Science Flow Chart

First Year	First Year Results	Second Year	Third Year	Fourth Year
RG or HN Biology	D/F in Integrated 1	Natural Science (or ChemCon when available) Zoology Oceanography	Chemistry Anatomy Astronomy Oceanography Nat Science Zoology	Astronomy
Regular Biology	C in Integrated 1	Chemistry Astronomy Nat Science Zoology	Oceanography Anatomy Astronomy Chemistry Nat Science Zoology	Physics/AP Physics 1 AP Environmental AP Biology Anatomy Astronomy Zoology Oceanography
Regular Biology	A/B in Integrated 1 (College Prep)	Chemistry Honors Chemistry Astronomy Oceanography Zoology	Physics/AP Physics 1 AP Chemistry Anatomy Astronomy Oceanography Zoology APBio APES	AP Physics C† AP Environmental
Honors Biology	C/D in Enhanced Integrated 1	Chemistry Astronomy Natural Science Oceanography Zoology	Physics AP Physics 1 Anatomy Astronomy Oceanography Zoology APBio APES APChem	AP Biology AP Physics C† AP Environmental Anatomy Astronomy Zoology Oceanography
Honors Biology	A/B in Enhanced integrated 1	Honors Chemistry Astronomy Oceanography Zoology	AP Chemistry AP Physics 1 Anatomy Astronomy Oceanography Zoology APBio APES	AP Physics 1 AP Biology Physics C† AP Environmental AP Anatomy Astronomy Oceanography Zoology

^{**} For advanced students Oceanography, Astronomy, Anatomy or Zoology should be taken as an elective not a primary science † Concurrent AP Calculus AB w/prior physics experience or AP Calculus BC w/o prior physics experience

Note: Medical Bio, Medical Chem and Medical Anatomy are regular-level options with medical-specific labs
