or
2. Existing member requests coverage of an incapacitated child over the age of 26 within 45 days of the qualifying life event of loss of other Hospital Medical group coverage.

If approved for coverage, the child is not eligible to be covered on any other PEEHIP plans once he or she reaches the limiting age of 26 as an incapacitated child. Required documents for incapacitated children are:

- ◆ INCAPACITATED DEPENDENT form. Proof of the child's condition and dependence must have been submitted to PEEHIP within 45 days after the date the child would otherwise have ceased to be covered because of age.
- ◆ Proof of the required documents(s) for one of the dependent categories as noted above to show the child is your biological child, adopted, or stepchild **AND**
- ◆ Medicare card (if eligible)

Legal Custody/Legal Guardianship of Child

Any other children, such as grandchildren, for example, must meet the same requirements as foster children and must be placed with you by decree or other order of a court of competent jurisdiction, for example, legal custody, or legal guardianship. Required documents for other children are:

- ◆ Placement Authorization signed by a judge **OR**
- ◆ Final Court Order with presiding judge's signature and seal

HIPAA Special Enrollment Outside of Open Enrollment

(Active and Retired Members)

HIPAA requires group health plans to provide special enrollment periods during which certain individuals who previously declined health coverage are allowed to enroll. A special enrollee is not treated as a late enrollee.

Examples of situations that qualify for special enrollment are:

- ◆ Person becomes a dependent through marriage
- ◆ Birth of a dependent child
- ◆ Adoption, placement of adoption, or legal custody of a child under the age of 18
- ◆ Loss of coverage due to divorce
- ◆ An individual with other insurance coverage loses that coverage
- ◆ Loss of coverage due to layoffs, employment strike, involuntary termination, voluntary resignation, or voluntary change in employment
- ◆ Loss of coverage because dependent is fired
- ◆ Company discontinues insurance coverage completely, company changes insurance carriers and no longer offers previous carrier (not just a change in benefits and premiums). This does not apply to a self-insured plan that is only changing insurance administrators.
- ◆ Exhaustion of COBRA coverage

These individuals are not required to wait until the Open Enrollment period to enroll in the Hospital Medical Plan but must submit the request for special enrollment within 45 days of each scenario.

This special enrollment period is available to employees and their dependents who meet certain requirements:

- ◆ The employee or dependent must otherwise be eligible for coverage under the terms of their plan.
- ◆ When the PEEHIP coverage was previously declined, the employee or dependent must have been covered under another group health plan or must have had other health insurance coverage.
- ◆ If the other coverage is COBRA, the special enrollment can only be requested after exhausting COBRA, even if the employer pays the COBRA premiums for any length of time.
- ◆ If the other coverage is not COBRA, special enrollment can only be requested after losing eligibility for the other coverage or after cessation of employer contributions for the other coverage.

An individual **does not** have a special enrollment right if the individual loses the other coverage in certain situations.

Examples of coverage loss situations that do not qualify for special enrollment:

- ◆ As a result of the individual's failure to pay premiums
- ◆ For cause – such as making a fraudulent claim
- ◆ If other coverage has an increase in premiums or a change in benefits
- ◆ If other coverage is changed to a Marketplace Exchange plan and employer continues to subsidize the premium
- ◆ Voluntarily removing an eligible dependent from another plan

These examples do not qualify as a loss of coverage under the HIPAA Federal guidelines.

Enrolling Due to a Loss of Eligibility for Coverage

Members and their dependents are eligible for special enrollment if they are otherwise eligible for PEEHIP coverage and, at the time coverage under PEEHIP was previously offered, they had other health insurance coverage for which they lost eligibility.

When enrolling in a Hospital Medical plan due to a loss of coverage, the member must submit to PEEHIP a NEW ENROLLMENT AND STATUS CHANGE form **AND** documentation demonstrating loss of coverage eligibility, such as a letter on company letterhead from the employer through which coverage was lost indicating the reason for the loss of eligibility of coverage such as termination of employment, resignation, or retirement with no insurance benefits, and the date coverage ended. Proof of loss of coverage must be submitted for each dependent who has lost coverage. Enrollment due to loss of coverage may not be done online through MOS.

When the loss of coverage is due to divorce, in addition to proof of loss of coverage, the member requesting coverage must submit to PEEHIP a NEW ENROLLMENT AND STATUS CHANGE form **AND** provide a copy of the divorce decree signed by a judge of a court of competent jurisdiction.

If PEEHIP is not notified within 45 days of the date of the loss of coverage, the member is required to wait and enroll during the Open Enrollment period (July 1 – August 31) with a coverage effective date of October 1. Members must wait until Open Enrollment to enroll in the Optional Coverage Plans. The member cannot enroll in dental or vision outside of Open Enrollment, even if it was part of the plan in which they lost coverage. **A member is eligible to drop any of the Optional Coverage Plans when enrolling in a Hospital Medical plan due to a loss of other coverage if he/she had the Optional Coverage Plans for at least one year.**

Cancelling or Changing Coverage Due to a Qualifying Life Event (QLE)

All active members pay their premiums using pre-tax dollars. Therefore, active members must have an IRS Qualifying Life Event (QLE) before they can be allowed to cancel their Hospital Medical plan, change the status of their coverage, or drop/add dependents outside of the Open Enrollment period. **QLE's apply to Hospital Medical coverage and do not apply to the Optional Coverage Plans.**

QLE change requests must be submitted to PEEHIP within 45 days after the date of the QLE. If a newborn is not added within 45 days of the date of birth for coverage to be effective the date of birth, claims incurred at the time of birth will not be paid.

Qualifying Life Event (QLE)	Add/Remove	MOS
Adoption of Child	Add	✓
Birth of a Child*	Add	✓
<i>*Birth is not a QLE to cancel coverage</i>		
Commencement of spouse/dependent employment	Remove	
Death of spouse or dependent	Remove	
Divorce or annulment	Remove	
FMLA/LOA	Remove	
Legal custody of child	Add	✓
Marriage of the subscriber*	Add/Remove	✓
<i>*Marriage is a QLE to cancel coverage if enrolling in the new spouse's qualified plan</i>		
Marriage of dependent child	Remove	
Medicaid and/or Medicare entitlement	Remove	
PEEHIP-eligible Employee/Retiree loss of eligibility for other coverage	Add	
Spouse/dependent loss of eligibility for coverage	Add	
Spouse's employer has a different Open Enrollment period than PEEHIP's Open Enrollment*	Remove	
<i>*Does not apply to Medicare's Open Enrollment</i>		
Termination of spouse employment and loss of eligibility for insurance coverage	Add	

Retirees can drop the first of the month upon written notification to PEEHIP.

Members can remove their spouse from their PEEHIP Hospital Medical coverage during their spouse's Open Enrollment if the plan year for the other employer group coverage does not coincide with the PEEHIP plan year. This option is available as long as the other employer health plan is a cafeteria plan or qualified benefits plan. This does not apply to Medicare's Open Enrollment.

Members can use this QLE prospectively at any time during the year at such point that their spouse elects coverage under their employer group health plan with a different plan year than the PEEHIP plan year. This new QLE not only creates a path to remove a spouse as a dependent, but also allows members the option to remove all family coverage and change to individual coverage or drop the PEEHIP Hospital Medical coverage altogether outside of the PEEHIP Open Enrollment. Timely notification and documentation demonstrating the spouse's or dependent's eligibility for their employer group health plan must be provided to PEEHIP within 45 days from the effective date of the new plan year of their employer group health plan.

If all dependents on the policy are ineligible, the coverage will automatically change to an individual plan effective the first of the month following the cancellation of the last remaining dependent. Policies are only cancelled effective on the first day of the month and cannot be cancelled in the middle of the month.

Changing Individual to Family Coverage

Members enrolled in individual Hospital Medical coverage who marry can request to change coverage to family and adding their newly acquired dependents within 45 days of the date of marriage. Members can add all eligible dependents when changing to family coverage. Enroll online through MOS at <https://mso.rsa-al.gov> and mail a copy of the marriage certificate (and birth certificates, if applicable) to PEEHIP. The effective date of coverage can be the date of marriage or the first of the following month. A member who is only enrolled in the Optional Coverage Plans cannot enroll in the Hospital Medical Plan due to a marriage or birth of a child. **Members will be required to make payment for the additional family premium at the time of enrollment.** Prior notification is not required. *However, if coverage is not added within 45 days of the date of marriage, the member must wait until the following Open Enrollment period.*

Adding Dependents to Family Coverage

Members can add a new dependent(s) to existing family coverage through MOS at <https://mso.rsa-al.gov> within 45 days of acquiring the dependent(s) and mail a copy of the marriage certificate and/or birth certificate to PEEHIP. Prior notification is not required. *However, if coverage is not added within 45 days of the date the dependents are acquired, the member must wait until the following Open Enrollment period.*

Employer Contributions

(Active Members)

An active member is eligible to receive PEEHIP coverage at the member premium rates during each month the member is in pay status at least one-half of the working days of that month. An employee may be eligible to extend their PEEHIP coverage through COBRA during a month in which the employee is in pay status less than one-half of the working days of that month. Refer to the [COBRA](#) section for more information.

Example:

An employee who works October 1 through November 6 is eligible to receive PEEHIP coverage for October but not for November, assuming there were more than 12 working days in November. (As set forth below, the employee may still be eligible to extend their PEEHIP coverage through COBRA.)

Note that an employee may get paid for a portion of a month but may not be eligible to receive PEEHIP coverage for the remainder of that month if he or she is not in pay status at least one-half of the working days of that month.

To be eligible for full coverage under PEEHIP, a teacher, counselor, librarian, administrative employee, or other professional employee must be employed full-time. A support worker, such as a janitorial staff employee, custodian, maintenance worker, lunchroom worker, or teacher aide, must be employed at least twenty (20) hours per week (excluding bus drivers, who are full-time by law) to receive full coverage. Permanent part-time employees who meet the required qualifications will be entitled to coverage on a pro rata basis as follows:

	Entitlement if Enrolled in Hospital Medical or HMO Plan	Entitlement if Enrolled in Optional Coverage Plans
Professional/Administrative Employee Works		
Less than 1/4 time	0	0
At least 1/4 time but < 1/2 time	1/4 insurance coverage	1 Plan
At least 1/2 time but < 3/4 time	1/2 insurance coverage	2 Plans
At least 3/4 time but < Full-time	3/4 insurance coverage	3 Plans
Full-time	Full coverage	4 Plans
	(Each additional Optional Plan can be purchased for \$38/month or \$50/month for the family dental plan.)

10.0 to 14.9 hours/week	1/2 insurance coverage	2 Plans

20 or more hours/week	Full coverage	4 Plans
	(Each additional Optional Plan can be purchased for \$38/month or \$50/month for the family dental plan.)	

3-1 Rule

A member earns one month of additional insurance coverage for every three months the employee is in pay status at least one-half of the working days in the month for that school year. The 3-1 Rule only applies when an employee has terminated employment, retires, is not in pay status at least one-half of the working days of the month, goes on an approved leave of absence without pay, or begins employment in the middle of the year.

The 3-1 Rule is applied using a September through September year.

- ◆ Extra months of coverage earned by a member must be applied to insurance premiums immediately after the member is separated from employment.
- ◆ The member cannot pick and choose the months to use the coverage.
- ◆ An employee must be in pay status at least one-half of the available workdays for three full months to earn an extra one month of insurance coverage.
- ◆ An employee can only use the coverage month for the current fiscal year; i.e., the coverage cannot be used after September 30.
- ◆ The 3-1 Rule is handled in the same manner for all employees regardless of whether they are paid on a 9-, 10-, 11-, or 12-month basis.

- ◆ If a terminated employee is hired back before he or she has exhausted their extra coverage months, the employee will not have a lapse in coverage and the same insurance plans will automatically be reinstated. These employees are treated as existing employees and not considered to be new employees for insurance purposes; they will not be allowed to pick up or drop coverage except during the Open Enrollment period.
- ◆ Employees who terminate employment and have a break in coverage can enroll as new employees the day they return to work or during Open Enrollment for an October 1 effective date of coverage. PEEHIP must receive an online enrollment request.

The table below should be used when calculating the number of months an employee is entitled to receive insurance coverage.

2	2
3	4
4	5
5	6
6	8
7	9

Leave

A member can use his or her accrued or donated sick leave in order to be in pay status to remain eligible for PEEHIP coverage. However, sick leave, annual leave, or catastrophic leave cannot be manipulated in such a way that a member receives coverage inappropriately. **A member must use his or her accrued sick leave, annual leave, or catastrophic leave continuously and consecutively when not actively employed.**

Family Medical Leave Act (FMLA)

The 3-1 Rule applies even when a member is granted leave under the FMLA. If the employee earns additional months of coverage under the 3-1 Rule prior to going on leave under the FMLA, the extra months are applied following said leave.

Military Leave

If an employee is on military leave status, the employee earns credit for the insurance coverage which is paid by the PEEHIP Plan. The employer will not be charged for the insurance contribution when a member is on military leave status in the Employer Portal.

Terminated Employee

The school system is not required to pay the September contribution amount for an employee terminating the end of May when the employee has worked September through May. These employees are eligible to receive insurance coverage through August only.

Additional Information about Employer Contributions

A contribution for the month will be due if a member is hired on the first day of the month. A contribution can be used for the month of September.

Examples: An employee has been in hire status for 9 consecutive months and terminates employment after June 16. The member's extra months of coverage will be applied to July, August, and September. Alternatively, if a member terminates employment by June 15, they will have coverage only through August.

A full August contribution is due if the member has had continuous coverage through the summer. A member who has paid a LOA rate or COBRA for July and returns to work after August 1 but prior to August 15 is eligible for full coverage in August.

Members Enrolled in the PEEHIP Hospital Medical Plan Group #14000 or VIVA Health Plan

If a member enrolls in the PEEHIP Hospital Medical Plan Group #14000 (administered by BCBS) or the VIVA Health Plan, they can enroll in any number of the Optional Coverage Plans at their respective costs.

Members Not Enrolled in the PEEHIP Hospital Medical Plan Group #14000 or VIVA Health Plan

If a member does not enroll in the PEEHIP Hospital Medical Plan Group #14000 (administered by BCBS) or the VIVA Health Plan, there is no premium cost to enroll in either the PEEHIP Supplemental Medical Plan or the Optional Coverage Plans. Refer to the appropriate section of this handbook for detailed information and limitations on these plans.

Transferring School Systems

When an employee transfers from one participating system to another without a break in coverage, the **new** system will be responsible for paying the contribution for the **first full month** of the employee's contract and all additional months of coverage, thereafter.

Death

Extra insurance contributions earned under the 3-1 Rule can only be used by the employee and cannot be used by the employee's family in the event of the employee's death.

Active Employees Not Enrolled in Coverage

Section 16-25A-5, *Code of Alabama, 1975*, requires the insurance contribution amount must be paid for all employees eligible for insurance even if no coverage is elected.

Employers are not required to pay the pro rata insurance contribution for a new employee if the employee does not enroll in insurance coverage on his date of employment. However, Section 16-25A-9, *Code of Alabama, 1975*, requires the insurance contribution to be paid for a full month of coverage even if the employee does not enroll in any coverage.

Example:

A new employee begins work August 23 and does not enroll in coverage until October 1.

PEEHIP would not require the system to pay the pro rata contribution for August if the employee does not elect coverage on his date of employment; however, PEEHIP would require the insurance contribution amount for the full month of September.

Members who are not enrolled in any insurance coverage are allowed to enroll in individual Hospital Medical coverage effective on the date of notification.

Retiring Members

Retiring members are eligible to receive the extra coverage months earned under the 3-1 Rule.

Example:

- ♦ A June 1 retiree who works 9 months during the school year may receive coverage through August 31.
- ♦ A July 1 retiree who works the entire school year may receive coverage through September 30.

The school system is required to provide the appropriate insurance contribution earned under the 3-1 Rule. In most cases, PEEHIP assumes that the system will not pay the September contribution for June 1 retirees. June 1 retirees should continue to receive coverage through August.

The 3-1 Rule is handled in the same manner for retirees as for active employees regardless of whether they are paid on a 9-, 10-, 11-, or 12-month basis.

If a member and/or spouse is Medicare eligible at the time of retirement, **the date of retirement is the date when Medicare becomes primary**, regardless of the 3-1 Rule. Medicare-eligible members and/or dependents must have both Medicare Parts A and B on their retirement date to have coverage with PEEHIP.

Medicare

If a member or dependent is already Medicare eligible due to age or disability on his or her retirement date, Medicare will become the primary payer and PEEHIP the secondary payer **effective on the date of the member's retirement**.

It is important to know that Medicare-eligible retired members and Medicare-eligible dependents must be enrolled in Part A **and** Part B of Medicare to have coverage with the UnitedHealthcare® Group Medicare Advantage (PPO) plan. If you do not have both Part A and Part B, you will not be eligible for the Medicare Advantage plan and you will not have Hospital Medical or prescription drug coverage with PEEHIP.

Medicare rules require a Medicare-eligible, active PEEHIP member covered as a dependent on his or her spouse's PEEHIP **retired** contract to have Medicare as the primary payer. In this scenario, the active, Medicare-eligible dependent must have both Medicare Part A and Part B coverage.

If the active member referenced above does not want Medicare as his or her primary payer and does not want to enroll in Medicare Part B until retirement, he or she will have to enroll in a PEEHIP active contract as the subscriber and will not be able to remain on the contract as a dependent with the retired PEEHIP eligible spouse. Most of the time, in this situation, active members must wait until the next Open Enrollment period to enroll as a subscriber in their own PEEHIP medical plan. When the active Medicare-eligible member retires, he or she must enroll in both Medicare Part A and Part B to have coverage with PEEHIP. The effective date of both Medicare Part A and Part B must be effective no later than the date of retirement to avoid a lapse in coverage.

Refer to the [Health Insurance Policies for Retired Members](#) or the [Provision for Medicare-Eligible Active Members](#) sections of this handbook for more information regarding the UnitedHealthcare® Group Medicare Advantage (PPO) plan for PEEHIP.

PPO Blue Card Benefits *(Out-of-State Providers)*

- ◆ The Blue Card PPO program offers "PMD-like" benefits when members access out-of-state providers if the physician or hospital is a participant in the local Blue Cross PPO program in that state. This program allows members to receive PMD benefits such as well baby care, routine physicals, and routine mammograms when accessing out-of-state PPO providers.

Non-Participating Hospitals and Outpatient Facilities

- ◆ Currently there are no non-participating inpatient or outpatient facilities in Alabama. However, when choosing a hospital or outpatient facility located outside Alabama, you may want to consider checking with the facility first to determine if they are a Blue Cross Blue Shield participating provider. With your health plan benefits, you have the freedom to choose your healthcare provider.

- ◆ To maximize your coverage and minimize your out-of-pocket expenses, you should always use network providers for services covered by your health plan. Your out-of-pocket expenses will be significantly higher in a non-participating hospital or facility. When you choose a network provider, you don't have to worry about extra out-of-pocket expenses.

Out-of-Country Coverage

- ◆ If you receive medical treatment outside of the United States and the services are medically necessary, PEEHIP will pay primary under the major medical benefits. All PEEHIP deductible and coinsurance amounts and contract limitations will apply. The claims must be stated in U.S. dollars and filed with Blue Cross of Alabama.

Excluded Services and Prescription Drugs

- ◆ Excluded services include but are not limited to nursing home costs, vision and dental care (except accidental injuries), cosmetic surgery, hearing aids, and experimental procedures. Certain prescription drugs may be excluded to drive utilization to lower cost therapeutic alternative drugs. Bulk chemical powders **are not** covered under PEEHIP.

Prescription Drug Benefits – Participating Pharmacy *(Administered by MedImpact)*

All drug lists can be found on the PEEHIP website at www.rsa-al.gov.

- ◆ Participating Pharmacy Copayments:

Tier Number: Drug Type	Day Supply: 1-30 Copay	Day Supply: 31-60 Copay	Day Supply: 61-90 Copay
Tier 1: Generic	\$ 6	\$ 12	\$ 12
Tier 2: Preferred Brand	\$40	\$ 80	\$120
Tier 3: Non-Preferred Brand	\$60	\$120	\$180
Tier 4: Specialty Drug	20% coinsurance with a minimum copay of \$100 and a maximum copay of \$150. The Dispense As Written (DAW) cost differential applies for multi-source brand drugs with a generic chemical equivalent.		

The drug must be on the approved maintenance list and must be prescribed as a maintenance drug. First fill for a maintenance drug will be a 30-day supply.

- ◆ Participating pharmacies will file all claims electronically for you. Most major pharmacy chains in-state and out-of-state participate with the PEEHIP MedImpact prescription drug plan.
- ◆ The PEEHIP prescription drug plan includes Step Therapy, Prior Authorization, and Quantity Level Limitations for certain medications.
- ◆ Refills on Retail and Specialty drugs (30-day supply) are allowed only after 75% of the previous prescription has been used (for example, 23 days into a 30-day supply). Refills are allowed for maintenance drugs (90-day supply) only after 75% of the previous prescription has been used (for example, 67 days into a 90-day supply).
- ◆ Pharmacists shall dispense a generic equivalent medication when one is available unless the physician indicates in longhand writing on the prescription, indicates by mark or signature in the appropriate place on the prescription, or indicates in an electronic prescription, the following: “medically necessary” or “dispense as written” or “do not substitute.” The generic equivalent drug product dispensed shall be pharmaceutically and therapeutically equivalent and contain the same active ingredient(s) and shall be of the same dosage, form, and strength.
- ◆ Drug benefits for medically necessary fertility drugs are covered at 50% copay for any fertility drug up to a lifetime maximum of \$2,500 cost to the PEEHIP plan.
- ◆ Over-the-counter (OTC) medications are not covered, even if prescribed by a physician, unless mandated by the Affordable Care Act. The prescription version of an OTC medication is not covered. OTC equivalent drugs, vitamins, food supplements, and medical foods are not covered, even if prescribed by a physician, unless mandated by the Affordable Care Act.

Flu vaccines are allowed at most participating retail pharmacies at no cost.

DAW (Dispense as Written) Cost Differential

For multi-source brand drugs with a generic chemical equivalent, the total amount covered by PEEHIP will not exceed the amount that would have been covered if the generic equivalent were dispensed. Members will be subject to the difference between the cost of the brand drug and its generic equivalent, regardless of whether the physician indicates the brand must be taken. This does not apply to the Narrow Therapeutic Index (NTI) drugs such as seizure medications.

PEEHIP Maintenance Drug List – Copay Change for Preferred and Non-Preferred Brands Only

Three (3) copayments are charged for a 3-month supply of all brand drugs on the PEEHIP Maintenance Drug List. Two copayments are charged for a 3-month supply of all generic drugs on the list. The DAW cost differential applies for multi-source brand drugs with a generic chemical equivalent.

Specialty Drugs – New 4th Tier

A 4th tier copay was implemented for specialty drugs: 20% coinsurance with a minimum copay of \$100 and a maximum copay of \$150. The DAW cost differential applies for multi-source brand drugs with a generic chemical equivalent.

Specialty Drugs – Copay Assistance Programs

Copays for certain specialty medications may vary and be set to the maximum of any available manufacturer-funded copay assistance programs. PEEHIP and MedImpact will offer copay assistance programs for certain specialty drugs so the member copayment will normally be less than the otherwise applicable copayment.

Compound Drugs

PEEHIP does not cover ingredients in a compound that are currently excluded from coverage in non-compound prescriptions, such as over-the-counter (OTC) medications. This exclusion applies to PEEHIP's non-Medicare (commercial) plan and the Medicare Part D plan.

Drug Utilization Management

PEEHIP works with the Pharmacy Benefit Manager to review and update the drug utilization management policies such as the drug formulary status, step-therapy programs, quantity level limits, prior authorizations, and other utilization management programs to reduce unnecessary spending by both the plan and members and to ensure the most effective drugs are used in the most appropriate ways. These programs are implemented throughout the plan year to keep your PEEHIP plan as beneficial and affordable as possible.

Excluded Drugs

Certain prescription drugs and medications are excluded from PEEHIP coverage. To verify the formulary and coverage status of a medication, please visit the MedImpact website at <https://mp.medimpact.com/ala>.

Non-Participating Pharmacy (*Coverage at a non-participating pharmacy inside or outside of Alabama*)

If members use a non-participating pharmacy, they will be required to pay the full cost of the prescription. Members can submit a claim form to MedImpact to be reimbursed at the Participating Pharmacy rate. All PEEHIP copayments and clinical utilization management programs will apply. The member out-of-pocket expenses will be higher when using a non-participating pharmacy.

Step Therapy Prescription Program

The PEEHIP prescription drug program includes Step Therapy for certain medications. The Step Therapy program was implemented to keep PEEHIP sound and premiums and copayments at a reasonable and affordable level. The Step Therapy program applies to “new” prescriptions that have not been purchased in over 130 days. Step Therapy is organized in a series of “steps” with your doctor approving your medication every step of the way. It is developed under the guidance and direction of independent, licensed doctors, pharmacists, and other medical experts. Together with MedImpact, Inc., they review the most current research on thousands of drugs tested and approved by the Food and Drug Administration (FDA) for safety and effectiveness. Members can reference the *Summary Plan Description* at www.rsa-al.gov/index.php/members/peehip/pubs-forms/ for detailed information about the Step Therapy program.

PEEHIP Supplemental Medical Plan

(Active Members and Non-Medicare-Eligible Retirees)

PEEHIP recognizes that there are sometimes other options available for primary medical and prescription coverage, especially if you have a spouse who is offered coverage through their employer. Sometimes that other coverage could be more beneficial if there were additional benefits to apply toward the copays, deductibles, and coinsurance amounts that apply to that other coverage. PEEHIP offers a Supplemental Medical Plan to its members at **no cost** if not enrolled in any other PEEHIP coverage. This Supplemental Medical Plan is designed to supplement other eligible primary medical and prescription coverage by paying for the out-of-pocket amounts charged by the other plan. Additionally, to allow even greater flexibility to our members who are enrolled in PEEHIP's Hospital Medical Plan, those members can switch to the Supplemental Medical Plan prospectively at any point during the plan year. Please see below for more information. If you choose to enroll in this plan, you will receive additional detailed information.

General Information

- ◆ There is no monthly premium charge for an individual or family plan if not enrolled in any other PEEHIP coverage.
- ◆ The PEEHIP Supplemental Medical Plan provides secondary coverage to the member and covered dependent(s) when eligible primary coverage is provided by another employer.
- ◆ The PEEHIP Supplemental Medical Plan supplements a primary insurance plan by covering the copayment, deductible, and/or coinsurance of a primary insurance plan or the preferred or participating allowance, whichever is less.
- ◆ **Members who are enrolled in the PEEHIP Hospital Medical Plan can switch and enroll in the PEEHIP Supplemental Medical Plan prospectively at any time during the year without a Qualifying Life Event (QLE)** (e. g., members enrolled in an individual PEEHIP Hospital Medical Plan can switch to an individual Supplemental Medical Plan).

Plan Specifics

- ◆ PEEHIP Hospital Medical Plan limitations and exclusions will apply.
- ◆ The PEEHIP Supplemental Medical Plan will not pay for amounts in excess of the allowed amount for services rendered by a non-preferred provider, amounts in excess of the maximums provided under the primary insurance plan, any services denied by the primary insurance plan, or any penalties or sanctions imposed by the primary insurance plan.
- ◆ Members enrolled in plans with deductibles greater than \$1,450 for individual or \$2,700 for family are also not eligible for the PEEHIP Supplemental Medical Plan. *PEEHIP may ask for your primary plan document for verification.*
- ◆ To be eligible for reimbursement under the PEEHIP Supplemental Medical Plan, the primary insurance plan must have either 1) applied the eligible charges to the deductible, or 2) made primary payment for the services rendered.
- ◆ For inpatient mental health and substance abuse services, there is a maximum allowance of 30 total days per member per plan year. Inpatient substance abuse services are limited to one admission per member per plan year and a maximum of two admissions per lifetime.

Coordination of Benefits (COB)

(Other Insurance Coverage)

Members and dependents are legally required to notify PEEHIP of other insurance under which they may be covered to ensure accurate claims processing in the correct payment order of primary and secondary. Members must notify PEEHIP when changes to other insurance coverage occurs. Changes can be submitted online through MOS or by submitting a COORDINATION OF BENEFITS form to PEEHIP in a timely manner.

In cases where the member needs to inform PEEHIP of other insurance that was in effect during any time frame in which PEEHIP was also in effect for the member and/or dependent and the other insurance has cancelled, information about that other coverage will still be required. Members must either submit information about that other coverage via MOS or submit a COORDINATION OF BENEFITS form regarding their other coverage. **It is the member's responsibility to submit legal proof of cancellation (e.g., Certificate of Creditable Coverage or Proof of Prior Coverage letter) to PEEHIP so the coordination of benefits can be updated.** Documentation must show a cancellation date.

Dental and Vision Plans

If an employee or covered dependent is enrolled in the dental and/or vision plans provided by PEEHIP and is also entitled to any other dental or vision coverage, the total amount that is payable under all plans will not be more than 100% of the covered expenses. PEEHIP will coordinate benefits with other dental and vision coverages.

PEEHIP dental and vision benefits will be secondary to all other dental and vision coverages for the subscriber. Dental and vision claims incurred and filed on the Southland Benefit Solutions Plan are always paid secondary to other dental and vision plans. Refer to the [PEEHIP Summary Plan Description](#) section for more information on the COB rules.

Non-Duplication of Benefits

All PEEHIP members and covered dependents who use their PEEHIP Hospital Medical Plan as their secondary coverage will be required to pay deductibles and copayments imposed by PEEHIP. PEEHIP will cover the portion of the health plan deductibles and copayments that exceed the PEEHIP copayments.

PEEHIP Wellness Programs

(Active Members and Non-Medicare-Eligible Retirees)

Team Up For Health

The PEEHIP *Team Up For Health* program works with the Alabama Department of Public Health (ADPH) and ActiveHealth as our strategic partners and administrators of PEEHIP's comprehensive and industry-leading *Team Up for Health* Wellness Program. This program offers **FREE** services for members and their covered spouses. In accordance with healthcare reform law, there is no required health standard which must be met.

The goals of the program are to:

- ◆ Help members and their families achieve or maintain good health,
- ◆ Promote the early detection and identification of chronic disease,
- ◆ Encourage lifestyle changes that lower the risk of chronic disease and illnesses,
- ◆ Enhance wellness and productivity,
- ◆ Significantly reduce healthcare spending by the PEEHIP plan and by PEEHIP members by reducing the number and severity of negative health outcomes.

This program and its **free** services are designed to help PEEHIP members live happier, healthier, and more satisfying lives. Healthier members typically get sick less often and visit the doctor less frequently. This leads to lower healthcare costs for our members and the plan while providing an invaluable benefit to members.

Wellness Premium Waiver

The following members **enrolled in the PEEHIP Hospital Medical Plan Group #14000** administered by Blue Cross Blue Shield are required to complete the applicable wellness activities by August 31 of each year in order to earn a waiver of the \$50 monthly wellness premium.

- ◆ **Members currently employed by a PEEHIP participating system and their covered spouse, regardless of Medicare eligibility**
- ◆ **A retired employee who is not Medicare-eligible**
- ◆ **A non-Medicare-eligible spouse covered on a retiree contract**
- ◆ **Members on COBRA, Leave of Absence, and surviving spouses who are non-Medicare-eligible**

If all required activities are not completed by the August 31 deadline, the \$50 monthly wellness premium will be charged beginning October 1. Members and spouses who complete all required activities after the annual August 31 deadline may earn a wellness premium waiver prospectively. The waiver will be applied on the first day of the second month after the member and/or spouse successfully completes all required activities.

The wellness premium applies separately to covered members and their covered spouses. Covered members and their covered spouses can each earn the wellness premium waiver of \$50 for a potential combined wellness premium waiver of \$100 each month. The wellness premium is applied to the monthly PEEHIP premium beginning each October 1 for members and spouses who do not complete all of the required wellness activities by the annual August 31 deadline.

Newly Enrolled PEEHIP Members

All newly enrolled PEEHIP members and covered spouses have the same August 31 due date as the existing PEEHIP membership, unless their new effective date of coverage occurs between June 2 and September 30. If their effective date of coverage falls within this time period, their due date to complete their required activities will be August 31 of the following year rather than the year in which they enroll. This means that no PEEHIP member will ever have less than 3 months to complete his or her wellness program requirements.

Newly enrolled PEEHIP members have the same wellness screening requirement as existing PEEHIP members, and health coaching may also be applicable to them if they receive a health coaching invitation letter from ActiveHealth. ActiveHealth sends health coaching invitation letters once per year in October. The My Required Activities link at the www.myactivehealth.com/peehip website shows the specific activities required to earn the \$50 monthly wellness premium waiver. New members will receive introductory letters to the wellness program and reminder letters of their required activities and specific due dates.

The following members are NOT required to participate in the wellness program:

- ◆ Children
- ◆ PEEHIP members or spouses who are only enrolled in the Optional Coverage Plans, the PEEHIP Supplemental Medical Plan, or the VIVA Health Plan
- ◆ Medicare-eligible retirees and Medicare-eligible spouses covered on a retiree contract

Required Wellness Activity

If you are required to participate in *Team Up for Health*, you must complete a **wellness screening**, which is the minimum wellness activity required, by August 31 each year in order to qualify for the \$50 monthly wellness premium waiver:

Participation in one of the following Health Coaching activities is required only if you and/or your covered spouse is identified as a candidate for these programs and receive an invitation letter from ActiveHealth:

- ◆ Wellness Coaching (available online, telephonic, or onsite)
- ◆ Condition Management Coaching (available online, telephonic, or onsite)
- ◆ Enhanced Condition Management Coaching (requires 4 health coaching phone calls with an ActiveHealth nurse)

Wellness Screenings

All PEEHIP members are eligible to receive one FREE annual wellness screening by the ADPH nurses at various sites during the year, with the yearly restart date of August 1 to coincide with the restart of each school year. Visit the ADPH online screening calendar at www.adph.org/worsitewellness to learn when and where screenings will be offered at your workplace or in your area. Members will be required to show their PEEHIP ID card at the screening.

Wellness Screenings will measure biometric values including:

- ◆ Blood pressure
- ◆ Height, weight, and body mass index (BMI)
- ◆ Total cholesterol (HDL and LDL)
- ◆ Triglycerides
- ◆ Blood glucose

No copay is required if an ADPH wellness coach gives the member and/or covered spouse an Office Visit Referral form to take to a physician's office to follow up with the abnormal results or risk factors identified during the screening process. The *no copay* referral is only good for 60 days from the screening date. Please ask the physician's office to use the modifier code shown on the Office Visit Referral form to avoid the copay charge. Office Visit Referral forms are not required to be completed, but are a further health benefit for PEEHIP members.

Healthcare Provider Screenings

If you are required to participate in *Team Up for Health* and prefer for your primary care physician to do your screening, you will need to have your doctor complete the HEALTHCARE PROVIDER SCREENING FORM which is located on the PEEHIP website at www.rsa-al.gov/index.php/members/peehip/pubs-forms/. Your **doctor's office** must complete and fax or mail the form to ADPH. Under the Affordable Care Act (ACA) as part of the federal healthcare reform laws, *no copay* is required for one preventive routine office visit **per calendar year** obtained through your in-network healthcare provider. Wellness screenings obtained at a primary care physician's office are normally classified as a routine office visit, and the routine lab tests for total cholesterol, triglycerides and blood glucose are covered **once per calendar year** at no copay through an in-network lab. You will be responsible for the cost of other elected routine lab tests that are not a covered benefit under PEEHIP, and that are not necessary to complete the PEEHIP screening form. **You will also be responsible for office visit claims that are denied due to multiple routine office visits filed in one calendar year.** Remember, in order to complete your wellness screening requirement, only one wellness screening is required per year by each August 31.

Wellness Coaching

Wellness Coaching, available through ActiveHealth, connects members with registered dietitians, nutritionists, exercise physiologists, or other licensed counselors who can help members to build a plan for achieving healthier lifestyles. Want to eat healthier? Lose weight? Stop smoking? The coaching process offers numerous resources and services to help you maintain or improve upon a healthy lifestyle.

Condition Management

PEEHIP's Condition Management program is provided by ActiveHealth for members required to participate in *Team Up for Health*. The Condition Management program focuses on five chronic illnesses and the reduction of future complications associated with these conditions: asthma, diabetes, coronary artery disease, congestive heart failure and chronic obstructive pulmonary disease (COPD). ActiveHealth connects you with a licensed nurse to work with you one on one to help manage these long term conditions. You are required to participate in Condition Management only if you receive an invitation letter from ActiveHealth.

Condition Management for children and adult child dependents covered by PEEHIP's Hospital Medical Plan Group #14000 is provided by Blue Cross Blue Shield of Alabama.

Enhanced Condition Management

Some PEEHIP members will be identified as candidates for a higher level of personalized health coaching care from a licensed ActiveHealth nurse. These members will be invited to complete an enhanced Condition Management program which requires completing 4 telephonic health coaching calls before the August 31 deadline. These members with a specific 4 coaching call requirement will be notified of their specific requirement by mail in October each year and their dedicated nurse coach will work with them to develop a call schedule that is most convenient and helpful for them.

By attending one of these one-hour or less coaching sessions, PEEHIP participants will be given credit for their coaching requirement. These sessions will be held on demand at locations all over the state so ask your school's insurance coordinator about requesting a coaching session in your area! Non-Tobacco User Discount

All PEEHIP members and covered spouses enrolled in the PEEHIP Hospital Medical Plan or VIVA Health Plan are each charged a \$50 per month tobacco premium. The tobacco premium does not apply to the PEEHIP Optional Coverage Plans or the PEEHIP Supplemental Medical Plan. **Members who do not use tobacco or electronic smoking devices** can have the \$50 premium waived by certifying under penalty of perjury that they and/or their covered spouse have not used tobacco products or electronic smoking devices within the last 12 consecutive months. Members are required to re-certify

tobacco usage status for themselves and/or their covered spouses if there is a tobacco status change during the year, when members make changes to their coverage, and at the time of the wellness screening. Members can certify their non-tobacco use either online through Member Online Services (MOS) at <https://mso.rsa-al.gov> or by submitting a completed NEW ENROLLMENT AND STATUS CHANGE form.

Non-tobacco user discounts are part of our automated premium invoice generation. These discounts are prospectively applied to member accounts effective the first day of the second month after PEEHIP receives certification that a member and/or covered spouse has been a non-tobacco user for the previous consecutive 12 months.

If you do not qualify for the non-tobacco user discount due to your tobacco use within the past 12 months, eligibility for the discount can be obtained via completion of one of PEEHIP's tobacco cessation programs. However, removal of the tobacco premium is not automatic upon completion of the program. By completing all necessary steps according to PEEHIP's policy and procedure, you may become eligible to receive the discount for either the entire plan year or prospectively from the time you complete the program through the end of the plan year.

To seek the premium discount from the beginning of the plan year, you must first complete PEEHIP's COMMITMENT TO PARTICIPATE IN TOBACCO CESSATION form and return it to the PEEHIP office by October 31. This form must be completed and sent to PEEHIP with a post-marked date of no later than October 31. This form can be downloaded from our website at www.rsa-al.gov/index.php/members/peehip/peehip-forms/. Upon receipt of this form, PEEHIP will notate that you are in pending status for a tobacco cessation program.

If you complete the cessation program before the end of the plan year, you must send your completion certificate to PEEHIP along with a signed letter requesting to have your tobacco premium removed based on your completion of the tobacco cessation program. The completion certificate and written request must have a postmarked date prior to the end of the plan year. If PEEHIP receives all of the required documentation by the time periods previously specified, you will be eligible to receive reimbursement of the tobacco premiums you paid since the beginning of the plan year. You will also receive a prospective tobacco premium discount through the end of the plan year.

If you do not send a COMMITMENT TO PARTICIPATE IN TOBACCO CESSATION form to PEEHIP by October 31, you will not be eligible to receive the tobacco premium discount for the entire plan year. If you proceed to complete the tobacco cessation program prior to the end of the plan year, you will only be eligible to receive the premium discount prospectively from the time PEEHIP receives your tobacco cessation completion certificate and signed written request to have your tobacco premium removed. Your discount will expire at the end of the plan year.

Additionally, a physician may recommend an alternative method for members and/or covered spouses to qualify for the tobacco premium discount if they are medically unable to stop using tobacco products for 12 consecutive months and/or participate in the tobacco cessation program.

Members and/or covered spouses who receive the discount by means of completing the PEEHIP tobacco cessation program are required to complete the program again each plan year in order to continue receiving their discount, if they continue to use tobacco products. For members who utilize the tobacco cessation program and then become non-tobacco users for 12 months, the premium discount will be applied and no further cessation program participation will be required if their status remains tobacco free. If you would like to receive more information about the tobacco cessation program, you can contact the PEEHIP Wellness Coordinator toll free at 877. 517.0020.

New employees who enroll in the PEEHIP Hospital Medical Plan or VIVA Health Plan must certify their tobacco status (and their spouse's tobacco status, if covered as a dependent) by answering the tobacco questions through Member Online Services (MOS) at the time of enrollment.

Premium Rates

(Active, Leave of Absence, and COBRA Members)

October 1, 2018 – September 30, 2019

The following insurance premiums are the base rates set by the PEEHIP Board. **Base rates are before the wellness and tobacco premiums are applied, if applicable.**

Insurance premiums are calculated by PEEHIP, not by the employer. If a payroll deduction is in question, members should contact PEEHIP rather than their employer. Premiums are paid with pre-tax dollars and are excludable from federal and state income taxes under Sections 105(b) or 106 of the Internal Revenue Code for active employees. PEEHIP premiums are deducted in the month prior to the month of coverage (e.g., the premium for October's insurance coverage is deducted in September). Flexible Spending Account contributions are deducted in the current month (e.g., the contribution for October is deducted in October).

- ◆ Premiums and/or FSA contributions not payroll deducted at the proper time can be deducted from your next available paycheck.
- ◆ Those who do not receive a check large enough to cover the amount of their total premium shall submit their monthly premium payment directly to PEEHIP (i.e. new employee who has not begun receiving a paycheck, members on Leave of Absence (LOA) or COBRA.)
- ◆ Failure to pay premiums timely will result in a cancellation of coverage if you are **not actively employed** by a PEEHIP employer or your account will be placed on **claim hold** if you are actively employed with a PEEHIP employer.

How to Reapply

Please remember that discounts granted from the Premium Assistance Program are only effective until September 30 of each year. The premium discount does not renew each year. In order to continue a premium discount past September 30, a new PREMIUM ASSISTANCE APPLICATION must be submitted and

approved by PEEHIP. Any premium discount granted to you will only apply to your Hospital Medical premium. No discounts are granted to Optional Coverage Plan premiums, nor to the wellness premium or tobacco premium. Premium Assistance is only available for active and retired members, and it is not available to members on a Leave of Absence, COBRA, or surviving dependent contract. **See below for more about when to re-apply.**

Applications sent during Open Enrollment: To receive an October 1 effective date of discount, applications must be received and approved during PEEHIP's Open Enrollment (July 1 – August 31). If your discount is approved during Open Enrollment, your discount will be effective for the entire new plan year beginning October 1 through September 30.

Applications sent outside of Open Enrollment: If you are granted a discount from an application received and approved outside of Open Enrollment, your discount will not be made effective until the first day of the second month after receipt and approval of your application. Any discount granted from your application will then remain in effect until the following September 30.

Premium Assistance Law

Section 16-25A-17.1, Code of Alabama 1975

The annual income of an employee or retiree shall be aggregated with the annual income of the spouse of such employee or retiree and shall include all sources of income including, but not limited to, wages, pension benefits, and Social Security benefits, that may be included in gross income for purposes of federal income taxation. Applicants must submit with their application a copy of their federal tax return and, if the applicant did not file a joint return with his or her spouse, a copy of the spouse's federal tax return. Any reduction in an employee's or retiree's contribution pursuant to this section shall not be considered income of the employee or retiree for purposes of determining Medicaid eligibility for such employee or retiree.

Flexible Spending Accounts (FSA)

(Active Members Only)

PEEHIP Flexible Spending Accounts (FSA) are available to all actively employed members of PEEHIP. A Flexible Spending Account is a tax-advantage plan that allows members to set aside a portion of their earnings to pay for eligible medical and day care expenses through monthly payroll deduction on a pretax basis. HealthEquity, through partnership with Blue Cross Blue Shield of Alabama, will process the PEEHIP flex claims and reimbursements and handle all FSA customer service issues.

The PEEHIP Flexible Benefits Plan consists of the following three programs:

1. **Premium Conversion Plan** requires all active members to pay premiums for PEEHIP using pre-tax dollars. This plan is strictly a function of the payroll system in which the member does not have to pay federal and state of Alabama income taxes on their health insurance premium.
2. **Dependent Care Reimbursement Account (DCRA)** allows active members to set aside up to a maximum of \$5,000 in pre-tax contributions each year to pay for dependent day care expenses so the member (and spouse, if married) can work outside of the home or attend school full time. If the member and spouse file separate tax returns, the maximum contribution amount for each is \$2,500. The minimum annual election to participate in this plan is \$120.
3. **Healthcare Flexible Spending Account (Health FSA)** allows active members to set aside up to a maximum of **\$2,650** of pre-tax contributions each year to pay for eligible healthcare expenses incurred by them and their dependents. The minimum annual election to participate in this plan is \$120.

Listed below are some of the eligible expenses that can be paid from your Flexible Spending Accounts for you and your dependents as defined by IRS Section 152:

Dependent Care Reimbursement Account:

- ◆ Licensed nursery school and day care facilities for children
- ◆ Child care in or outside the home
- ◆ Summer day camp
- ◆ Day care for elderly or disabled dependents

Healthcare Flexible Spending Account:

- ◆ Physician office copayments
- ◆ Prescription drug copayments
- ◆ Lab fees
- ◆ Dental copayments
- ◆ Orthodontia
- ◆ Deductibles
- ◆ Vision care including Lasik and Prelex surgery
- ◆ Hearing care
- ◆ OTC medications (only with a prescription)
- ◆ Chiropractors
- ◆ Medical equipment, such as blood pressure/glucose monitors, and CPAP devices

More information is available at www.rsa-al.gov and www.healthequity.com/peehip.

Flex Enrollment and Cancellation

The Open Enrollment period for the Flexible Spending Accounts begins July 1 and extends through September 30. Accounts become effective at the start of the plan year on October 1. **Participation in the PEEHIP Flexible Spending Accounts program automatically cancels at the end of the plan year.** Members must re-enroll every year to continue participation. Members can enroll online at <https://mso.rsa-al.gov> or complete a FLEXIBLE SPENDING ACCOUNT ENROLLMENT APPLICATION. Enrollment in a PEEHIP Hospital Medical Plan or an Optional Coverage Plan is not required to participate in the PEEHIP Health FSA or DCRA plan.

New employees are allowed to enroll in the Flexible Spending Accounts within 30 days of their date of hire. Members who are currently enrolled in another FSA through their employer are allowed to enroll in the PEEHIP Flexible Spending Accounts at the end of their employer's plan year. Members who enroll in the PEEHIP FSA while also enrolled in another FSA should be mindful not to exceed the IRS yearly allowable maximum amount per taxpayer.

All Flexible Spending Accounts cancel at the end of the plan year on September 30. Early cancellation or change in the elected amount before the end of the plan year is only permitted when a member has experienced a Qualifying Life Event (QLE). A FLEXIBLE SPENDING ACCOUNT STATUS CHANGE form must be submitted within 45 days of the QLE. If the member terminates employment or retires before the end of the plan year, the Flexible Spending Account will cancel the first day of the following month or when the member has exhausted their employer paid insurance contributions. Any unused funds will remain in the account and will be forfeited by the member.

Elected Amount and Reimbursement

The member can only be reimbursed for eligible expenses outlined in the plan. Refunds are not permitted. Funds assigned to one account cannot be transferred to the other account under any circumstances. Therefore, members should carefully plan the annual amount they elect to contribute to each Flexible Spending Account. A Tax Savings Calculator is available at www.rsa-al.gov and www.healthequity.com/peehip to assist in determining the contribution amount. The annual contribution amount selected is divided equally based on the number of remaining months in the plan year to determine the monthly contribution amount. Active members enrolling during Open Enrollment will have their annual amount divided by 12. Funds for reimbursement from the DCRA become available only after contributions have been withheld from the member's paycheck. Health FSA funds are available for reimbursement, up to the annual amount elected, as of the first effective day of the plan.

Flex Debit Card: All Health FSA enrollees will be issued a Flex Debit Visa Card to pay for qualified medical, prescription drug, dental, and vision copays, and eligible healthcare expenses not covered by insurance. Members must save a copy of all receipts, invoices, and other documentation received in connection with using this card to provide to HealthEquity for substantiation, if requested. Failure to provide substantiation documentation upon request will result in card privileges being suspended, and a Refund Request Notice will be sent to you asking for you to repay the amount of the unsubstantiated charges. Use of this card for Health FSA expenses is encouraged but not required. Enrollees choosing not to use this card for Health FSA expenses may request a reimbursement using the Manual Reimbursement method. This card cannot be used for DCRA expenses.

Manual Reimbursement: This method is available for the DCRA and Health FSA. The member must submit a REIMBURSEMENT form along with an itemized receipt indicating the charges that were incurred. The request may be submitted through the HealthEquity member portal or by completing a FSA or DCRA REIMBURSEMENT form. Recurring orthodontics and DCRA claims can be scheduled for the duration of the plan year.

Traditional Bump Reimbursement: Effective October 1, 2018, this method of reimbursement is no longer available due to the addition of the debit card.

Members should be sure to keep a copy of all receipts in the event additional information is needed to substantiate a reimbursement regardless of the reimbursement method selected.

Timely Filing Period Deadline/Funds Roll-Over

The Flexible Spending Account plan year ends September 30. Members have until January 15 to submit a REIMBURSEMENT form along with receipts for eligible expenses that were incurred during the plan year (October through September). No reimbursement will be allowed for funds remaining in the DCRA or Health FSA after the deadline of January 15. Remaining funds cannot be refunded and will be forfeited.

\$500 Carryover Provision (Applicable to Health FSA Only)

In accordance with IRS Notice 2013-71, PEEHIP allows members up to \$500 of unused funds remaining in a Health FSA after the timely filing period to be carried over and used for eligible Health FSA expenses in the following plan year. The carry over funds do not affect the annual maximum contribution amount. The Carryover Provision will apply to all plan participants that are still in active status at the beginning of the following plan year. Any funds remaining in the Health FSA, after the timely filing period has ended, in excess of \$500 will be forfeited. Members will have until the end of the new plan year to use the carry over funds on qualifying medical expenses. If a member terminates employment before the end of the play year, carryover funds will be lost. Carryover funds may not be available for use until 30 days after the timely filing period has ended.

Retired Members

Retired members are not eligible to participate in the Flexible Spending Accounts due to the fact that their premiums are not pre-taxed.

For a complete summary of the PEEHIP Flexible Spending Account Plan, please visit www.rsa-al.gov.

Leave of Absence (LOA) & Family Medical Leave Act (FMLA)

Leave of Absence (LOA)

The beginning date of the leave of absence should be the date any accrued leave is exhausted (sick leave, donated leave, annual leave, or personal days).

The employer must enter the leave of absence status and beginning date in the Employer Portal when an employee is granted an official leave of absence. Upon return to work, employees who paid for their insurance while on an authorized leave of absence cannot pick up new insurance coverage that they did not have while on leave. (See [Exception](#))

Employees who do not pay for their insurance while on an official leave of absence or have a break in coverage can enroll as new employees within 30 days and choose the effective date of the day they return to work, the first day of the month after they return to work, or can enroll during Open Enrollment for an October 1 effective date.

PEEHIP must receive an online enrollment request before the member can be enrolled.

Employees who continue insurance coverage while on leave must wait until the Open Enrollment period to make insurance changes for an October 1 effective date.

Exception: Employees enrolled in one or more Optional Coverage Plan while on leave of absence can add the remaining Optional Coverage Plans when he or she returns to work and becomes eligible for a full employer contribution. However, employees enrolled in one or more Optional Coverage Plan while on leave cannot enroll in a Hospital Medical Plan until Open Enrollment.

When the employee returns to work, the employer must update the Employer Portal and enter the hire status as the date the leave of absence terminated.

Family and Medical Leave Act (FMLA)

The Family and Medical Leave Act of 1993 requires employers to continue health benefits to employees taking FMLA Leave.

Eligibility

Employees are eligible for leave under FMLA if they have worked 1,250 hours over the prior 12 months and if they have worked for a covered employer for at least one year. (Although bus drivers are classified as full-time, normally they do not work 1,250 hours.)

Conditions

- ◆ Leave earned under FMLA is for a maximum of 12 weeks not 3 months.
- ◆ Employees must provide a 30-day notice for foreseeable leave. Leave under FMLA cannot be granted retroactively.
- ◆ Leave granted under FMLA cannot and should not be applied to the summer months for 9-month employees or during any time that the employee is not required to be at work. FMLA should begin when an employee is required to be at work.
- ◆ Employees on FMLA do accrue extra months of coverage while on leave under FMLA; the 3-1 Rule does apply while an employee is on FMLA. If extra months of coverage are earned for the summer months, the months should be applied to the end of the 12 weeks that were granted under FMLA.
- ◆ An employee cannot earn extra months of coverage under FMLA if he or she is retiring or not returning to work unless the reason for not returning to work is a serious health condition or circumstance beyond the control of the employee.
- ◆ The school system will collect premiums while the employee is on leave under FMLA and should collect premiums for any extra months earned under the 3-1 Rule.
- ◆ Employers must enter the FMLA status and beginning date in the Employer Portal when an employee is granted FMLA.
- ◆ Employers must enter the new status and FMLA ending date in the Employer Portal when the FMLA benefit ends.

COBRA

The Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA) requires PEEHIP and most other group health plans to offer employees and their families who lose their health plan benefits the opportunity for a temporary extension of health coverage. The continuation of coverage is offered at group rates in certain instances where coverage under PEEHIP would otherwise end.

All public education employees of the state of Alabama who are covered under the PEEHIP group health insurance have the right to choose continuation of coverage if the employee loses group health coverage due to a reduction in hours of employment or because of a resignation or termination of employment (for reasons other than gross misconduct on the part of the employee).

Each public education institution has the responsibility by law to notify the PEEHIP office immediately when an employee loses group health coverage due to the employee's:

- ◆ Death,
- ◆ Termination of employment, or
- ◆ Reduction in hours.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally does not accept late enrollees. For more information on the plans offered through the Marketplace, go to www.healthcare.gov or call 800.318.2596.

An individual who elects COBRA coverage will be eligible for Marketplace coverage during the annual Marketplace Open Enrollment upon experiencing an event that creates another Marketplace special enrollment opportunity, such as marriage or the birth of a child, or upon exhausting COBRA coverage. **In the absence of another special enrollment event, an individual who terminates COBRA coverage before the end of the maximum COBRA period will have to wait until Open Enrollment to enroll in Marketplace coverage. An individual who enrolls in Marketplace coverage relinquishes his or her COBRA rights.**

COBRA Compliance and PEEHIP Notification

The sanctions imposed under the auspices of COBRA can be quite severe, making a determination of compliance greatly important. It is the employer's responsibility to notify PEEHIP within a maximum of 30 days of an employee's termination, death or reduction in hours. The employer must notify the PEEHIP office by entering a termination date in the Employer Portal before the next payroll cycle. Employers must key the termination date in the Employer Portal for each employee who loses insurance coverage due to termination, resignation of employment, reduction in hours, or for an employee who does not earn the employer contribution, even if the employee does not want to continue the coverage.

Employers are subject to a penalty of \$100 per day for every day that they are past the 30-day notification deadline. It is the employee's or dependent's responsibility to notify PEEHIP within a maximum of 60 days when the **dependent** needs continuation coverage under COBRA.

Termination for Gross Misconduct

If an employer terminates an employee for gross misconduct, PEEHIP is not required to provide continuation of coverage under the provisions of COBRA. However, the employer must still notify the PEEHIP office of the termination by entering the termination information via the Employer Portal.

COBRA Eligibility

Under COBRA, the employee, ex-spouse, or dependent family member has the responsibility to inform PEEHIP within 60 days of a divorce, legal separation, or a child losing dependent status under the Plan and must obtain a CONTINUATION OF COVERAGE application form. PEEHIP may be notified by phone or in writing.

Authorized Leave of Absence

A member who goes on an authorized leave of absence without pay can continue group health coverage for up to two years of authorized leave before he or she would be required to enroll in continuation of coverage under the COBRA provisions. A member on an approved leave of absence can continue the health insurance coverage for two years and then can continue the health insurance coverage for an additional 18 months under the COBRA provisions.

A dependent's coverage ends on the last day of the month in which the dependent becomes ineligible by turning age 26, by divorce, or legal separation.

When PEEHIP is notified of a qualifying event, PEEHIP will in turn notify the eligible member that he or she has the right to choose continuation of coverage. **It is important to note that the eligible member has 60 days from the date he or she would lose coverage because of one of the qualifying events to inform PEEHIP that he or she wants continuation of coverage.**

If the eligible member does not choose continuation of coverage, his or her PEEHIP group health insurance coverage will end the last day of the month in which the member becomes ineligible.

If a member and/or dependent become entitled to Medicare after electing COBRA coverage, he or she is no longer eligible to continue the COBRA coverage. However, dependents on the contract will be allowed to continue COBRA coverage up to a total of 36 months from the date of the original qualifying event.

Continuation of Coverage

If the eligible member chooses continuation of coverage, PEEHIP is required to give the member coverage which, as of the time coverage is being provided, is identical to the coverage provided under the Plan to similarly situated employees or family members and is the same coverage he or she had prior to the qualifying event. If you are entitled to Medicare before you become a qualified beneficiary, you may elect COBRA continuation coverage; your Medicare coverage will be primary and your COBRA continuation coverage will be secondary. You must have both Medicare Parts A and B to have full coverage.

COBRA requires that the eligible member be afforded the opportunity to maintain continuation of coverage for 18 months due to a termination of employment or reduction in hours. COBRA requires that eligible dependents who become eligible for COBRA for reasons such as aging out or divorce be afforded an opportunity to maintain coverage for 36 months.

COBRA members have the same rights, such as adding a newborn child or a new spouse within 45 days of the date of birth or marriage, as other employed or retired members.

COBRA also provides that a member's continuation of coverage may be cut short for any of the following five reasons:

1. PEEHIP no longer provides group health coverage to any of its employees.
2. The premium for continuation of coverage is not paid by the member when payment is due or the premium payment is insufficient.
3. The member becomes covered under another group health plan which does not contain any exclusions or limitations with respect to any pre-existing condition.
4. The member or dependent becomes entitled to Medicare after COBRA benefits begin.
5. The member becomes divorced from a covered employee and subsequently remarries and is covered under the new spouse's group health plan, which does not contain any exclusions or limitations with respect to pre-existing conditions.

An eligible member does not have to show that he or she is insurable to choose continuation of coverage. However, under COBRA, he or she is required to pay the full COBRA monthly premium for continuation of coverage.

If a member who is on COBRA dies before the 18 months have lapsed and the member's family is covered under COBRA, the eligible covered family members can continue the COBRA coverage up to a total of 36 months from the date of the original qualifying event.

Employees who terminate and have a break in coverage and/or continue coverage through COBRA have 30 days from the date they return to work to enroll in coverage effective their date of hire (date returned to work) or first of the month following the date they return to work. Otherwise, they can enroll during Open Enrollment for an October 1 effective date of coverage. PEEHIP must receive an online enrollment request.

Dependent Coverage

A spouse of an employee covered by PEEHIP has the right to choose continuation of coverage if the spouse loses group health coverage under the Plan for any of the following reasons:

- ◆ Death of the employee
- ◆ Termination of the employee's employment (for reasons other than gross misconduct) or reduction in the employee's hours of employment
- ◆ Divorce or legal separation
- ◆ Employee's eligibility for Medicare

In the case of a dependent child of an employee covered by PEEHIP, he or she has the right to continuation of coverage if group health coverage under the Plan is lost for any of the following reasons:

- ◆ Death of a parent
- ◆ Termination of a parent's employment (for reasons other than gross misconduct) or reduction in a parent's hours of employment with the employer
- ◆ Parents' divorce or legal separation
- ◆ Parent becomes eligible for Medicare
- ◆ Dependent ceases to be an eligible child under the Plan

Members on COBRA Who Return to Work

When a member who is enrolled in PEEHIP under COBRA returns to work for a PEEHIP participating employer and wishes to enroll in new coverage, the member must complete a new enrollment request via Member Online Services (MOS) within 30 days from their hire date. The member may not drop existing coverage until the Open Enrollment period.

Exception: Employees enrolled in one or more Optional Coverage Plans while on COBRA can add the remaining Optional Coverage Plans when he or she becomes eligible for a full employer contribution. Employees enrolled in one or more Optional Coverage Plans while on COBRA cannot enroll in a Hospital Medical Plan until Open Enrollment.

COBRA Extension for Covered Members Who Have Become Disabled

In certain circumstances, COBRA can be extended for covered members who become disabled. If a covered member becomes disabled under Title 11 (OASDI) or Title XVI (SSI) of the Social Security Act during the first 60 days after the employee's termination of employment or reduction in hours, the 18-month period may be extended to 29 months on the date the disabled individual becomes covered by Medicare, whichever occurs sooner. This 29-month period also applies to any non-disabled family members who are receiving COBRA coverages, regardless of whether the disabled individual elects the 29-month period for him or herself.

In order for this disability extension to apply, you must notify the PEEHIP office of Social Security's determination within 60 days after the date of the determination and before the expiration of the 18-month period. You must also notify PEEHIP within 30 days of any revocation of Social Security disability benefits.

The cost for COBRA coverage after the 18th month will be 150% of the full COBRA cost of coverage under the plan, assuming that the disabled individual elects to be covered under the disability extension. If the only persons who elect the disability extension are non-disabled family members, the cost of coverage will remain at 102% of the full cost of coverage.

For spouses and children, the disability extension may be further extended to 36 months if another qualifying event (death, divorce, enrollment in Medicare, or loss of dependent status) occurs during the 29-month period. The 36-month period will run from the original date of the termination of employment or reduction in hours.

For the disability extension of COBRA coverage to apply, you must give the PEEHIP office timely notice of the Social Security Administration's disability determination before the end of the 18-month period of COBRA coverage and within 60 days after the later of (1) the date of the initial qualifying event, (2) the date on which coverage would be lost because of the initial qualifying event, or (3) the date of Social Security's determination. The member or another person on his or her behalf must also notify PEEHIP within 30 days of any revocation of Social Security disability benefits.

Provision for Medicare-Eligible Active Members

PEEHIP is required by the Age Discrimination in Employment Act, as amended by the Tax Equity and Fiscal Responsibility Act of 1982, to offer its active employees over age 65 coverage under its group health plan under the same condition as any employees under age 65. As a result of an accompanying amendment to the Social Security Act, Medicare is secondary to benefits payable under an employer-sponsored health insurance plan for employees over age 65 and their spouses over age 65. If the service is also covered by Medicare, the claim can be submitted to Medicare which may pay all or a portion of the unpaid balance of the claim subject to Medicare limitations.

As a result of these changes, PEEHIP does not provide an active member or his or her spouse with benefits which supplement Medicare. The member has the right to elect coverage under PEEHIP on the same basis as any other employee.

If an active employee chooses to be covered under PEEHIP, the plan will be the primary payer for those items and services covered by Medicare. (Note that Medicare covers hospitalization, post-hospital nursing home care, and home health services.) This means that the plan will pay the covered claims and those of the active employee's Medicare-eligible spouse first, up to the limits contained in the plan, and Medicare may pay all or a portion of the unpaid balance of the claims, if any, subject to Medicare limitations. If the active employee's spouse is not eligible for Medicare and has no other coverage, the plan will be the sole source of payment for the spouse's claims. Since PEEHIP also covers items and services not covered by Medicare, PEEHIP will be the sole source of payment of medical claims for these services.

Because of the cost of Medicare Part B, an active employee age 65 or older may decide to defer enrolling for Part B until he or she actually reaches retirement, at which point Medicare will become the primary payer and the retired member must enroll in Medicare Part B effective the date of retirement to have coverage with PEEHIP. However, a member and his or her Medicare-eligible spouse can enroll in Medicare Part B only during certain times allowed by Medicare. **Medicare-eligible members must contact their local Social Security office at least two months prior to retiring to enroll in both Medicare Part A and Part B so that the Medicare Part A and Part B coverage is effective no later than the date of retirement of the policyholder.**

The Social Security Administration handles Medicare enrollments. Therefore, if you have questions about when to enroll in Medicare Part B, you should contact the Social Security Administration at 800.772.1213. A Medicare-eligible retiree and/or spouse must have both Medicare Part A and Part B to have coverage with PEEHIP. **If you do not have both Medicare Part A and Part B, you will not be eligible for PEEHIP's Medicare Advantage plan and you will not have Hospital Medical or prescription drug coverage with PEEHIP.**

Working after Medicare-Eligible

If you continue to be actively employed when you are age 65 and are insured on a PEEHIP active contract, you and your spouse will continue to be covered for the same benefits available to employees under age 65. In this case, your PEEHIP plan will pay all eligible expenses first. If you are enrolled in Medicare, Medicare will pay for Medicare-eligible expenses, if any, not paid by the group benefits plan.

If both you and your spouse are over age 65, you may elect to withdraw completely from the PEEHIP plan and purchase a Medicare Supplement contract. This means that you will have no benefits under the PEEHIP plan. In addition, the employer is prohibited by law from purchasing your Medicare Supplement contract for you or reimbursing you for any portion of the cost of the contract.

Medicare rules require a Medicare-eligible, active PEEHIP member covered as a dependent on his or her spouse's PEEHIP **retired** contract to have Medicare as the primary payer. **In this scenario, the active, Medicare-eligible dependent must have both Medicare Part A and Part B coverage.**

If the active member referenced above does not want Medicare as his or her primary payer and does not want to enroll in Medicare Part B until retirement, he or she will have to enroll in a PEEHIP active contract as the subscriber and will not be able to remain on the contract as a dependent with the retired PEEHIP eligible spouse. Most of the time, in this situation, active members must wait until the next Open Enrollment period to enroll as a subscriber in their own PEEHIP medical plan. When the active Medicare-eligible member retires, **he or she must enroll in both Medicare Part A and Part B to have coverage with PEEHIP.** The effective date of both Medicare Part A and Part B must be effective no later than the date of retirement to avoid a lapse in coverage.

Other Medicare Rules

Disabled Individuals: If you or your spouse are eligible for Medicare due to disability and also covered under the plan by virtue of your current employment status with the employer, the plan will be primary and Medicare will be secondary. **If you are retired, you must be enrolled in both Medicare Part A and Part B to be eligible for PEEHIP's Medicare Advantage Plan. If you do not have Medicare Part A and Part B, you will not have Hospital Medical or prescription drug coverage with PEEHIP.**

End-Stage Renal Disease: If you are eligible for Medicare as a result of End-Stage Renal Disease (permanent kidney failure), the plan will generally be primary and Medicare will be secondary for the first 30 months of your Medicare eligibility. Thereafter, Medicare will become primary.

If you have any questions about coordination of coverage with Medicare, please contact PEEHIP for further information. PEEHIP members who retired on disability after September 30, 2005, but are also eligible for service retirement are subject to the Sliding Scale for PEEHIP premiums.

Health Insurance Policies for Retired Members

A **retired member** is any person receiving a monthly benefit from the Teachers' Retirement System who at the time of his or her retirement was employed by a public institution of education within the State of Alabama which provided instruction at any combination of grades K through 14, exclusively, under the auspices of the State Board of Education or pursuant to Section 16-25A-11. Any person receiving a monthly benefit from the Teachers' Retirement System who at the time of his or her retirement was employed by a state-supported postsecondary institution and any person receiving a monthly benefit from the Employees' Retirement System whose retirement under the Employees' Retirement System was from a local board of education or a state-supported postsecondary institution who participated pursuant to Section 36-27-6.

Form 10 – Application for Retirement

In order to file for retirement benefits, a member must complete a FORM 10 - APPLICATION FOR RETIREMENT. The law provides that an application for retirement must be filed with the Teachers' Retirement System Board of Control no less than thirty (30) days or more than ninety (90) days before the first of the month in which retirement is to be effective.

The member must complete the PEEHIP INSURANCE AUTHORIZATION section on the back of Form 10 to authorize continuation of or cancellation from PEEHIP coverage. However, this section cannot be used as a PEEHIP enrollment form.

If a member is enrolled in the PEEHIP Hospital Medical Plan and one or more Optional Coverage Plan, he or she cannot drop the Optional Coverage Plan(s) until the Open Enrollment period.

Retired members are eligible for two (2) of the Optional Coverage Plans without a payroll deduction if not enrolled in any other PEEHIP coverage. The member must indicate which Optional Coverage Plan(s) he or she wants to keep on his or her date of retirement.

A Member Retiring from a Non-Participating System

A member who retires from a non-participating system is eligible to enroll in the PEEHIP Hospital Medical Plan or the PEEHIP Supplemental Medical Plan on the date of retirement. If the member did not have a Hospital Medical Plan with his or her school system, or only had individual coverage, he or she can only enroll in individual coverage on the date of retirement and must wait until the Open Enrollment period to add family coverage. The school system must certify if the member had a Hospital Medical Plan and whether the plan was for individual or family coverage.

Vested Members Not Currently Enrolled

A retiring employee who has had a break in his or her employment and retires outside of the Open Enrollment period (vested retiree) can only enroll in the PEEHIP Hospital Medical Plan or PEEHIP Supplemental Plan and not the Optional Coverage Plans on his or her date of retirement.

A vested retiring employee can wait to enroll in the PEEHIP Hospital Medical Plan during Open Enrollment and can enroll in the Optional Coverage Plans for an effective date of October 1.

A Member Retiring from a Participating System

If a member retires from a participating system and was enrolled in the four Optional Coverage Plans on his or her date of retirement, the member can continue coverage under all four Optional Coverage Plans or can reduce coverage to two plans on his or her date of retirement. The member cannot reduce to three Optional Coverage Plans outside of Open Enrollment.

If a member is enrolled in the PEEHIP Hospital Medical Plan and one or more Optional Coverage Plans, he or she cannot drop the Optional Coverage Plan(s) until the Open Enrollment period. **Also, a member cannot add Optional Coverage Plans on the date of retirement.** Retired members are eligible for two of the Optional Coverage Plans without a payroll deduction if not enrolled in any other PEEHIP coverage.

A member who is retiring from a participating system and is only enrolled in the Optional Coverage Plans on the date of retirement cannot add the Hospital Medical Plan until the Open Enrollment period.

Example 1:

Mr. Smith retired from Jefferson County school system on January 1. Mr. Smith was enrolled in the four individual Optional Coverage Plans on his date of retirement. Mr. Smith can drop two of the Optional Coverage Plans on January 1, or Mr. Smith can retain all four Optional Coverage Plans and pay the applicable premium for the Optional Coverage Plans. Mr. Smith cannot add the PEEHIP Hospital Medical Plan nor is he allowed to drop only one Optional Coverage Plan until the Open Enrollment period.

Example 2:

Mrs. Scott retired from the University of Alabama (a non-participating system) on January 1. Mrs. Scott was enrolled in the Blue Cross and Blue Shield Health Insurance Plan with the University of Alabama. Therefore, Mrs. Scott can enroll in the PEEHIP plan on January 1. If Mrs. Scott was enrolled in the family Blue Cross and Blue Shield plan with the University of Alabama, Mrs. Scott could add her dependents. However, if Mrs. Scott only had the individual Blue Cross plan, Mrs. Scott could not enroll her family in the PEEHIP plan until the Open Enrollment period.

Example 3:

When Mrs. Sellers was age 55, she terminated her employment with Auburn University with 11 years of service. When she turned age 60, she began drawing a retirement check and became eligible for the PEEHIP Hospital Medical Plan. Mrs. Sellers is eligible to enroll in the PEEHIP Hospital Medical Plan or PEEHIP Supplemental Medical Plan effective the date of her retirement or she could wait until the Open Enrollment period. Mrs. Sellers must wait until the Open Enrollment period to enroll in any of the PEEHIP Optional Coverage Plans.

A Medicare-Eligible Retiree and Medicare-Eligible Dependent

If you and/or your dependent(s) are Medicare eligible due to disability or age, you and/or your dependent(s) are **required** to be enrolled in both Medicare Part A and Part B effective on your date of retirement to be eligible for PEEHIP's Group Medicare Advantage (PPO) plan. If you and/or your dependent(s) are not enrolled in both Medicare Part A and Part B on your date of retirement, you and/or your dependent(s) will not be eligible for PEEHIP's Group Medicare Advantage (PPO) Plan, and you will not have Hospital Medical or prescription drug coverage with PEEHIP.

It is extremely important for the Medicare-eligible member and/or dependent to have Medicare Part A and Part B to assure coverage with PEEHIP. **In addition, the member should notify Medicare of his or her retirement date and request Medicare to change their records to reflect that Medicare should be the primary payer on the member's date of retirement.** Medicare-eligible members and Medicare-eligible dependents who are covered on a retiree contract are automatically enrolled in the UnitedHealthcare® Group Medicare Advantage (PPO) plan for PEEHIP retirees. The Group Medicare Advantage (PPO) plan is fully insured by UnitedHealthcare® and members are able to have all of their Medicare Part A (hospital insurance), Part B (medical insurance) and Part D (prescription drug coverage) in one convenient plan. **It is important to know that Medicare-eligible retired members and Medicare-eligible covered dependents must be enrolled in both Part A and Part B of Medicare to have coverage with the new UnitedHealthcare® Group Medicare Advantage (PPO) plan offered by PEEHIP.** For more information, please contact UnitedHealthcare® by calling 877.298.2341.

What if You Want Medical Coverage Only

If you have TRICARE or a different Medicare Part D Group Prescription Drug plan or other creditable* prescription drug coverage and you want to keep that coverage for your prescription drugs, you can choose to opt out of the PEEHIP prescription drug coverage and keep the UnitedHealthcare® Group Medicare Advantage (PPO) plan that only includes medical coverage.

**Creditable prescription drug coverage means that it is at least as good as what Medicare Part D offers. If you are unsure whether or not your prescription drug coverage, outside of PEEHIP, is creditable please contact the prescription drug plan's administrator.*

You will receive an ID card from UnitedHealthcare® to use for your medical services. In addition, please remember to keep your other prescription drug card and use it when getting your prescriptions filled. You are responsible for any premium and drug costs associated with your separate prescription drug plan. This coverage is outside of what is offered by PEEHIP.

Important Reminders

- ♦ If you choose to opt out of the PEEHIP prescription drug coverage and enroll in the UnitedHealthcare® Medicare Advantage (PPO) plan with medical only, make sure you continue your TRICARE or other creditable prescription drug coverage. If you do not have continuous prescription drug coverage, you could risk paying a penalty should you choose later to join a plan that has Medicare prescription drug coverage.
- ♦ Medicare only allows you to have one Medicare Part D prescription drug plan at one time either as a separate (stand-alone) prescription drug plan or included as part of a Medicare Advantage plan. The plan you enroll in last is the plan that Medicare considers to be your final choice. So if you enroll in the UnitedHealthcare® Medicare Advantage (PPO) plan that already includes prescription drug coverage and then enroll in an individual Medicare Part D prescription drug plan, Medicare will automatically disenroll you from UnitedHealthcare® Medicare Advantage (PPO) plan and you will lose your medical coverage.

Non-Medicare-Eligible Dependents

The Medicare-eligible retiree's spouse or other covered dependents who are not Medicare eligible will remain in the PEEHIP (non-Medicare) Hospital Medical and prescription drug plan.

Insurance Coverage Periods and Employer Contributions

Retiring members are eligible to receive the extra coverage months under the 3-1 Rule.

Examples:

- ♦ A June 1 retiree who works 9 months during the school year may receive coverage through August 31.
- ♦ A July 1 retiree who works the entire school year may receive coverage through September 30.

The school system will continue to provide the appropriate employer contribution earned under the 3-1 Rule. **However, the member must have both Medicare Part A and Medicare Part B effective the date of retirement.** The PEEHIP office assumes that the employer will not pay the September contribution for the June 1 retirees.

A retiring member will be charged an active member rate for the extra coverage months, but if the retired rate is lower, the retiring member may contact the PEEHIP office to request a refund of the difference.

Retiree Other Employer Group Health Insurance Coverage

Legislation requires certain members who retired after September 30, 2005, to take other employer health insurance. PEEHIP members who (1) retired after September 30, 2005, (2) become employed by another employer and (3) the other employer provides at least 50% of the cost of individual health insurance coverage, and (4) are eligible to receive the other employer group health insurance coverage, must use the other employer's health benefit plan for primary coverage.

PEEHIP retirees must drop the PEEHIP coverage as their primary coverage and enroll in the new health plan through their new employer. The retiree may enroll in the PEEHIP Supplemental Medical Plan within 30 days of eligibility for other group health insurance coverage if they are not Medicare-eligible. Failure by a retiree to enroll in the other employer's group health plan under the terms of the Act will result in the termination of coverage in PEEHIP. Retired members who retired on or after October 1, 2005 and are ineligible for the PEEHIP coverage can be covered as a dependent on their spouse's PEEHIP plan.

Example:

Two retired spouses are both eligible for PEEHIP. The husband goes to work for a non-PEEHIP eligible employer and becomes eligible for the Group Health Plan (GHP) through his new employer. The husband chooses not to enroll in his new employer's GHP and wants to be covered by his wife's PEEHIP plan. The husband can be added to his wife's PEEHIP plan.

PEEHIP requires all retired members to complete a RETIREE EMPLOYMENT VERIFICATION form.

PEEHIP Coverage for Medicare-Eligible Retired Members

Retired members are not affected by the TEFRA amendment to the Age Discrimination in Employment Act; therefore, upon retirement and Medicare eligibility the member's coverage under PEEHIP will complement his or her Medicare coverage. Medicare will be the primary payer and PEEHIP will be the secondary payer for retirees and dependents eligible for Medicare.

PEEHIP remains primary for retirees until the retiree is Medicare eligible. A Medicare-eligible retiree and/or Medicare-eligible spouse must have both Medicare Part A and Part B to have coverage with PEEHIP.

Medicare-eligible members and dependents should not enroll in a separate Medicare Part D program if they are enrolled in the PEEHIP Medicare Advantage (PPO) plan.

Medicare-eligible members and Medicare-eligible dependents who are covered on a retiree contract are automatically enrolled in the UnitedHealthcare® Group Medicare Advantage (PPO) plan for PEEHIP retirees. The Group Medicare Advantage (PPO) plan is fully insured by UnitedHealthcare® and members are able to have all of their Medicare Part A (hospital insurance), Part B (medical insurance) and Part D (prescription drug coverage) in one convenient plan. **It is important to know that Medicare-eligible retired members and Medicare-eligible covered dependents must be enrolled in Part A and Part B of Medicare to have coverage with the new UnitedHealthcare® Group Medicare Advantage (PPO) plan offered by PEEHIP.**

Some other advantages regarding the UnitedHealthcare® Group Medicare Advantage (PPO) plan include: national coverage so PEEHIP retirees and covered dependents are covered anywhere in the United States; worldwide emergency coverage; and additional benefits such as the Silver Sneakers fitness program, a 24/7 nurse line, health risk assessments, screening exams, immunization reminders, discount on hearing aids, and even an annual in-home health and wellness visit. For more information, please contact UnitedHealthcare® by calling 877.298.2341.

Premium Rates

(Retired Members)

The following Hospital Medical premiums are the base rates set by the PEEHIP Board. Base rates are before the wellness premiums, tobacco premiums, and the retiree sliding scale adjustments are applied, if applicable.

Premiums not payroll deducted at the proper time will be deducted from your next available retirement check. Those who do not receive a check large enough to cover the amount of their total premium shall submit their monthly premium payment directly to PEEHIP (example: retiree whose premium exceeds their retirement benefit). **Failure to pay premiums timely will result in a cancellation of coverage.**

The monthly premiums for members who retired **prior to October 1, 2005**, or members who retired **on or after October 1, 2005, and before January 1, 2012, with 25 years of service** are listed in the chart below and show a retiree's out-of-pocket cost after subtracting the retiree insurance contribution.

Type of Contract	*Retiree Monthly Out-of-Pocket Premium	Premium if One Covered Dependent is ME Spouse	Premium if One Covered Dependent is NME Spouse
Individual/NME Retired Member	\$166	N/A	N/A

Family/ME Retired Member & Only Dependent ME	\$139	\$169	N/A

Note: For purposes of this chart, NME designates "non-Medicare-eligible" and ME designates "Medicare-eligible"

**This rate applies to the PEEHIP Hospital Medical or the VIVA Health Plan and is the monthly amount that will be deducted from a retiree's check. The VIVA Health Plan is not available to retired members who are Medicare-eligible or retired members with dependents who are Medicare-eligible.*

Retiree Sliding Scale Premium

The premium for retiree coverage is broken down into the employer share (what PEEHIP pays) and the retiree share. Under the sliding scale, the retiree is still responsible for the retiree share; however, the employer share will increase or decrease based upon a retiree's years of service. **The sliding scale premium rates can be found on the PEEHIP website at www.rsa-al.gov.** A retiree premium calculator is available for your review on our website at <http://www.rsa-al.gov/index.php/members/peehip/calculators/peehip-premium-calculator>.

- ◆ **Members who retired before October 1, 2005**, are not affected by the Retiree Sliding Scale Premium.
- ◆ **Members who retired on or after October 1, 2005**, are subject to the Retiree Sliding Scale premium based on years of service. Members who retire on disability and are also eligible for service retirement are subject to the sliding scale.
- ◆ **Members who retired on or after October 1, 2005, with 25 years of service**, PEEHIP will pay 100% of the employer share of the premium. The member will only be responsible for the employee share of the premium.
- ◆ **Members who retired on or after October 1, 2005, with more than 25 years of service**, for each year of service above 25, the employer (PEEHIP) share increases by 2% and the retiree share is reduced accordingly.
- ◆ **Members who retired prior to January 1, 2012, with less than 25 years of service**, the PEEHIP share of the premium is reduced by 2% of the cost for each year less than 25 and the retiree share is increased accordingly.
- ◆ **Members who retired on disability prior to January 1, 2012**, are not affected by the sliding scale premiums **for twenty-four (24) months** from the member's date of retirement, provided the member submits to PEEHIP proof of application for Social Security Disability benefits. The exemption from the sliding scale premium can be extended beyond twenty-four (24) months from the member's date of retirement if the member qualifies for Social Security Disability benefits during the twenty-four (24) months following the member's date of retirement and proof of the Social Security Disability benefit is provided to PEEHIP.

- ◆ **Members who retired on disability on or after January 1, 2012**, are subject to the age and subsidy component prior to becoming Medicare eligible. However, they are not affected by the sliding scale premiums **for twenty-four (24) months** from the member's date of retirement, provided the member submits to PEEHIP proof of application for Social Security Disability benefits. The exemption from the sliding scale premium can be extended beyond twenty-four (24) months from the member's date of retirement if the member qualifies for Social Security Disability benefits during the twenty-four (24) months following the member's date of retirement and proof of the Social Security Disability benefit is provided to PEEHIP.
- ◆ For those qualifying, the premium adjustment will be made effective the first day of the second month following receipt of the Social Security notification by PEEHIP and will terminate at the end of the twenty-four (24) month period if Social Security Disability benefits have not been awarded. It is important to send in your proof of application for Social Security Disability and subsequent approval for Social Security Disability as soon as you receive it in order to receive a premium reduction. The premium reduction can be reinstated prospectively if documentation is provided to PEEHIP showing that Social Security Disability benefits were awarded after the twenty-four (24) month period.
- ◆ Members who retired on service and later became disabled are not eligible for this premium reduction.
- ◆ **Members who retired on or after January 1, 2012**, are subject to the sliding scale premiums which are based on age at retirement, years of service, and the cost of the insurance program. Refer to the [Retiree Sliding Scale](#) section for more information.

Optional Coverage Plan Premium

Optional Coverage Plan premiums are the same for retirees as for full-time active employees.

Retiree Sliding Scale

Legislation Effective January 1, 2012

On June 14, 2011, Senate Bill 319 (Act 2011-704) was signed into law. The law was enacted primarily to address the inequity in the funding of healthcare benefits for non-Medicare retirees. The law changed the retiree sliding scale premium calculation so that by 2016 the funding level for active and non-Medicare would be equal; thereby removing the inequity in funding that currently exists for non-Medicare retirees. The major provisions of Act 2011-704 are summarized below. A retiree premium calculator is available for your review on the PEEHIP website at www.rsa-al.gov.

Changes to the Retiree Sliding Scale Premium Calculation

It is important to note that the changes in the retiree sliding scale premium calculation due to Act 2011-704 only apply to those who retired on or after January 1, 2012. The law has the greatest effect on employees who retire with minimal years of service (for example, someone with 10 years of service at age 60). The effect on employees who retire with 25 or more years of service is less dramatic. A retiree's cost of coverage is equal to the employer's contribution (state funding amount) plus the employee's contribution (premium). Under the sliding scale premium calculation, the employer contribution is adjusted up or down by a percentage based on years of service. If the employer contribution is reduced then the employee contribution (premium) will be increased and vice versa.

Under the law there are three major changes to the retiree sliding scale premium. These changes are related to a retiree's years of service (**Service Premium Component**), age at the time of retirement (**Age Component**), and subsidy premium (**Subsidy Component**).

1. Change in the Service Premium Component:

- ◆ Employees who **retired before January 1, 2012** - the amount the state contributes to the cost of retiree healthcare (employer contribution) is decreased by 2% for each year of service less than 25 and increased by 2% for each year of service more than 25.
- ◆ Employees who **retired on or after January 1, 2012 (regardless of age)** - the amount the state contributes to the cost of retiree healthcare (employer contribution) is decreased by 4% for each year of service under 25 years and increased by 2% for each year of service more than 25 (**Service Premium Component**).
- ◆ Employees who retired on or after January 1, 2012 – will see no change in the service component of the sliding scale premium and will continue to receive a 2% bonus for each year of service over 25 years.

Example:

If you retire with 10 years of service, you are 15 years away from having 25 years of service and the employer contribution will be reduced by 60% (15 years x 4%). The employee contribution (or premium) will increase by an amount equal to 60% of the employer contribution.

2. Addition of an Age Premium Component:

- ◆ Employees **who retired before January 1, 2012** - there is no age component that is taken into account in the sliding scale premium.
- ◆ Employees **who retired on or after January 1, 2012** - state contribution for the sliding scale premium will be reduced by 1% for each year of age of the employee at retirement less than the Medicare entitlement age (age component). Upon Medicare entitlement, the age component will be removed.

This component applies only to employees who retired without Medicare on or after January 1, 2012. These retirees will have 1% deducted from the employer contribution for each year that they are not entitled to Medicare. Age at retirement is what is used to calculate the age premium component.

3. Addition of a Subsidy Premium Component:

- ◆ Employees who **retired before January 1, 2012** - subsidy component is not applicable.
- ◆ Employees who **retired on or after January 1, 2012** - a subsidy premium is applicable. The subsidy premium is the net difference in the active employee's subsidy and the non-Medicare retiree subsidy. For Fiscal Year 2019, the subsidy component is **\$162.93**. Upon Medicare entitlement, the subsidy will be removed.

Note: The total of the additional service premium, age premium, and subsidy premium resulting from the new law was phased-in over a 5-year period until 2016. Upon becoming Medicare-eligible, the age and subsidy premium components are no longer applicable.

Act 2011-704 and DROP

The sliding scale premium does not apply to employees who were participating in the Deferred Retirement Option Plan (DROP) at the time the law was passed unless the DROP participant:

1. Voluntarily terminates participation in the DROP within the first three years, or
2. Does not withdraw from service at the end of the DROP participation period.

This will exempt employees who entered the DROP from being subject to the new legislation if they fulfill their DROP obligation and withdraw from service at the end of the DROP participation period.

Surviving Dependent Benefits

PEEHIP law allows covered surviving dependents to be able to continue the PEEHIP insurance plans that they are covered on at the time of the member's death. The insurance plan(s) can be continued as long as the surviving dependents pay the monthly premium by the due date each month.

Survivor policies are as follows:

- ◆ New dependents who are not covered on the PEEHIP policies at the time of the member's death cannot be added to the plan at a later date.
- ◆ Surviving dependents do not have Open Enrollment rights.
- ◆ Once the insurance is cancelled by a surviving dependent, no reinstatement is allowed, and coverage cannot be picked up at a later date.
- ◆ Surviving dependents cannot enroll in new PEEHIP plans that they were not covered on at the time of the member's death.
- ◆ The eligible surviving dependent who wants to continue the PEEHIP coverage should notify PEEHIP as soon as possible from the member's date of death to enroll in coverage.
- ◆ Surviving children of the deceased member are only eligible to continue PEEHIP coverage until they reach the limiting age.* Once they reach the limiting age, they would need to contact PEEHIP for an application to continue coverage through COBRA.

**If the child is incapacitated, the child is allowed to keep the coverage as long as premiums are paid by the due date each month.*

PEEHIP law also requires surviving dependents to pay the full cost of the monthly premium without financial assistance from the state.

Surviving Dependent Premiums Effective October 1, 2018 - September 30, 2019

The following health insurance premiums are the base rates set by law and approved by the PEEHIP Board. Base rates are before the wellness and tobacco premiums are applied, if applicable. **These rates will begin the first of the month following the member's date of death.**

Medicare-eligible members and dependents must have both Medicare Part A and Part B to have coverage with PEEHIP.**

However, in no event will Benefit Staff use PHI that is genetic information for underwriting purposes.

The Plan will only disclose the minimum information necessary with respect to the amount of health information used or disclosed for these purposes. Uses and Disclosures Requiring Your Written Authorization

In all situations other than those described above, the Plan will ask for your written authorization before using or disclosing your health information. This Notice is Subject to Change

The terms of this notice and the Plan's privacy policies may be changed at any time. If changes are made, the new terms and policies will then apply to all health information maintained by the Plan. If any material changes are made, the Plan will distribute a new notice to participants and beneficiaries.

Your Questions and Comments

If you have questions regarding this notice, please contact PEEHIP's Privacy Official at 877.517.0020.

Purpose of the Plan

The plan is intended to help you and your covered dependents pay for the costs of medical care. The plan does not pay for all of your medical care. For example, you may be required to contribute through payroll deduction before you obtain coverage under the plan. You may also be required to pay deductibles, copayments, and coinsurance.

Important Notices

Notice to Enrollees in a Self-Funded Non-Federal Governmental Group Health Plan

Under a federal law known as the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-191, as amended, group health plans must generally comply with the requirement listed below. However, the law also permits state and local governmental employers that sponsor health plans to elect to exempt a plan from the requirements for any part of the plan that is “self-funded” by the employer, rather than provided through a health insurance policy. The Public Education Employees’ Health Insurance Board has elected to exempt the PEEHIP from the following requirement:

- ◆ Protections against having benefits for mental health and substance use disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan.

The exemption from this federal requirement has been in effect since October 1, 2005. The election has been renewed every subsequent plan year.

HIPAA also requires the Plan to provide covered employees and dependents with a “certificate of creditable coverage or proof of health coverage” when they cease to be covered under the Plan. There is no exemption from this requirement. The certificate provides evidence that you were covered under this Plan, because if you can establish your prior coverage, you may be entitled to certain rights to reduce or eliminate a preexisting condition exclusion if you join another employer’s health plan, or if you wish to purchase an individual health insurance policy.

For more information regarding this notice, please contact PEEHIP.

Access to Obstetrical and Gynecological (OBGYN) Care Notice

You do not need prior authorization from the Plan or from any other person (including a Primary Care Provider (PCP) in order to obtain access to obstetrical or gynecological care from a healthcare professional in the Blue Cross and Blue Shield of Alabama network who specializes in obstetrics or gynecology. The healthcare professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of healthcare professionals who specialize in obstetrics or gynecology, contact the telephone number on the back of your Identification Card or refer to the Blue Cross and Blue Shield of Alabama website www.alabamablue.com.

Choice of Primary Care Physician Notice

The Plan generally allows the designation of a Primary Care Provider (PCP). You have the right to designate any PCP who participates in the Blue Cross and Blue Shield of Alabama network and who is available to accept you or your family members. For information on how to select a PCP, and for a list of PCPs, contact the telephone number on the back of your Identification Card or refer to the Blue Cross and Blue Shield of Alabama website www.alabamablue.com. For children, you may designate a pediatrician as the PCP.

Women’s Health and Cancer Rights Act Notice

The Women’s Health and Cancer Rights Act of 1998 requires group health plans that provide coverage for mastectomies to also provide coverage for reconstructive surgery and prostheses following mastectomies. A participant or dependent who is receiving benefits in connection with a mastectomy will also receive coverage for:

- ◆ all stages of reconstruction of the breast on which the mastectomy was performed;
- ◆ surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- ◆ prostheses and treatment of physical complications of the mastectomy, including lymphedemas.

This coverage will be provided in a manner determined in consultation with the patient and the patient’s attending physician, and is subject to any applicable annual deductibles, coinsurance and/or copayment provisions. Call Blue Cross Blue Shield of Alabama at 800.327.3994 for more information.

Newborns’ and Mothers’ Health Protection Act of 1996

The Newborns’ and Mothers’ Health Protection Act of 1996 and its regulations provide that health plans and health insurance issuers may not restrict a mother’s or newborn’s benefits for a hospital length of stay that is connected with childbirth to less than 48 hours following a vaginal delivery or 96 hours following a cesarean section. However, the attending provider (who may be a physician or nurse midwife) may decide, after consulting with the mother, to discharge the mother and newborn child earlier. Plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Premium Assistance under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage using funds from their Medicaid or CHIP programs. If you or your children are not eligible for Medicaid or CHIP, you would not be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your state Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 866.444.EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of **January 31, 2018**. Contact your state for more information on eligibility.

Flexible Spending Accounts

Participation in a Flexible Spending Account (FSA) allows you to save tax dollars on money you will spend on copays, deductibles, and other covered services each plan year. Enrollment in a PEEHIP Hospital Medical or Optional Coverage Plan is not required to participate in a FSA. PEEHIP offers two FSA plans: Health FSA and DCRA.

Healthcare Flexible Spending Account (Health FSA) allows active members to set aside up to a maximum of **\$2,650** of pre-tax contributions each year to pay for eligible healthcare expenses incurred by them and their eligible dependents. The minimum annual election to participate in the PEEHIP Health FSA is \$120. For more information concerning eligible expenses see *IRS Publication 502*, Medical and Dental Expenses.

Dependent Care Reimbursement Account (DCRA) allows active members to set aside up to a maximum of **\$5,000** in pre-tax contributions each year for dependent/child care related expenses so the member (and spouse, if married) can work outside of the home or attend school full time. DCRA funds can only be used for reimbursement of payment for dependent/child care expenses (i.e., licensed nursery school or daycare for children under the age of 13, or daycare for elderly or disabled dependents). The minimum annual election to participate in the PEEHIP DCRA plan is \$120. For more information concerning eligible expenses and guidelines governing a DCRA, see *IRS Publication 503*, Child and Dependent Care Credit.

Members who participate in a Health FSA or DCRA with another sponsor, in addition to a PEEHIP account, should be mindful not to exceed the IRS yearly maximum amount per taxpayer.

Elected Amounts and Reimbursement

You can only be reimbursed for eligible expenses outlined in the plan. Funds assigned to one account cannot be transferred to the other account under any circumstances. To assist you in determining your annual contribution amount, a Tax Savings Calculator is available at www.rsa-al.gov and www.healthequity.com/PEEHIP. The annual contribution amount will be divided equally based on the number of remaining months in the plan year to determine the monthly contribution amount. For members who sign up during Open Enrollment, the annual contribution amount will be divided by 12. Health FSA funds are available for use up to the annual contribution amount as the first effective day of the plan year. Funds for reimbursement from the DCRA become available only after contributions have been withheld from your paycheck.

Flex Debit Card: All Health FSA enrollees will be issued a Flex Visa Debit Card to pay for qualified medical, prescription drug, dental, and vision co-pays and eligible healthcare expenses not covered by insurance. You must save copies of all receipts, invoices, and other documentation you receive in connection with using this card to provide to HealthEquity® for substantiation, if requested. Failure to provide substantiation documentation upon request will result in card privileges being suspended, and a Refund Request Notice will be sent to you asking for you to repay the amount of the unsubstantiated charges. Use of this card for Health FSA expenses is encouraged but not required. Enrollees choosing not to use the card may request a reimbursement using the Manual Reimbursement method.

Manual Reimbursement: This method is available for the Health FSA and DCRA. Members can request a reimbursement through the HealthEquity® website or mobile app. Members may also mail or fax a Reimbursement form along with supporting documents to HealthEquity®. For recurring monthly expenses for orthodontia and DCRA, automatic reimbursement can be set up.

Timely Filing Period Deadline / Carryover

The PEEHIP FSA plan year ends September 30. You have until January 15 following the end of the plan year to submit a Reimbursement form along with receipts for eligible expenses that were incurred during the plan year (October 1 through September 30). A refund of unused funds is not permitted. Unused funds remaining in the Health FSA or DCRA after the timely filing period deadline will be forfeited.

\$500 Carryover Provision (applicable to Health FSA only)

PEEHIP allows members up to \$500 of unused funds remaining in a Health FSA after the timely filing period deadline to be carried over and used for eligible Health FSA expenses in the following plan year. Remaining Health FSA funds in excess of \$500 will be forfeited. This provision is in accordance with guidelines set by the Department of Treasury Notice 2013-71 issued by the IRS on October 31, 2013.

PEEHIP Flexible Spending Accounts are administered by HealthEquity® and are available to all actively employed members of PEEHIP. For a complete summary of the PEEHIP Flexible Spending Account Plan please go to www.rsa-al.gov.

Flexible Spending Accounts

Per IRS regulations, members enrolling in a Flexible Spending Account (FSA) must remain enrolled for the entire plan year. Only under special circumstances are you allowed to change or revoke your FSA election. PEEHIP must be notified within 45 days of the Qualifying Life Event (QLE). The new amount:

- Cannot be greater than the maximum annual amount allowed for the FSA
- Cannot be less than \$120
- Cannot be less than the amount already payroll deducted
- Cannot be less than the amount already paid out/reimbursed from the FSA

Members can view their current balance and status of reimbursements by logging into the HealthEquity® member portal at www.healthequity.com/PEEHIP, through the HealthEquity® mobile app, or by contacting Customer Service at 877.288.0719.

Election Change

The election change must be consistent with the QLE. Such as to add a dependent and increase your election amount, or drop a dependent and decrease your election amount. Some QLE's will not apply to both programs. For example: Significant change in dependent care cost allows members to make an election change to their DCRA but not to their Health FSA, and Medicare/Medicaid entitlement changes can be made to the Health FSA but not the DCRA.

Your new monthly contribution amount will be determined by dividing the remaining election amount by the total months remaining in the plan year.

Documentation

Documentation of the QLE must be received with the FLEXIBLE SPENDING ACCOUNT STATUS CHANGE application. For example, for a QLE of marriage, you must include a copy of your marriage certificate with your FLEXIBLE SPENDING ACCOUNT STATUS CHANGE form. For a QLE of Medicare/Medicaid entitlement, you must include a copy of your ID card showing the coverage effective date with your FLEXIBLE SPENDING ACCOUNT STATUS CHANGE form. The change to your FSA will be consistent with the first of the month following the date of the QLE.

Cancellation

Cancellation of your FSA will be allowed if you go on Family Medical Leave (FMLA) or an unpaid Leave of Absence (LOA) for more than 30 days, or terminate employment. Cancellation of your DCRA is also allowed if you become ineligible to participate in the plan for reasons such as your dependent child reaches the age of 13. You will have 105 days after cancellation to submit a reimbursement request for expenses incurred prior to cancellation. Per IRS guidelines, PEEHIP is not allowed to refund FSA funds. Any remaining funds in the FSA after 105 days will be forfeited including any Carryover funds from your Health FSA. A reimbursement request can be submitted online by logging into the HealthEquity® member portal at www.healthequity.com or by submitting a manual reimbursement request to the address on the Reimbursement Form.

New Enrollment (Short Plan Year)

Members are allowed to enroll in coverage outside of Open Enrollment due to birth, adoption or gaining legal custody of a child, and upon returning from FMLA or an unpaid LOA. PEEHIP will also allow members who are participating in another school system sponsored flex plan to enroll in the PEEHIP FSA for a "short plan year" upon the end of the school's flex plan year. Members who enroll in the PEEHIP FSA while also enrolled in another FSA should be mindful not to exceed the IRS yearly allowable maximum amount per taxpayer.

PEEHIP Flexible Spending Accounts are administered by HealthEquity® and are available to all actively employed members of PEEHIP. For a complete summary of the PEEHIP Flexible Spending Account Plan go to www.rsa-al.gov.

HELPING YOU UNDERSTAND WHY THE INFORMATION IS NEEDED

COORDINATION OF BENEFITS. WHAT IS IT? Coordination of Benefits is designed to keep your rates as low as possible by eliminating excess payments. It keeps the cost of your medical care down without affecting the way you receive care. Oftentimes, members and their dependents are covered by two insurance plans. Working spouses cover each other and children are often covered on both parents' plans. When a PEEHIP member is covered by more than one health plan, the payment of his/her benefits is coordinated between the two plans.

HOW COORDINATION WORKS. If you have more than one plan and you receive services or supplies that are covered under both plans, this is how your benefits are coordinated:

The primary plan pays the full extent of its benefits. PEEHIP uses the first of the following rules that applies:

1. The benefits of the plan that covers you as an employee will be paid before the plan that covers you as a dependent. However, if you are eligible for Medicare coverage and Medicare is primary to your plan and your spouse has active coverage through an employer, then your plan pays third.
2. For claims on dependent children, the benefits of the parent's plan whose birthday falls earlier in the calendar year will be primary (this is known as the birthday rule) unless the parents are separated or divorced, in which case:
 - a. If a court decree specifies one parent cover the child's medical care, that parent's plan is primary.
 - b. If there is no court decree specifying coverage, the plan covering the parent with custody will be primary.
 - c. However, if the parent with custody remarries, the plan covering that parent will be primary, the plan covering the step-parent will be secondary, and the plan covering the parent without custody will be third.
 - d. If a court decree specifies joint custody but does not say which parent covers the child's medical care, then the birthday rule is used.
3. If you are the subscriber on an active contract and the subscriber on a retired contract, the benefits of the plan covering you as an active employee are primary over the benefits of a plan covering you as a retired employee.
4. If you are the policy holder on two active or retired contracts, the plan that has covered you longer is primary.

Under Alabama law, Section 16-25A-5.2(1), *Code of Alabama, 1975*, employees who retire after September 30, 2005, and who become employed by an employer that provides employees at least 50 percent of the cost of individual health insurance coverage and that qualify to receive other employer group health insurance coverage through that employer shall be required to use the employer's health benefit plan for primary coverage and the Public Education Employees' Health Insurance Plan may provide supplemental secondary coverage. If you are required to take your new employer's health insurance, the Public Education Employees' Health Insurance Plan (PEEHIP) offers supplemental and optional coverages at little to no cost. Retired members who retired on or after October 1, 2005, and are ineligible for the PEEHIP coverage can be covered as a dependent on their spouse's PEEHIP plan. Please visit the PEEHIP website, www.rsa-al.gov or contact PEEHIP for more information on the supplemental and optional coverages.

You can re-enroll in PEEHIP without a break in coverage if your new employer stops paying at least 50% of the cost of individual coverage or if you should lose your other employer's health insurance coverage due to termination or ineligibility.

All employees who retired after September 30, 2005, are required to complete the form on the reverse side of this letter and return it to PEEHIP (forms should be mailed to PEEHIP, P O BOX 302150, Montgomery, AL 36130). Your employer must also complete the Employer Information Sections C and D of the Retiree Employment Verification form (on back) if applicable. You must also contact PEEHIP about subsequent employment changes if other group health insurance coverage is made available to you.

Any employee or retiree who knowingly and willfully submits materially false information to PEEHIP shall repay all claims and other expenses incurred by the plan related to false or misleading information submitted by the employee or retiree, in addition to a charge based on the applicable interest rate (Section 16-25A-20, *Code of Alabama, 1975*).

If you or your covered dependents are under age 65 and Medicare eligible, it is imperative that you notify the PEEHIP office and provide a copy of your or your dependent's Medicare card to ensure that medical and prescription drug claims are being processed correctly and you are paying the lower PEEHIP premium.

Thank you for your cooperation.
