THINKING TASKS

mild

Using **ONLY** the digits

4   **3**   **7**

create as many 3-digit numbers as you can.

medium

(Circle) the **largest number**. Show all the different ways you can represent that number.

spicy

Underline the **smallest number**. Compare it to your **largest number**. What is something that is the *same* and what is something that is *different*?

Same:

Different:
