## WA State History

- 8th grade, out of state history, or take during your senior year high

## Culminating Project

20 hours Community Service

Conference w/ High School and Beyond Plan

# Math Is Important

## Class of 2016 Math Graduation Requirements

- Must pass both Algebra and Geometry classes
- Must pass both Algebra and Geometry EOC tests
- Must pass a third year of Math beyond Geometry

*Most students should take Algebra 2 as third year of Math. There may be some exceptions – meet with your counselor to discuss your Math pathway if you have any questions.*

# High school graduation requirements are NOT the same as college admissions requirements

English – 4 years

Math – completion of algebra II or higher + math or a math based science course your senior year

Science – 2 years – many colleges require chemistry or physics (both are math based science classes)

World Language – 2 years of the same world language (additional years preferred)

*If you are hoping to play college athletics, make sure you take a lot of “Core” courses and meet with your counselor to make sure you are taking NCAA Eligibility Center approved courses!*

# Pre- Registration

*Please take out:*

- Pre-Registration Form
- Teacher Recommendation Form
- THS Credit Checklist

# Choose Your Classes Wisely During Pre-Registration

## WHY?

- You will be held to the classes you choose now for your fall schedule
- Make sure to include Alternates – if a first choice class does not fit in your schedule, an alternate will be selected, if you do not choose alternates, a class will be chosen for you.
- This year, all schedules will be generated for students. You will have a chance to meet with Counselors in August to request a change, but those changes are based on space available and are not guaranteed.

# Required Classes

*The schedule shown below is for a typical 10<sup>th</sup> grade student, unique circumstances do exist and your schedule may look different than the one shown below.*

**English** – English 3/4 or Honors English 3/4 (formerly World Literature)

**Math** – appropriate level signed by teacher

**Science** – Biology

**Social Studies** – World Studies 2 and 3 or AP World History

**Elective**

**Elective** (Electives include Music, World Language, CTE, Art, PE, Health, etc)

# Pre-registration Process

*You should already have Teacher Recommendation Forms signed by teachers indicating their recommendation for next year. Level recommendations are needed for: Math, English, Science, Social Studies, World Language, Music*

1. Pre-Registration Form: Register for your Core graduation requirements first using your teacher recommendation form
2. Electives round out the remaining portion of your schedule
3. Every student should pre-register for 6.0 credits – taking 6 classes for each semester.
4. Don't forget your alternates!
