		Unit Circle Activity	Please bring a ruler and colored pencils/markers

Fall Break 9/29 – 10/10
Have a wonderful break!!
Classes resume Wednesday, 10/15S

*Quizzes are generally announced, but may also be unannounced. Please be prepared, including for each chapter's notebook quiz. Have all of your notes and homework organized and labeled. All quizzes are timed.

****Note: All homework and required WeBWork problems must be completed to participate with your group on a group quiz. You are strongly encouraged to keep up *daily* with your assignments for this class.**

Complete homework in pencil/write down original problem (except for long word problems)/follow directions given (ex: use calculator or show algebraically)/show all steps/circle or put a box around final answer. **A list of answers will not be accepted.**

You will be required to turn in your WeBWorK hardcopy along with work. This will be collected the day after WeBWorK is due, generally on a test day. **Your work must be on separate paper.** All of the problems must be clearly numbered and the work neat and organized. Staple the hard copy on top of the work to submit.
