"I am very excited to be able to perform in a section of my school dedicated to performances! Compared to previous experiences with concerts in places, such as the cafeteria and the gym at my school, this is a direct upgrade and I can't wait to be a part of this experience!"

IT'S BEGINNING TO LOOK A LOT LIKE A THEATER

"I'm really excited at the fact that I will be one of the first kids to play in a brand new auditorium and theatre. This is a big step up from the small spaces from middle school where we would do whole band rehearsals it would be cramped. I', just happy at the fact I will be playing in a brand new and bigger auditorium."

-Joseph Reyes
Freshman, Baritone Sax

"This is probably the most excited I've been for a performing arts building. Matilda Torres is a beautiful school and I have no doubt that the Performing Arts Building is going to look beautiful too. In my other schools, we used to have our concerts in the cafeterias. So to be able to have a Theater for performances is a much-appreciated change. I can't wait to see it in person and I'm pretty sure everyone else will be just as excited as me."

-Rocco Saracino
Sophomore, Clarinet

"I am so excited that the new Torres High School has a Performing Arts Center. It is one of the greatest feelings because at my old school we didn't have a Performing Arts Center, instead, we would do our performances in gyms and cafeterias. Now we get the opportunity to have one where we can make so many memories together and have fun enjoying what we do."

-Jasmine Romero
Freshman, Trumpet
