

<b>Name</b>	<b>Project Title</b>	<b>Category</b>	<b>Place</b>
Ishan Viradia	Obesity in my Local Community Personal or Community According to Science	Behavioral Science	1
Atputhan Sivathasan	Surface Condition of the Slope and Landslides	Earth and Planetary Sciences	2
Chloe Zhang	Zapping Here and There	Engineering, Electrical & Mechanical	1
Elizabeth Ly	Burtsting Your Bubbles	Earth and Planetary Sciences	1
Vienna Zhou	Can you Hear the Temperture?	Environmental Sciences and Management	1
Victoria Duran	No Holding Back the Bac	Microbiology	1
Joeph Michael	Car Catastrophy	Physics & Astronomy	3
Meriah Cabildo	Music to My Ears	Physics & Astronomy	1
Desmond Sabsook	Battery Wars	Chemistry	1
Anojan Sathees	How DC Motors Work in Varying Electric Voltage	Engineering, Electrical & Mechanical	2
Akshita Saravana	Let's Solve the Drought	Earth and Planetary Sciences	3
Angela Ananthananthan	How Does the Depth of a Seed Affect Germination?	Plant Sciences	1
Bella Zaida	Floating Egg	Biochemestry	2
Caleb Meza	Solar vs. Battery	Engineering: Energy and Transport	1
Wyatt Beck	Solar vs. Battery	Engineering: Energy and Transport	1
Hunter Tautfest	Effects of Music and Food on Chicken Egg Production	Animal Sciences	1
James Culhane	Solar Windmill	Engineering, Electrical and Mechanical	3
Sage Harris	Popcorn Party	Chemistry	3
Charlotte Lane	Popcorn Party	Chemistry	3
Chanita Hanvothinanon	Best Lotion	Health & Medical Science	1
Madeline Gulledege	Get your Splits Fast: Improve Your Range of Motion	Health & Medical Science	2
Thomas Maher	Will Coffee Help Plants Grow?	Plant Sciences	2
Leslie Nguyen	How do differeent types of flour affect sourdough starter activity?	Biochemistry	1
Diksha Uppal	What should be the height of the rollercoaster in order for it to make the full loop?	Engineering, Materials & Bioengineering	1
Enaaya Humayun	Which model, A, B or C, will create the fastest flowing Heron's Fountain?	Engineering, Materials & Bioengineering	3

Amina Qazi	Will Moringa Oleifera seed powder or aluminum (Alum) work more efficiently to purify ground water?	Environmental Sciences and Management	2
Menha Qazi	Will Moringa Oleifera seed powder or aluminum (Alum) work more efficiently to purify ground water?	Environmental Sciences and Management	2
Wasay Qazi	Will Moringa Oleifera seed powder or aluminum (Alum) work more efficiently to purify ground water?	Environmental Sciences and Management	2
Walid Haquani	How does the sound of an object vary, depending on the mass and material?	Physics & Astronomy	2
Eleanor Truong	Slime Experiment	Chemistry	2
Mackenzie Yi	Strength of Toilet Paper	Engineering, Materials & Bioengineering	2
Viraat Kadakia	California Drought and Solution	Environmental Sciences and Management	3
Areya Kochar	Flower Power	Plant Sciences	3
			1st = 13
	County=12 students		2nd = 11
			3rd = 9
