

WELCOME TO
2ND GRADE!

Mrs. Prince and
Mr. Lloyd (Sub)

2nd Grade Virtual
B-Track

2020-2021

- ▶ This year is going to be different in many ways, but we still want you and your child to experience everything 2nd grade has to offer!
- ▶ Despite not being in a physical classroom, we will strive to make this year as interactive and productive as possible.

WELCOME BACK...KIND OF

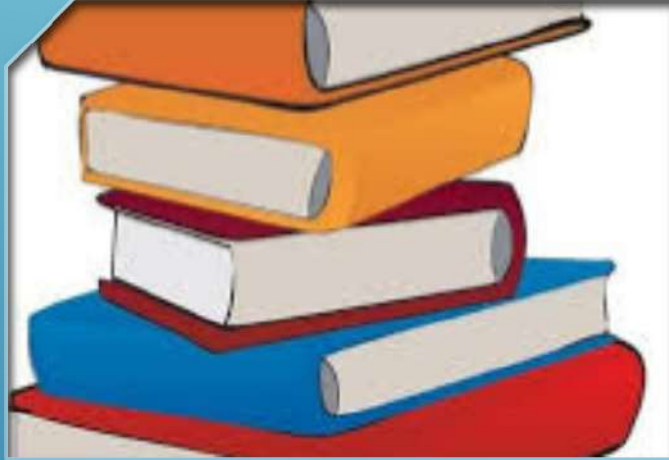

A LITTLE ABOUT ME

- ▶ My name is Garrett Lloyd and I was born and raised here in Corona and graduated from Corona High. I am a huge sports fan and played football, soccer, and baseball at Corona High. Most of my spare time now however is spent reading. I am always on the lookout for my next book!

QUALIFICATIONS

- ▶ AA in Criminal Justice (Riverside Community College), BA in Psychology and Criminal Justice (CSU Stanislaus), Multiple Subject Teaching Credential (CSU San Bernardino), Substitute Teacher for CNUSD since 2015, Tutor at Sylvan Learning Center here in Corona since 2017.
- ▶ This will be my 2nd time Long Term subbing. My first was 4th grade at Woodrow Wilson.

- ▶ After substitute teaching all grade levels (K-12 and Special Needs) for nearly 2 full school years, I decided that my career had found me and enrolled in the CSU San Bernardino Teaching Credential Program.
- ▶ While subbing, I found I had a knack for bonding with students of all ages and backgrounds and I believe this is because students can tell that I truly want them to succeed, both in the classroom and in life outside of school.
- ▶ Students work hard for me because I tell them why we are learning something and how it can help them, and they respond to this honesty.
- ▶ I want students to feel comfortable working hard in my classroom because hard work is the true key to success.

WHY DO I WANT TO BE A TEACHER?

SUGGESTED DAILY CLASS SCHEDULE

Subject/Activity	Time Spent
Language Arts	60-75 minutes
Snack/Brain Break	20 minutes
Math	45-60 minutes
Lunch/Free Play	40 minutes
Social Studies	30-45 minutes
Science	30-45 minutes
Brain Break	10 minutes
Art, PE, etc.	30 minutes

If you do at least the minimum, it adds up to over 240 minutes of learning per day!

- ▶ For Math and Language Arts – Edgenuity has a lesson every weekday. The 5 lessons for the week are called a module. They have 18 modules which makes for 1 module per week.
- ▶ For Science and Social Studies – Edgenuity has 1 module every 3 weeks, for a total of 6 modules. Which means doing 1 to 2 every week will keep you on track.
- ▶ Assessments for both are every 6 lessons.

SPEAKING OF EDGENUITY...

- ▶ You will log onto Edgenuity every day for your lessons and have an expected number to complete that is different for each subject.
- ▶ Try not to fall behind! If you are having trouble, please contact me!
- ▶ If you need help logging into Edgenuity, here is a help document: [Login Help](#)

zoom

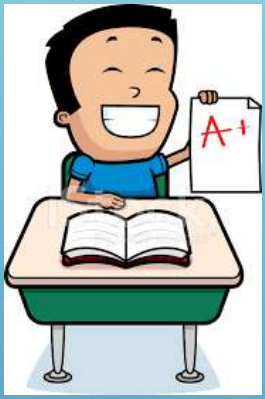

- ▶ We will also be using Google Classroom for things like messaging.
- ▶ I don't have the Google Classroom Code just yet, but I will get it out as soon as we do.
- ▶ We will also have multiple Zoom meetings each week. This is essential, especially early on, to form our classroom community!

GOOGLE CLASSROOM AND ZOOM

GRADING

- ▶ While Edgenuity does display grades for students in the dashboard, this may not be their final grade.
 - ▶ Teachers are required to transfer grades to our digital grade book that parents have always had access to in Parent Connect.
 - ▶ Parent Connect will have the most accurate information for grades.
 - ▶ In Edgenuity, the “Actual Grade” factors in unsubmitted assignments as zeroes, whereas the “Overall Grade” only factors what they have submitted.
- 

GRADE SCALE

We will be using the standard 2nd grade grading format listed below:
