Centinela Valley Center for the Arts Now Open!

The Centinela Valley Union High School District is proud to present the grand opening of the brand new, world-class Centinela Valley Center for the Arts, the premier performing arts center in the South Bay. The CVCA is an all encompassing, state-of-the-art, professional theater facility. The 1,200 seat theater is highlighted by a hydraulic orchestra pit, the highest-quality projector and 50 foot by 25 foot movie screen, professional quality sound and lighting control booths, and a stage rigging/fly system that would be the envy of any theater program!

The Ideal Venue For Your Special Event

The world renown Centinela Valley Center for the Arts (CVCA) is the perfect venue to hold your performing arts event, corporate meeting, seminar, or conference.

Conveniently located in the heart of the South Bay, only 12 miles from both downtown Los Angeles and Long Beach and just 17 miles from Orange County. The CVCA is easily accessible, just 2 blocks off the highly traveled 405 freeway and is freeway visible, both north and southbound.

The CVCA offers highly competitive rates, professional and friendly staff, and accommodates the largest of groups with almost 10,000 square feet of dressing space available.
