It takes a village...

The Department of Visual and Performing Arts (VAPA) would like to thank all those who attended the 2018 Winter Showcase. VAPA is continually seeking ways to help our MUSD students grow and the Winter Showcase allowed our arts students to proudly highlight their talents to members of the Madera community.

We would like to extend a special thank you to all the staff who worked collectively to make the night a success. We hope you found the Showcase to be an entertaining family event.
