After that validation has occurred, you will be able to login to your new parent account at <https://leeco.powerschool.com/public> or using the PowerSchool Mobile app located in the IOS and Google Play app store.

The Grades and Attendance tab will allow you to check assignments and scores by clicking on the blue percentage across from a class. To email the teacher a question or concern, please click the blue teacher's name link. The Grades History tab will show you the grades your child received in previous grading periods. The Teacher Comments tab is used to access current teacher comments for your student and the School Bulletin tab has current announcements for our school
