

Psychology: Instructions

Assignments in the class:

- Packet work: 60%
- Video assignment: 20%
- Assessment: 20%

The packet:

- Write your answers in the packet.
- Answer all parts of each question (if you want full credit.)
- Write neatly (unreadable answers will not receive credit.)
- Your work will be checked for completeness.

Explanation of words used in the questions:

- COMPARE, CONTRAST, DIFFERENCE: your answer should talk about the two topics they are asking about.
- ConclusionS, effectS, abilitieS, stageS, kindS, symptomS, ...: more than one answer is required because of the S at the end of the word (give more than 2 answers if you are hoping for an A).
- SOME: means 2 (or 3, if you are hoping for an A).
- A FEW: means 3.
- SEVERAL: means 3 (or more, if you are hoping for an A)
