

Summer 2022

ONLINE HIGH SCHOOL

All courses:

- Meet A-G requirements
- WASC accredited
- NCAA approved
- Are Common Core
- State Standards Aligned (CCSS)

Advanced Placement (AP)

Courses are also offered to those students wanting to compete at a higher level.

Core Courses:

Our online program offers various core courses in areas such as:

- English
- Math
- World Language
- Social Science
- Science

Core Courses: \$250 per course/per session

AP Courses: \$325 per course/per session

All fees are nonrefundable.

For 2022 summer school students will be working online in an asynchronous format. Science courses will be taught in a hybrid format; students enrolled in science courses will make arrangements with their teacher to complete wet labs. All teachers will host weekly meetings, via Zoom, to ensure students are on-track. Teachers will be available during scheduled office hours (TBD.) Students may not take more than 10 credits per session/semester.

STUDENT INFORMATION

Students are required to attend an orientation and to submit required documents to CVUSD, which can be arranged with the instructor directly.

Each course requires a minimum of 25 hours per week to complete a semester class.

This year due to the COVID-19 shut down and campus closure the final exams may be remote and will require proctoring. Please note the details will come from your instructor directly and there are no re-takes of the final exam.

All students are encouraged to maintain a notebook with course content notes and notations regarding dates and times of student/instructor interaction.

All courses are high school credit; transferability of credit is determined by each student's school site. Students must receive prior approval from their school before registering for a class.

ABOUT OUR INSTRUCTORS

All instructors hold current California teaching credentials and are trained to teach effectively in an online environment. Office hours are arranged between instructors and students.

Students can find the approval forms online at: csusb.edu/pace or they may use a form from their school site (if available).

WE DEFINE THE
Future

* One semester course can be taken either session 1 or 2

** Must have previously earned D/F
