All Available Science Classes

- 9th grade: Physical Science, Ciencias Físicas
- 10th grade: Biology, IB Biología Year 1, IB Biology Year 1
- 11th grade: Chemistry, Physics, IB Biology Year 2, AP Chemistry, IB Physics Year 1, IB Biología Year 2
- 12th grade: Chemistry, Physics, AP Chemistry, IB Physics Year 1 or 2

Electives:

Roosevelt Urban Farm (all grades)

Astronomy (grades 10-12)

Environmental Science (grades 11-12)

Biochemistry (grade 12)

Science teachers at Roosevelt

- Matt Abbott – physical science, chemistry, AP Chemistry
- Josh Andersland – chemistry, biochemistry, physics
- Dan Berliner – physics, IB physics, astronomy
- Katie Carter – biology, IB biology, environmental science
- Michael Neufeld – physical science, biology
- Shannon Nordby – Roosevelt Urban Farm, RISE
- Taylor Reigstad – biology, IB biology
- Ana Vásquez – Immersion physical science & IB biology

Science Requirements

- MN High School graduation: 3 years of science (1 year biology; 1 year chemistry or physics; 1 year physical science, chemistry, or physics)
- University of Minnesota admissions requirement: 4 years of science

International Baccalaureate

- MYP (middle years program) – 9th and 10th grade
- DP (Diploma program)
