**LCAP &
SCHOOL SITE
COUNCIL**

WHAT CAN I DO TO HAVE A SAY?

- We are able to maintain programs such as our robust Advanced Placement program through the establishment of committees such as our LCAP & School Site Council committees.
- Joining these committees ensures that you will have the unique opportunity to be part of the decision-making that directly affects your child's education.
- Without parent involvement, our programs will be less available to our students.

WHAT IS MY COMMITMENT?

- LCAP & School Site Council Committee meetings are held only four times a year and have considerable value for your child.
- Our LCAP & School Site Council committees address pertinent issues such as:
 - Distance Learning during the COVID-19 Pandemic
 - School Spending
 - Student Engagement
