las novelas

The purpose of the new curriculum is to develop and strengthen students' abilities in listening, speaking, reading and writing in Spanish. This year's 7th grade has had 5 years of FLES and this program will bridge the elementary and junior high school curriculum.

Each novel deals with thematic units we cover for 7th grade. Such topics are:

- 1) Personal Identification
- 2) House and Home
- 3) School
- 4) Community
- 5) Tourism/Travel
- 6) Daily Life

Speaking=25% of grade

This is not participation! Students will have to speak at the end of the year for the FLACS Regional Exam for 25 points. The LOTE department considers speaking to be a huge component of the grade! It's a language they should be able to converse in a simple conversation by the end of the year.

Participation

15% of the quarter grade

1) Be on time!

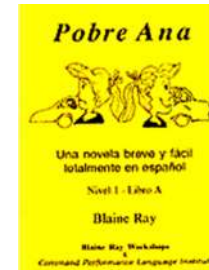

2) Bring materials to class: (notebook/pen/novela/folder)

3) Read aloud

4) Volunteer for <<hagan ahora>>

5) Volunteer during class discussions of novela.

6) No side conversations! Speaking with friends in class reduces your grade.

7) SPEAK IN SPANISH ALWAYS: ASK QUESTIONS IN SPANISH!

Tardiness/Bathroom

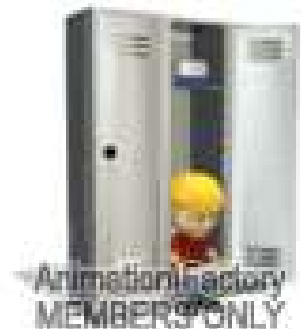

Being ready means in your seat at the bell with <<Hagan Ahora>>sheet on desk!

*Students in 7th grade need to manage time and pack their backpacks for the a few classes in the morning and then again at lunch.
Big adjustment from elementary school!

- Students should use the bathroom during lunch.
When they arrive late the miss the explanation of the <<hagan ahora>> and/or hw review

•Emergencies are always taken into consideration and students should not be asking to leave often

You are **NOT** going to the bathroom everyday!

La ayuda extra
