

POSITIVE BEHAVIOR SUPPORT PROGRAM GUIDE

Beulah Elementary School students are expected to follow the Discipline/Code of Conduct as outlined in the Lee County Student Handbook and the policies below.

Faculty Policy

Our faculty believes that students acquire self-discipline through learning appropriate behaviors and adhering to school guidelines. Self-discipline and demonstrating appropriate behaviors play an important role in the development of students in leading them to be successful, respectful, and motivated to learn. Our faculty intends to manage student behavior and does not anticipate the need for office referrals except for major offenses. We believe appropriate behaviors can be learned through teaching and modeling, and an educationally sound Positive Behavior Support (PBS) Program encourages appropriate behaviors in an effort to minimize inappropriate behaviors.

1. Our faculty has established a rewards-based PBS Program.
2. Behavior calendars will be sent home for parents to sign and return.
3. Student participation in the rewards program outlined below will be earned by each student through their practice of appropriate behavior and obeying the established guidelines.

Positive Behavior Supports

Per LCBOE Policy, we are a positive behavioral support school. We have worked diligently to draft the following supports which have been approved through Central Office.

We are ready, respectful, responsible, and resourceful; therefore, we do the following:

1. We are **READY** to learn.
2. We **RESPECT** others and our education.
3. We take **RESPONSIBILITY** for our actions (and inactions).
4. We are **RESOURCEFUL** when we solve our problems.
