ONCE ON THIS ISLAND

MARCH 15-26

**A bit of a Romeo and Juliet story-Caribbean style,
Coming this Spring to the MSTC Theatre at Madera South High School.**

The delightful show is one of love and how it breaks down barriers created between people, particularly prejudice and social class standing. Ti Moune, a fearless peasant girl, falls in love with a wealthy boy from the other side of the island. When their divided cultures threaten to keep them apart, Ti Moune, guided by the island gods, sets out on a remarkable quest to reunite with the man who has captured her heart.

You don't want to miss it. Mark your calendars and join us for this great show!
