

Welcome

Welcome back! I hope you are all well and enjoyed your summer break. I have been working hard to ensure that your remote learning experience is meaningful and purposeful. I know these are trying times, so my goal is to provide you with as much normalcy as possible. With that said, I hope you have come “back to school” rejuvenated and ready to begin working remotely, until we are cleared to meet in person! The four most important behaviors are good attendance, completing homework/classwork, taking notes on examples, studying for assessments.

Supplies/Materials

You will need access to the following:

- | | |
|---|---|
| <ul style="list-style-type: none"> • Computer/Laptop OR Smartphone • Internet (Google Chrome if using a computer/laptop) • Google Classroom (computer or the app) • Google Slides (computer or the app) • Paper, pens, pencil • Desmos app on your phone or use desmos on the computer • Google Docs (on computer or the app) • Textbook: Statistics and Probability with Applications | <ul style="list-style-type: none"> • Remind • Zoom (computer or the app) • Access to student email (computer or Outlook app) • Not required but recommended: Graphing Calculator (TI-84 plus CE recommended but any graphing calculator will do, you can also access free online graphing calculators at wabbit.codeplex.com) A scientific calculator is also acceptable. We will use free online calculators as well. |
|---|---|

*****NOTE:** Although I would recommend a computer, it is *completely possible* to complete all activities in my class on your smartphone. If you do not have a computer, please contact the district to receive a district device by clicking [HERE](#)

Assignments

You will have a very short daily “exit ticket” to complete by midnight everyday M-F, this will serve as your participation and attendance for the day. You will also have Notes, Activities and Assignments given weekly and everything for the week will be due on Sunday night by midnight. Assessments will be given at the end of each chapter and will consist of Multiple Choice and FRQ questions. We will be using Google Classroom and Zoom.

Academic Integrity

Plagiarism is the act of taking someone else’s work and passing it off as your own, *even your classmates!* Plagiarism/cheating will not be tolerated. It is important that you make an effort and take pride in your work.

Daily Check-Ins/ Attendance

Students will be marked present by participating in Daily exit tickets. These will be posted in Google Classroom and must be completed by Midnight daily. If you do not do the exit ticket you can still be marked present by attending the zoom meeting that day, emailing the teacher that day, or sending a message in Remind. If I do not see you in zoom (I will take attendance sometime in the middle of the zoom by looking at the participants list), you do not complete and turn in the exit ticket by midnight or you do not contact me that day then you will be marked absent. *****If you choose to not do the exit ticket you will get a permanent zero in the gradebook******

Missing Work

All weekly assignments will be due no later than the Sunday at midnight of the week they are posted. This means that you have 7 days to complete the week’s assignments and turn them in. If you do not complete them, you will not receive credit for them. Late work will not be accepted. ******As stated above Exit Tickets MUST be turned in daily!**

Grading Scale

Students will be graded on the following scale:

- | | |
|--|--|
| <ul style="list-style-type: none"> • A 100%-90% • B 89%-80% • C 79%-70% | <ul style="list-style-type: none"> • D 69%-60% • F 59% and below |
|--|--|

Grade Distribution:

- **Participation (Exit tickets) = 20%**
- **Assignments (Notes/Activities/Assignments) = 40%**
- **Assessments = 40%**

*****NOTE:** Extra credit will be offered on a limited basis. Please take advantage of this when it presents itself. The only Extra Credit as of now is attending our daily zooms, 1 point per day, this will add up quickly!

Virtual Classroom Rules and Procedures

When entering the virtual classroom/ Zoom meeting:

- | | |
|--|---|
| <ol style="list-style-type: none"> 1. Mute when entering a call. 2. Be early or on time. 3. Use your first and last name when entering the virtual classroom (Zoom). Must be the name you are in Qconnect, I only have the roster from Q so if you put a different name I will have no idea who you are and assume you are a person who should not be in my Zoom meeting. This is for all of our safety! I cannot allow someone in zoom who is not enrolled in my class or an employee of NHS. 4. Dress appropriately-School dress code applies. (see NHS website) 5. Be respectful of others, and to yourself. | <ol style="list-style-type: none"> 6. Minimize noise and distractions around you. 7. Have a designated workspace; sit at a table or desk if possible. 8. Raise your hand before talking. 9. Utilize your resources, such as the chat, (more about this in our first few zooms). 10. Use appropriate language and visuals when commenting and speaking (via Zoom). 11. Stay positive. 12. Be kind; have an open mind. |
|--|---|

2020-21

Remote Learning

Bell Schedule

Norco High School

7:40am-8:20am PERIOD 1

8:28am-9:08am PERIOD 2

9:16am-9:56am PERIOD 3

10:04am-10:44am PERIOD 4

10:52am-11:32am PERIOD 5

11:40am-12:20pm PERIOD 6

12:20pm-1:20pm LUNCH

1:20pm-2:44pm REMOTE SUPPORT

What is Remote Support? This is the time teachers may provide Individualized Student Support Time. This is also the time when teachers may attend Teacher Professional Development and Collaborate with other Teachers (like we do during Wednesday Late-Start. Teachers will use this time for Planning, Recording Lessons, Lesson-Planning, Posting, and Grading. Meetings will also occur during this time, such as IEP Meetings, 504 Meetings, and Parent Meetings. Teachers will also hold their Office Hours during this time (refer to their syllabus for details on their Office Hours).

*****Class Zoom will start at the beginning of each period!!*****

***Online Information can be found on the Norco High Website, there is so much useful information on the Norco High website, please visit and look around.

***To access my teacher website go to the NHS website, click on the staff directory, find my name on page 2, click more and there is a link to my page.

***Check Qconnect regularly to keep track of your grades!

***Parents/Guardian check ParentConnect regularly to check your students' grades!

Syllabus Agreement:

Once you have read through the Syllabus you can join the Google Classroom and take the Syllabus Quiz, this will go in your grade for the class.

Please ensure that your Parent or Guardian has seen and read the Syllabus as well. (This will be a question on the Quiz!)
