

Quarter 1 Calendar - Cohort A

Topics will be in black

Due Dates will be in red

Assignment/Activities will be in blue

Important School dates will be in orange

Assessments will be in green

* As with all calendars, it is important to remember that they are living documents that can change when need be. If we aren't getting something or if one activity takes longer than another, then we will change the calendar as we need to. My goal, though, is to try and keep this as accurate for you as possible, so that you always know what is coming up next! *
