

Grade 6 Science Pacing Guide Poepelman 2014-2015
Fourth Nine Weeks

<u>Weeks</u>	<u>Concept Covered</u>	<u>Standard</u>
Week 1	Creating and analyzing Distance vs Time graphs	Physical Science #4 Science Inquiry and Application
Week 2	Velocity and Displacement	Physical Science #4 Science Inquiry and Application
Week 3	Analyzing Distance vs Time graphs and creating speed vs time graphs	Physical Science #4 Science Inquiry and Application
Week 4	Analyzing speed vs time graphs	Physical Science #4 Science Inquiry and Application
Week 5	Creating, Comparing, and Analyzing Speed and Distance vs Time graphs	Physical Science #4 Science Inquiry and Application
Week 6	Physical and Chemical changes	Physical Science #3 Science Inquiry and Application
Week 7	Physical and Chemical Changes Acids and Bases	Physical Science #3 Science Inquiry and Application
Week 8	Acids and Bases	Physical Science #3 Science Inquiry and Application
Week 9	Year in review and Flubber	All
