The first few days of the fall semester, new students, students with incomplete schedules & seniors are given priority.

The 4<sup>th</sup> day of the semester, any student may submit a schedule change request form. Forms in the counseling office.

Students requesting a change into an elective from a core class or academic elective (i.e. band, world language) must have a parent sign the request form.

*The schedule change timeline & process is the same in the spring. However, students may sign up on their counselor's door anytime during the fall to request a spring schedule change.*

*This is also how students sign up to see their counselor for any other reason.*
