# PIPER PRESS

Peter Piper Pizza, Inc.

## Peter Piper "Restaurant Nights" give thousands back to east valley schools

"Partnering with Peter Piper has been amazing for our school! They have supported many of our programs such as Student of the Month & Teacher of the Year. They've also provided donations for silent auctions and pizzas for staff meetings" - *Principal*

Fundraising with Peter Piper is easy, "...it's really a turn-key operation that requires NO set up, clean up or volunteer hours to staff. PLUS we earned over \$1000 from our event!" - *PTO President*. "Our Event Host was great...she was there the whole time & did everything for us!" - *PTO Fundraising*

Schools earn 15%-20% of all food, soft drinks and token sales during their event. When event reaches \$2000, the total percentage increases to 20%! "The kids absolutely loved all the contests, especially the dough stretching competition!" - *4th grade parent*
