COVID-19 IMPACT

Due to the COVID-19 pandemic and the resulting state and county shelter-in-place orders, all AUHSD schools transitioned

from classroom instruction to distance learning for the duration of the fourth quarter of the 2019-2020 school year. As a result of this instructional change, the traditionally used grading policy was altered for the Spring Semester of the 2019-2020 school year. For the 2019-2020 Spring Semester only, all AUHSD schools utilized a Credit/No Mark grade reporting system for all students. The marks received during the 2019-2020 Spring Semester do not affect the student's GPA.

For the 2020-2021 school year, Letter grades were reintroduced, however after the passage of CA-AB104, students were given the opportunity to change their Letter grades to Pass/No-Pass as long as doing so would not negatively impact their GPA. Pass indicated a grade of D- or better, No-Pass indicated an F.

GRADUATION REQUIREMENTS

Students must earn at least 240 course credits. Five units of credit per semester are granted in all courses when a passing grade is earned. Course requirements include:

GRADING

Letter grades are assigned a numerical value on a 4.0 scale (D is a passing grade). The cumulative GPA is the average of all courses since the beginning of the ninth grade. College prep courses which meet the University of California A-G requirements are indicated on the transcript with either a "P" for college prep, "H" for honors, or "A" for advanced placement. Non-college prep courses are marked with either an "E" for elective, "N" for non-college prep, or "M" indicating the curriculum was modified. Pluses and minuses will appear on student transcripts but will not be used in computing grade point averages. Final transcripts reflect weighted and unweighted averages. Las Lomas does not report class rank by order of the school board and due to the concern with the inequities which occur when reporting specific rank in a high achieving student body.
